

Accessing AASHTO Online

For first time users of the AASHTO link, please use the following 5 steps.

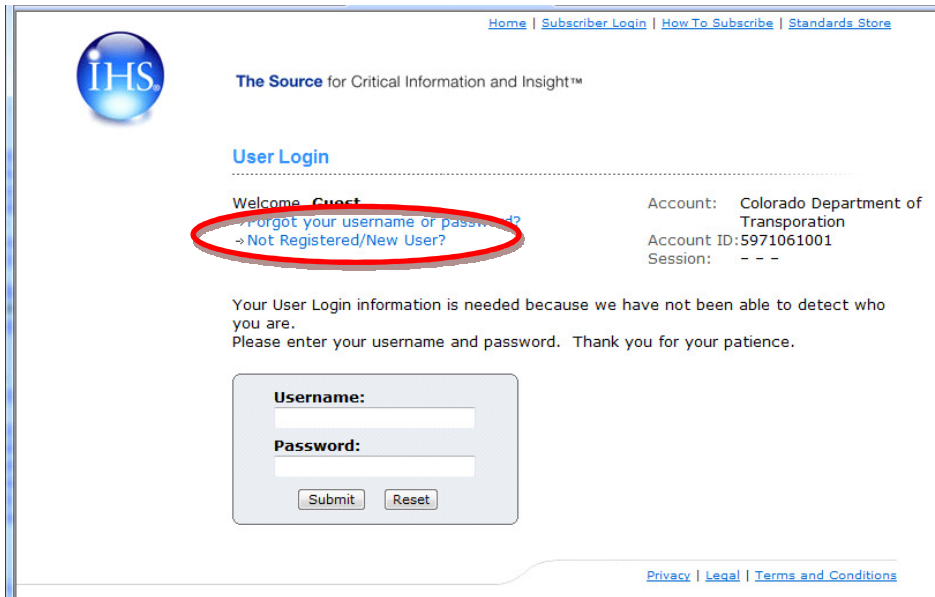

Step 1. Go to the CDOT internal website and click on the Organizations button.

Step 2. In the Organizations, under the Materials & Geotechnical Section, click on the new AASHTO link.

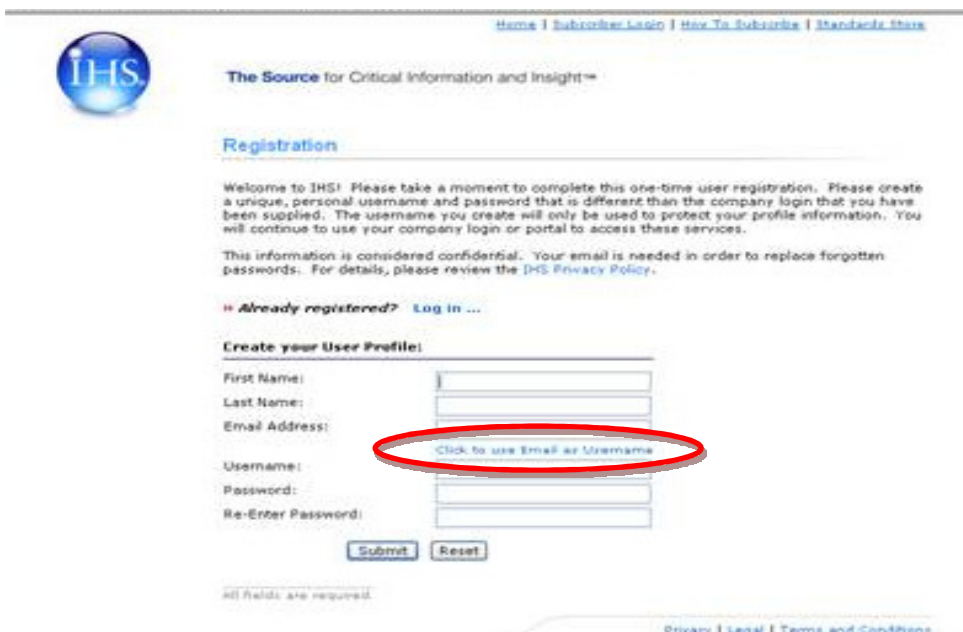

Step 3. Upon entering the IHS site, select either *Returning Registered User* or *New User* or *Never Registered*. If applicable click on the blue font Not Registered/New User to start the login ID process.

Step 4. Type in your first name, last name, email address (firstname.lastname@dot.state.co.us).

