

## Accessing AASHTO Online

For first time users of the AASHTO link, please use the following 5 steps.

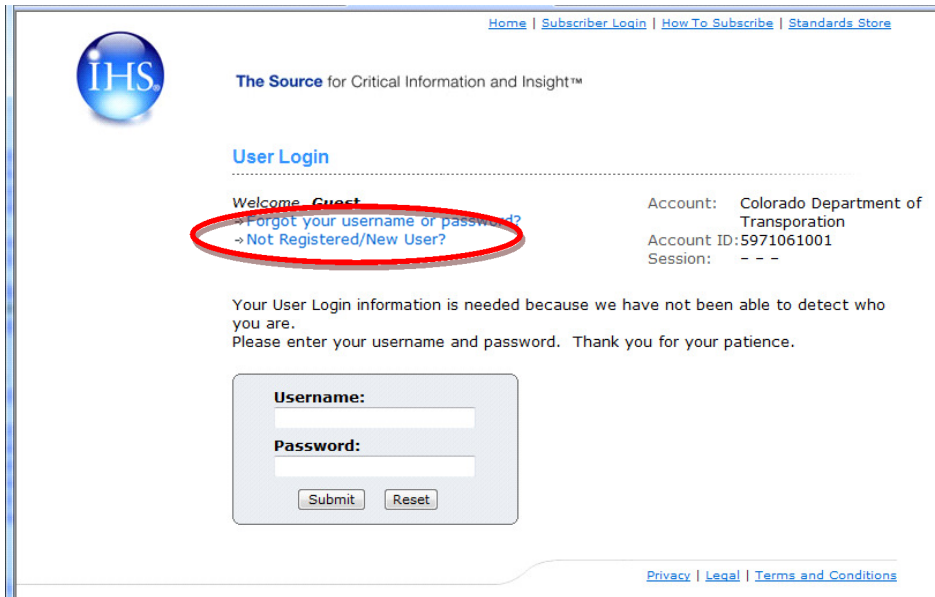

**Step 1.** Go to the CDOT internal website and click on the Organizations button.

**Step 2.** In the Organizations, under the Materials & Geotechnical Section, click on the new AASHTO link.

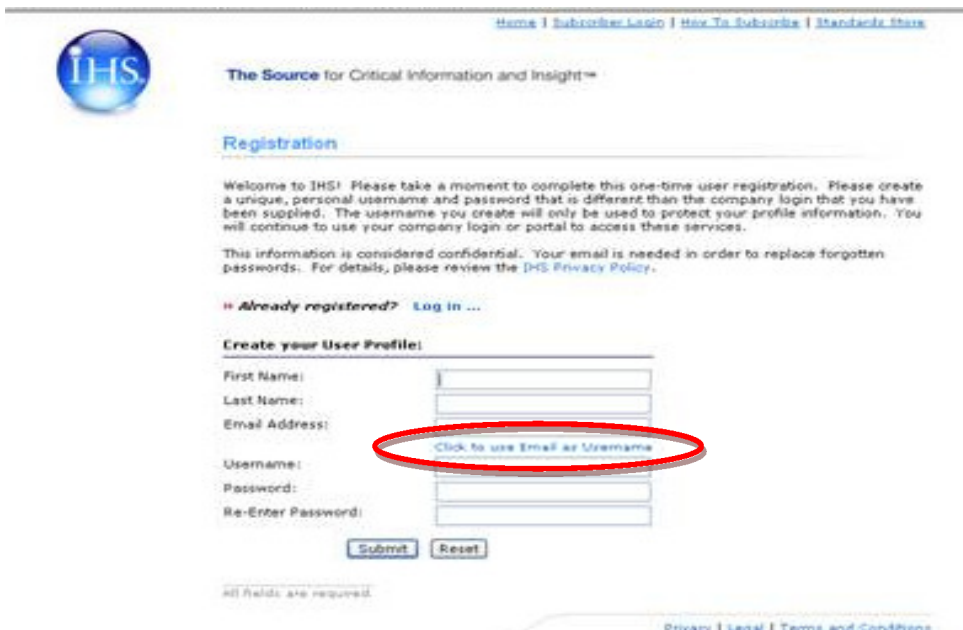

**Step 3.** Upon entering the IHS site, select either *Returning Registered User* or *New User* or *Never Registered*. If applicable click on the blue font *Not Registered/New User* to start the login ID process.

**Step 4.** Type in your first name, last name, email address (firstname.lastname@dot.state.co.us).

Then click on **“Use Email as Username.”**  
Then type in codot as the password.  
re-enter codot on the Re-Enter Password line.  
Hit the submit button once these 6 lines have been completed.

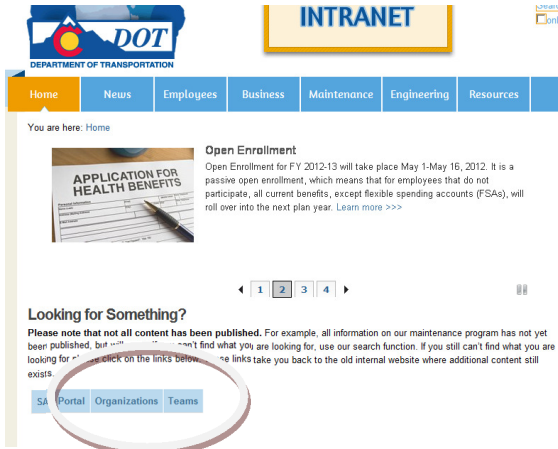

**Step 5.** To Access the AASHTO Specifications and Standards, click on the IHS Standard Expert line.

The screenshot shows the IHS website interface. At the top, there are navigation links: [Home](#) | [Subscriber Login](#) | [How To Subscribe](#) | [Standards Home](#). The IHS logo is on the left, with the tagline "The Source for Critical Information and Insight™". Below the logo is a "Main Menu" section. On the left, a welcome message for user "anthony" (User ID: 1287565) includes links for "Login as a different user", "Update your profile", and "Subscriber Logout". On the right, account information for "Colorado Department of Transportation" is displayed, including Account ID: 5921051001, Session: 495998440, and User IP: 63.225.17.34. A section titled "Select a product from your current subscription:" lists "IHS Standards Expert" with a red arrow pointing to it. Below this is a disclaimer box. To the right, "Other Applications and Products" are listed, including ASME BPVC Advantage, CyberReqs™, EEE Product Compliance, ASTM Digital Library, SAE Digital Library, SAE Knowledge Centers, Parts Universe, 4DOnline Comet, PUMA, BOM Optimizer, 4DOnline BOM Manager, TACTRAC COMET, TACTRAC Lock-UP, IHS MRO eCatalog, Catalogpress, Catalogpress Lite, Fasteners eCatalog, HAYSTACK GOLD, H-Series Handbooks, Av-DATA, ESDU, Reference Linking Maintenance Tool, and Support and Downloads.

## Accessing ASTM Online

To access the ASTM link, please use the following 4 steps.

**Step 1.** Go to the CDOT internal website and click on the Organizations button.

**Step 2.** In the Organizations, under the Materials & Geotechnical Section, click on the new ASTM link.

**Step 3.** Once at the ASTM site, click on the Generic Logon.
