3. Major Employment History

Employer	Number of Years Employed	Your Job Title(s)
1. IBI Group	2	Associate, Transportation Engineering
2. David Evans and Associates	11	Vice President
3. BRW, Inc./URS	10	Vice President
4. CRSS, Inc.	6	Department Manager

5. Experience and General Information: (continued on page 2)

<p>1. Describe your major areas of work experience/expertise:</p> <p>Planning, design and construction oversight for all types of transportation facilities, including major transit projects in New York, San Francisco, and Denver as well as transportation improvements for National Parks, including Yosemite, Grand Canyon, Glacier and Statue of Liberty. Risk management specialty that has been applied to major construction projects, including reconstruction of roads and transit facilities at the World Trade Center in New York.</p>
<p>2. Describe your experience with construction claims:</p> <p>Risk assessment and risk management lead for the oversight of the reconstruction of the PATH World Trade Center transportation hub, the New York City Transit Authority Fulton Street and South Ferry subway stations and the reconstruction of the West Side Highway adjacent to the World Trade Center. These federally funded projects totaled more than \$6 Billion in construction.</p>
<p>3. Describe your knowledge of construction contract law:</p> <p>Engineering is my specialty, not law. I am familiar with the preparation of construction contract documents, including specifications and terms and conditions and with the oversight of construction work in accordance with the specifications.</p>

4. Describe your experience with construction contract administration:

Working in a Project Management Oversight role for the Federal Transit Administration, I reviewed federal grantee contract administration procedures, including determinations of allowable delays and associated construction overhead payments. As Project Director for the designer of the West Corridor Light Rail line, worked with RTD on contract administration, including RFI responses and responses to design issues in the field.

5. Describe your construction field experience:

Field reviews of grantee construction progress and construction administration practices as part of my Project Management Oversight Role for the Federal Transit Administration for major construction projects on the BART transit system in the San Francisco Bay Area and for reconstruction work by the Port Authority of New York and New Jersey, the New York City Transit Authority and the New York State DOT for recovery from the September 11, 2001 terrorist attack on the World Trade Center in Lower Manhattan.

6. Describe your DRB (or arbitration) training, certification, and experience:

Completed the Dispute Resolution Board Foundation Administration and Practice Workshop on 9/11/2013.

7. Describe your employment/retirement status and availability to serve on a DRB and geographical area:

Employed full time. Available to serve on DRBs starting in February 2014 after completion of my current assignment for the design of 10 subway stations for Tel Aviv, Israel.

DRB members are compensated as per Section 105 of the CDOT Specifications.

6. List Two References For Your Experience With Construction Claims

Name	Title	Organization	Phone Number	Email Address
Lyn Wylder	Vice President	David Evans and Associates	(503) 780-8413	cdw@deainc.com
