

REVISION OF SECTION 102
INTERPRETATION OF PLANS AND SPECIFICATIONS

Section 102 of the Standard Specifications is hereby revised with the following:

102.04 Interpretation of Plans and Specifications. Any changes to proposal forms, plans, or specifications prior to the opening of proposals will be issued by the Department ~~by certified mail to all holders of proposal forms~~ through posting of the changes on the Department's Schedule Bid Openings web page, Business Management System (B2G), and the Electronic Bid System. Certain individuals are named in the project specifications who have authority to provide information, clarification or interpretation to bidders prior to opening of proposals. Information obtained from persons other than those named individuals is invalid and shall not be used for bidding purposes.
