

**Date: 12/21/2017. Project Info: Region 3 PS I-70B 1<sup>st</sup> & Grand Design Engineering Services.**

Thank you for your interest and response in performing engineering services for the above-captioned project of the Colorado Department of Transportation (CDOT). We may use the interview process for this selection, which means CDOT will hold a short-list meeting and may invite three firms back for an interview, based on the Statement of Interest (SOI)/Work Plan (WP) submittal. Please submit through the CDOT Portal or **six (6) hard copies** of your SOI/WP to accommodate the members of the board. Please refer to the SOI/WP instructions to ensure compliance with the page and exhibit limits for the SOI/WP sections of your submittal. Submit all copies of Statement of Interest/Work Plan by the due date and time as stated in the "Invitation for Consultant Services."

**CDOT'S RECOMMENDATION IS THAT EVERY FIRM MAKES SURE TO SPECIFICALLY LABEL THE PARTS OF THE PROPOSAL THAT ARE CONFIDENTIAL AND PROPRIETARY.**

By submitting an SOI/WP on this project the consultant is deemed to agree to the process described herein. The Prime and all Sub Consultants on the team must be on CDOT's list of pre-qualified consultants and have a Master Pricing Agreement to be awarded this project.

CDOT will inform you of the short-list result by electronic mail. Please include an e-mail address in your cover letter.

If your firm is interested in submitting a Statement of Interest for this project, please sign-up by contacting [pehle.colletta@state.co.us](mailto:pehle.colletta@state.co.us). Please include your firm's name, this project number and/or project name. The Sign-up list will be used by the Contracting Officer to notify consultants of any amendments and/or additional project information.

**\*Please note, to be a Prime Consultant on a contract, the Prime Consultant must provide at least 30% of the work themselves.**

Please refer to the CDOT website for the most up-to-date DBE and ESB Information.
