Subject: The Davis-Bacon Minimum Wages on Federal-Aid Projects

Effective this date, our unit has issued the new **Minimum Wages, Colorado, U.S. Department of Labor, General Decision Number CO20260014** standard special provision. This revised standard special is 7 pages long and is dated **January 9, 2026**. It is to be included in all federal-aid projects, beginning with those that have bid openings on or after **January 19, 2026**. Use this standard special provision on all federal-aid projects with contracts exceeding \$2,000, except for non-ARRA projects on roadways classified as local roads or rural minor collectors, which are exempt. Projects on local roads, rural minor collectors, and enhancement projects funded with ARRA funds are not exempt.

This new decision did not change any wages or fringe benefits for any job classification. It only changed the CO20250014 dated December 12, 2025, to CO20260014 dated January 9, 2026.
