Request for Proposals - Proposer Questions & CDOT Responses

Question Number	Question Received Date	CDOT Response Date	Question	CDOT Response	Document Reference	Modifications to RFP (Yes/No)
1	7/20/2022	8/3/2022	Provision and Section of SOW in Question Scope of Work, Section 2.5 - Project Work Lead Disciplines, Rockfall/Blasting/Geohazards Description Rockfall/Blasting/Geohazards - The Rockfall Lead will oversee all rockfall, blasting and geohazard related work on the Project including, but not limited to, installation of rockfall mesh, rock excavation and removal, and review of safety critical information related to rockfall work. This person shall also be certified for blasting inspection and rope safety as needed. Explanation of Requested Change The Rockfall/Blasting/Geohazards description requires the person to be “certified for blasting inspection.” Please clarify the description to provide the name of the certifying agency and specific name of the blasting inspection certification that CDOT is requiring for this position	This language has been updated to clarify that certification in blasting inspection is not required.	Scope of Work, Section 2.5	Yes
2	7/20/2022	8/3/2022	Provision and Section of RFP in Question RFP Section 6 Proposal Instructions D Statement of Interest 3c: Demonstrate firm and team’s success in the following activities in the projects listed in (1) and (2) Explanation of Requested Change Is it intended for “projects listed in (1) and (2)” to refer to “a) and b) above” within the same section? We respectfully request clarification as to which section this refers.	Yes, it should reference a) and b) above.	RFP Document, 6. Proposal Instructions , D. Statement of Interest, 3), c)	No

3	7/20/2022	8/3/2022	<p>3 Provision and Section of RFP in Question RFP Section 6 Proposal Instructions A. All Proposals shall use a minimum font size of 11 Times New Roman and a minimum font size of 10 Times New Roman on charts, graphs, and figures. Note 1. No font less than 12 point is allowed. Explanation of Requested Change There is potential ambiguity in the minimum font size requirement in Section 6 of the Proposal Instructions. Please confirm that font size 11 is the minimum allowable size for all text sections excluding charts, graphs, and figures.</p>	<p>Updated RFP removes the following instruction: "No font less than 12 point is allowed." Font size 11 is the minimum allowable size for all text sections excluding charts, graphs, and figures.</p>	<p>Request for Proposals (RFP) Section 6.A. and Section 6.B (Note 1)</p>	<p>Yes</p>
4	7/20/2022	8/3/2022	<p>Provision and Section of RFP in Question - RFP Section 6 Proposal Instructions A. All Proposals shall use a minimum font size of 11 Times New Roman and a minimum font size of 10 Times New Roman on charts, graphs, and figures. Explanation of Requested Change - In regard to the font requirement of 'Times New Roman,' the readability is difficult with a serif style font. Would CDOT consider allowing a choice of standard sans serif fonts such as Calibri or Arial to improve readability.</p>	<p>Updated RFP states: "All Proposal text shall use a minimum font size of 11 Arial and a minimum font size of 10 Arial on charts, graphs, and figures."</p>	<p>Request for Proposals (RFP) Section 6.A. and Section 6.B (Note 1)</p>	<p>Yes</p>
