Dear Consultant Partners in Transportation:

As you are probably aware, all Colorado State Agencies are operating under a state hiring freeze. Additionally, all salaries are frozen. This includes performance based pay, cost of living increases, and even more pay when promoted. The Department of Transportation is also being asked to reduce its Operating Budget by ten percent.

As a consequence, we are asking you to temporarily suspend requests to CDOT for salary increases until further notice.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "Pamela Hutton". The signature is fluid and cursive, with a long horizontal stroke at the end.

Pamela Hutton, P.E.
Chief Engineer
