Pre-Solicitation Notification

Public Notice for Western Slope Non-Project Specific Construction Management, Construction Inspection and Material Testing Engineering Services.

Description: To provide clarification on the contract award structure, scoring criteria and proposal format for the solicitation.

Contract Award Structure:

The contract term will be for a five-year period. The contracts will be ranked in sequential order with the top 4 receiving a \$5M contract, the next 3 receiving a \$4M contract and the next 3 receiving a \$2M contract. If 1 Emerging Small Business (ESB) firms are not selected through sequential ranking, 1 ESB firms will supersede the final 10th contract.

Scoring Criteria:

Category Sections	Points
Project Team & Capability	30
Past Experience	20
Approach	20
Unique Perspectives	20
Small Business Participation	10
Total	100

Proposal Format

Maximum seven (7) page limit

The page limit criteria will be the only dictating criteria given; the proposer is free to use the allotted page amount however they wish (with no section limits) but it will be all encompassing and no appendices are allowed (including resumes, org chart, etc.).

COLORADO
Department of Transportation
Office of the Chief Engineer

Proposer can organize page size between 8.5"x11" and/or 11"x17", however 11"x17" pages count as two (2) 8.5"x11" pages.

It is anticipated that this solicitation will be released **April 9, 2026**.

The solicitation will be posted on BidNet and on the CDOT website at:

<https://www.codot.gov/business/consultants/advertised-projects/2026>
