Division of Project Support  
Standards and Specifications Unit

## MEMORANDUM

**DATE:** May 1, 2018

**TO:** All Holders of Standard Special Provisions

**FROM:** Shawn Yu, Standards and Specifications Engineer

**SUBJECT:** Revision of Section 706 - Concrete and Clay Pipe

Effective this date, our unit is issuing a new standard special provision, Revision of Section 706 - Concrete and Clay Pipe. This new standard special provision is 1 page long.

Please use this new standard special provision in all projects that have reinforced concrete pipe end sections, beginning with projects advertised on or after June 1, 2018. You are free to use this standard special provision in projects advertised before this date.

This new special provision revised added option "(2) macro fiber at 5.0 lb./cy." in the 3<sup>rd</sup> paragraph of Subsection 706.02 Reinforced Concrete Pipe.

Those of you who keep a book of Standard Special Provisions should add this new standard special provision to your file. For your convenience, you can find this and others special provisions issued this date in one place at our Construction Specifications web page:

<https://www.codot.gov/business/designsupport/cdot-construction-specifications/2017-construction-standard-specs>

Please scroll down and visit the hyperlink, "[Recently Issued Special Provisions](#)".

If you have any questions or comments, please contact this office.
