

ADDENDUM TO SOLICITATION 10/20/2016

This Addendum modifies the Solicitation Document(s) for R2 PS SH21 (Powers) & Research Pkwy Interchange Design only to the extent indicated herein. All other areas not specifically mentioned or affected by this Addendum shall remain in full force. This Addendum shall be added as a part of the RFP Documents.

=====

This Addendum is issued for two (2) reason(s): (1) to add the details of the MANDATORY Pre-proposal Meeting, and (2) to clarify an item on the DBE/ESB Scoring and Requirements

- (1) The Mandatory Pre-Proposal Meeting meeting will occur at 8:00 AM in Region 2 at the Colorado Springs location: 1480 Quail Lake Loop Colorado Springs, CO 80906. We have scheduled this meeting for 2 hours, but do not anticipate that it will take the full amount of time. If you have not done so already, please RSVP by email to Maggie Molinas at marguerite.molinas@state.co.us. This meeting is currently scheduled to be held in the Small Conference Room, but may be moved to the Large Conference Room if additional teams RSVP.

NOTE: Attendance at this event is MANDATORY. Your firm's participation in this event must be recorded in order for Engineering Contracts to accept your SOI on the due date. We will have a sign in sheet at the event. Do not forget to record your firm and representative's names.

- (2) PLEASE NOTE: A 0% DBE goal does not indicate that DBE/ESB commitments will not be evaluated. Civil rights will still score all SOIs submitted. Please refer to the SOI Instructions for this solicitation for information on the weight of scores and the NEW DBE/ESB scoring factors. Please review the scoring factors listed in both the SOI Instructions document and the DBE/ESB Requirements Document included with the SOI Instructions carefully, as they have recently changed.
- (3) The following documents included in the original solicitation are impacted by this Addendum, and updated versions of these documents are attached hereto for reference:
 - a. Notice to Consultants
 - b. Solicitation for Consultant Services
 - c. SOI Instructions
