3. SPECIAL REQUIREMENTS:

All respondents accept the conditions of this RFP, including, but not limited to, the following:

A. Prequalification: All parties (Prime and Sub Consultants) submitting as a team member on a proposal must be prequalified at least seven calendar days prior to the Proposal submittal date. Pre-qualification must be done annually. The recommended disciplines based on the scope of work: Structural Engineering (SE), Highways & Street Design (HD), Geotechnical Engineering (GE), Hydraulics (HY), Environmental Engineering (EN), Transportation Engineering (TP), Construction Management (MC).

B. Master Pricing Agreement: All Consultants and subconsultants must have a valid Master Pricing Agreement (MPA) with CDOT prior to award of contract.

C. Late Proposals: Any proposal received by CDOT after the time specified in **Section 2 Key Events Schedule** shall be considered late and will be rejected. No late proposals will be accepted for this project.

D. Non-Responsive Proposals: CDOT reserves the right to reject any or all proposals. Proposals that do not meet the Minimum Proposal Requirements listed in **Section 4** will be rejected as non-responsive.

E. Consultant Costs: Except for provided in **Section 7** of this document no reimbursement will be made by CDOT for any costs related to the preparation of the Proposal, required documentation, interviews, presentations, discussions, and/or any related activities. These costs are the sole responsibility of the Proposer. CDOT shall not be liable for any costs incurred by respondents in the preparation of submittals and proposals, nor in costs related to any element of the selection and contract negotiation process.

F. Licensure: All work is to be performed under the direction and supervision, as appropriate to the task, of a Colorado-Licensed Professional Engineer, Architect, or Land Surveyor as required by the Colorado Department of Regulatory Agencies. For additional guidance, please see: https://www.colorado.gov/pacific/dora/AES_Laws.

G. Self-Performed Work: To be a Prime Consultant on a contract and per 49CFR part 26 and administration of DOT assisted contracts, the Prime Consultant is required to provide at least 30% of the work themselves.

H. CDOT Policy Directive 23 – Consultant Utilization for Design and Construction: The firm that performed final design services and any consultants (prime or sub) team members that performed more than 20% of the work will not be allowed to submit a proposal for construction management services unless the Chief Engineer has waived the policy for the project.

I. Method of Payment: Cost Plus Fixed Fee (CPFF) method of payment shall be used for all Task Order work **unless** (1) the nature of the work directed is appropriate to Specific Rate of Pay (SROP) payment method (such as construction management services, research & development, and staffing support services); (2) the payment method is approved by the CDOT Project Manager and Contracting Officer; and (3) the payment method is reflected in the Task Order Proposal at the time of execution.

J. Software Requirements: All consultants are required (where applicable) to use the following software packages, which are currently used by CDOT:

- (i) Microsoft Project and/or Primavera
- (ii) ProjectWise (a/k/a ProjectWise Explorer)
- (iii) B2GNow System for DBE/ESB tracking and prompt payment
- (iv) Microstation and OpenRoads (ORD) for drafting and surface creation
- (v) Microsoft Office Suite
- (vi) AASHTO Software (SiteManager, LIMS)

K. Non-discrimination: The Consultant, with regard to the work performed by it during the contract term, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subconsultants, including procurement of materials and leases of equipment. The Consultant will not participate either directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

L. Civil Rights Act of 1964 Title VI: CDOT, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

M. Conflict Disclosures: The Proposer will include a full disclosure of all potential organizational conflicts of interest in the Proposal. By submitting its Proposal, each Proposer agrees that, if an organizational conflict of interest is thereafter discovered, the Proposer will make an immediate and full written disclosure to CDOT that includes a description of the action that the Proposer has taken or proposes to take to avoid or mitigate such conflicts.

N. Open Records Act Notice: Except for consultant audit and Master Pricing Agreement information, all records, documents, drawings, plans, specifications, and other materials relating to the conduct of CDOT business, including materials submitted by Proposers in response to this solicitation, are subject to the provisions of the Colorado Open Records Act (C.R.S. 24-72-201, et seq) and any other laws and regulations applicable to the disclosure of documents submitted under this RFP. Such laws govern CDOT's use and disclosure of records. Please see CDOT Policy Directive 508.2 for guidance.

Each Proposer is advised to contact its own legal counsel concerning the Colorado Open Records Act, other applicable laws, and their application to the Proposer's own circumstances.

In the event of litigation concerning the disclosure of any materials submitted by the Proposer. CDOT's sole involvement will be as a stakeholder retaining the material until ordered by a Court, and the Proposer shall be responsible for otherwise prosecuting or defending any action concerning the materials at its sole expense and risk.

All submittals will become the property of CDOT, will not be returned, and will be disposed of according to Department policies. Successful proposals will be considered part of the contract document after award.

