5. Experience and General Information: (continued on page 2)

<p>1. Describe your major areas of work experience/expertise:</p> <p>My legal practice is dedicated almost exclusively to construction law. I have also served as general counsel to a civil contracting firm for 10 years.</p>
<p>2. Describe your experience with construction claims:</p> <p>I have significant experience both prosecuting and defending a variety of construction claims including delay, disruption and impact claims; differing site condition claims (Type I & and Type II); cardinal change; bid disputes and other contractual and warranty based claims on behalf of owners, prime contractors and subcontractors.</p>
<p>3. Describe your knowledge of construction contract law:</p>

I have working knowledge of construction contract law, particularly as it relates to civil contracting. I have been involved in transactions and litigation revolving around standard form industry contracts (e.g., ASCE, AGC & AIA) as well as custom agreements. I have attended numerous continuing education classes dedicated to construction contracting and law.

4. Describe your experience with construction contract administration:

I have advised engineers during the design phase of construction as well as contractors and owners in preparing and reviewing bids for conformance and responsiveness to a project's plans and specifications. I have reviewed surety agreements, prepared and reviewed material submittals, and managed construction close-out including punchlist and warranty.

5. Describe your construction field experience:

I have worked as a project manager and estimator on civil construction projects ranging from \$300K to \$10M. Most of my experience is in roadway, sewer and water construction. I have also worked as a project manager on projects involving structures such as bridges and water storage tanks. During high school and college I worked for my father who was co-owner of ERS Constructors, Inc. prior to its sale to The Industrial Company in 1997.

6. Describe your DRB (or arbitration) training, certification, and experience:

I have received training in the American Arbitration Association Rules of Construction Arbitration.

7. Describe your employment/retirement status and availability to serve on a DRB and geographical area:

I have my own practice and therefore can serve the CDOT DRB as needed unless I have a trial or arbitration. I am readily available to work in CDOT Regions 3 & 5. I am also willing to work in the other CDOT regions as well.

DRB members are compensated as per Section 105.22 of the CDOT Specifications.
