

**ADDENDUM TO SOLICITATION
11/18/2016**

This Addendum modifies the Solicitation Document(s) for R4 Hydraulics NPS only to the extent indicated herein. All other areas not specifically mentioned or affected by this Addendum shall remain in full force. This Addendum shall be added as a part of the RFP Documents.

=====

This Addendum is issued for two (2) reason(s): (1) to correct the invitation for consultant services prequal areas and notice to consultant interview section; (2) describe the purpose of the key event schedule.

(1) The following documents included in the original solicitation are impacted by this Addendum, and updated versions of these documents are attached hereto for reference:

a. Invitation for Consultant Services

The prequalification section has been updated to allow the proposing team to count towards prequalification areas. Furthermore, the scoring section has removed “Workload Factor”.

b. Notice to Consultants

The interview section has been updated to show optional interviews on this project

(2) The Key Event Schedule listed is a draft format, and does not require commitment to be secured for the dates effecting consultants after SOI Submittal date. It’s our intention to not schedule interviews/meetings during or over the holidays.

END OF ADDENDUM

=====

This addendum does not represent a material change and is not required to be signed and returned with the consultant response.