Automatic redactions: not applicable.

O. Consultant Assurance: By submitting a proposal for this contract, the Consultant agrees to the following assurance: The consultant, sub recipient, or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Consultant to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as CDOT deems appropriate, which may include, but is not limited to: withholding monthly progress payments; assessing sanctions; liquidated damages; and/or disqualifying the Consultant from future bidding as non-responsible.

P. Prompt Payment: Payments to all Subconsultants shall be made within seven (7) days of receipt of payment from CDOT or no later than ninety (90) days from the date of the submission of a complete invoice from the Subconsultant, whichever occurs first. If the Consultant has good cause to dispute an amount invoiced by a Subconsultant, the Consultant shall notify CDOT no later than the required date for payment. Such notification shall include the amount disputed and justification for the withholding. The Consultant shall maintain records of payment that show amounts paid to all Subconsultants. Good cause does not include failure to timely submit an invoice to CDOT or to deposit payments made. The Consultant shall electronically submit prompt payment audit reports to CDOT by the fifteenth (15th) of each month through the B2GNow software. If no payment has been made, the Consultant shall document this in the prompt payment audit report.

Q. Subcontract Terms: The assurance provided in section (P) and the prompt payment terms outlined in Section Q shall be included in all subcontracts or other agreements for the performance of work on the contract.

R. Electronic Signatures: CDOT utilizes DocuSign for contract execution and all subsequent contracting documents. For additional guidance, please see: <https://www.colorado.gov/pacific/osc/electronic-signature-contracts-and-grants>.

4. MINIMUM SOI REQUIREMENTS

As indicated in the advertisements, notice is hereby given to all interested parties that all firms will be required to meet minimum requirements to be considered for these projects. To be considered as qualified and responsive, interested firms shall have, as a minimum:

- A. Submitted their Proposal by 12:00 PM (Noon) on the date shown in **Section 2**.
- B. Be pre-qualified with the CDOT Engineering Contract Services within 7 days of the submittal deadline as shown in **Section 2**. Note: Federal and State regulations require certification by prospective participants (including contractors, subcontractors, and principals) as to current history regarding debarment, eligibility, indictments, convictions, or civil judgments.
- C. Certified that the information and data submitted is true and complete to the best knowledge of the individual signing the cover letter.
- D. Included all of the Proposal Submittal sections and adhered to all page limits listed in **Section 6.1**.

5. CDOT'S SELECTION PROCESS:

The Contracting Officer transmits the Proposal package to each panel member through the Salesforce platform. The package includes:

- ❑ Proposal Scoring Guidelines
- ❑ Draft Scope of Work
- ❑ Proposal for each Consultant

Proposal Scoring Activity

Prior to the selection panel meeting the following occurs:

- Every panel member scores every Proposal independently. (90%)
- The Civil Rights & Business Resource Center (CRBRC) scores the Affidavit of Small Business Participation in the Proposal for small business participation. (10%)

Selection or Short-list Panel Meeting (90%)

A selection panel meeting is held to compile scores and discuss the panel member's evaluations of the consultant's Proposal based on the following criteria:

Team Qualifications and Experience

- ❑ Project Team - 15%
- ❑ Similar Projects - 15%
- ❑ Firm Capacity - 10%

Work Plan

- ❑ Project Understanding and Approach - 30%
- ❑ Project Management Plan - 20%

Small Business Participation (10%)

The CRBRC scores the Proposal based on a variety of factors pertaining to small business participation and contract compliance oversight. This is a Project Specific contract and the CRBRC will score the Proposal according to the rubric outlined in Section 7 below.

Selection Panel Meeting

The selection panel reaches a consensus ranking of either the selected firm, if there is not going to be an optional presentation and interview phase, or the short list of firms (minimum of the top 3 qualified consultants), if there is going to be a presentation and interview phase.

Presentation and Interview Selection Panel Meeting

If the panel elects to exercise their option to interview the short-listed teams, the short-listed firms will have approximately two weeks to prepare their presentation for their interview with the selection panel. The purpose this meeting is to allow consultants time to present their analysis of the project and to allow the panel time to clarify the consultant's qualifications in a question and answer session.

In selections including an Interview Phase, the interview scores count for 20% of the overall score. Other scoring factors from the pre-shortlist evaluation and the shortlist meeting are adjusted accordingly.

Final Selection

In making the final selection recommendation to the Chief Engineer, the panel reaches consensus on the ranking of the selected firm(s). The panel provides its recommendation to the Contracting Officer, who obtains the concurrence of CDOT's Contract Administrator. Then the Contracting Officer provides selection documentation, including the board's ranking, to the Chief Engineer for approval. The Chief Engineer's approval is necessary before proceeding with selection notification.
