

**ADDENDUM TO SOLICITATION  
12/7/2016**

**This Addendum modifies the Solicitation Document(s) for Project Specific I-70 West Vail Pass Safety Improvements EA + Design Services (RFX # 6000130) only to the extent indicated herein. All other areas not specifically mentioned or affected by this Addendum shall remain in full force. This Addendum shall be added as a part of the RFP Documents.**

=====

**This Addendum is issued for one (1) reason(s): (1) to correct the DBE language in the Solicitation for Consultant Services (“AD Invitation”) to reflect that “ALL DBES SHALL BE CONSIDERED TO BE UDBES.” The old language improperly implied that ESB/SBE firms would be considered DBEs for evaluation and scoring.**

**(1) The following documents included in the original solicitation are impacted by this Addendum, and updated versions of these documents are attached hereto for reference:**

**a. Solicitation for Consultant Services (“Ad Invitation”)**

**The deadline to submit SOIs has been extended to 12PM on Thursday, December 15, 2016.**

**The DBE language has been updated to read:**

The Department has determined the contract goal for UDBE participation in this contract will be met with certified DBEs who have been determined to be underutilized on professional services contracts. At this time, all DBEs will be considered to be UDBEs.

The DBE goal for this project is: 10% (Ten Percent)

**Note: Firms will still be evaluated for incentive points based on their DBE and ESB participation as outlined in the NEW DBE/ESB Requirements for Professional Services Contracts, attached to the SOI Instructions document in the RFP. For questions on the new scoring criteria, please contact Megan Coontz McAllister at (303) 512-4140 or Katherine Williams at 303-757-9162.**

END OF ADDENDUM

=====

This addendum does not represent a material change and is not required to be signed and returned with the consultant response.

Enclosure(s): Ad Invitation