Then click on **“Use Email as Username.”**
Then type in codot as the password.
re-enter codot on the Re-Enter Password line.
Hit the submit button once these 6 lines have been completed.

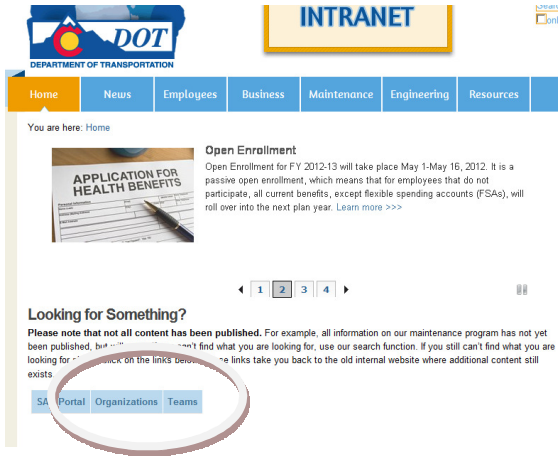

Step 5. To Access the AASHTO Specifications and Standards, click on the IHS Standard Expert line.

The screenshot shows the IHS website interface. At the top, there are navigation links: [Home](#) | [Subscriber Login](#) | [How To Subscribe](#) | [Standards Home](#). The IHS logo is on the left, with the tagline "The Source for Critical Information and Insight™". Below the logo is a "Main Menu" section. A welcome message for user "anthony" (User ID: 1287565) is displayed, with links for "Login as a different user", "Update your profile", and "Subscriber Logout". Account information for "Colorado Department of Transportation" is shown, including Account ID: 5921051001, Session: 495998440, and User IP: 63.225.17.34. A section titled "Select a product from your current subscription:" lists "IHS Standards Expert" with a red arrow pointing to it. A disclaimer box states that the IHS website and database services are available to users subject to the subscriber's compliance with the IHS Internet Terms and Conditions. A section titled "Other Applications and Products" lists various services such as ASME BPVC Advantage, CyberReqs™, EEE Product Compliance, ASTM Digital Library, SAE Digital Library, SAE Knowledge Centers, Parts Universe, Parts Universe with Fasteners, 4DOnline Comet, PUMA, BOM Optimizer, 4DOnline BOM Manager, TACTRAC COMET, TACTRAC Lock-UP, IHS MRO eCatalog, Catalogpress, Catalogpress Lite, Fasteners eCatalog, HAYSTACK GOLD, H-Series Handbooks, Av-DATA, ESDU, Reference Linking Maintenance Tool, and Support and Downloads.

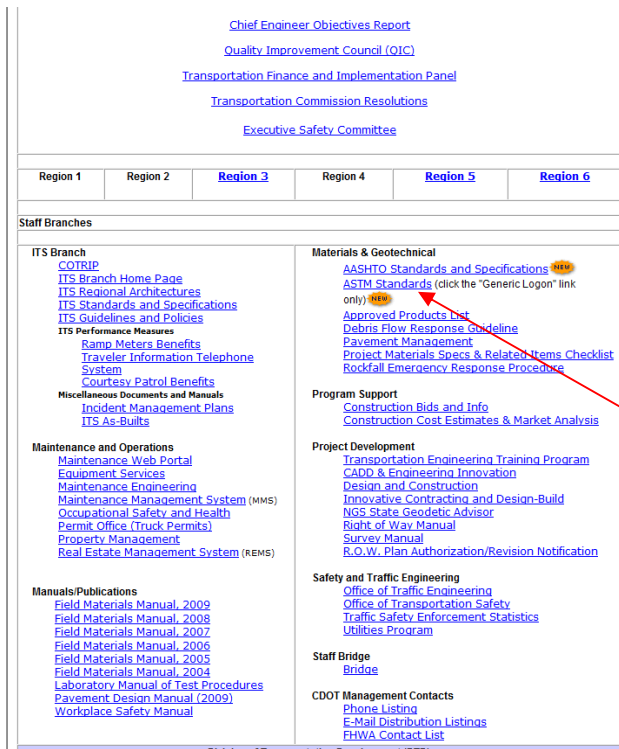

Accessing ASTM Online

To access the ASTM link, please use the following 4 steps.

Step 1. Go to the CDOT internal website and click on the Organizations button.

Step 2. In the Organizations, under the Materials & Geotechnical Section, click on the new ASTM link.

Step 3. Once at the ASTM site, click on the Generic Logon.

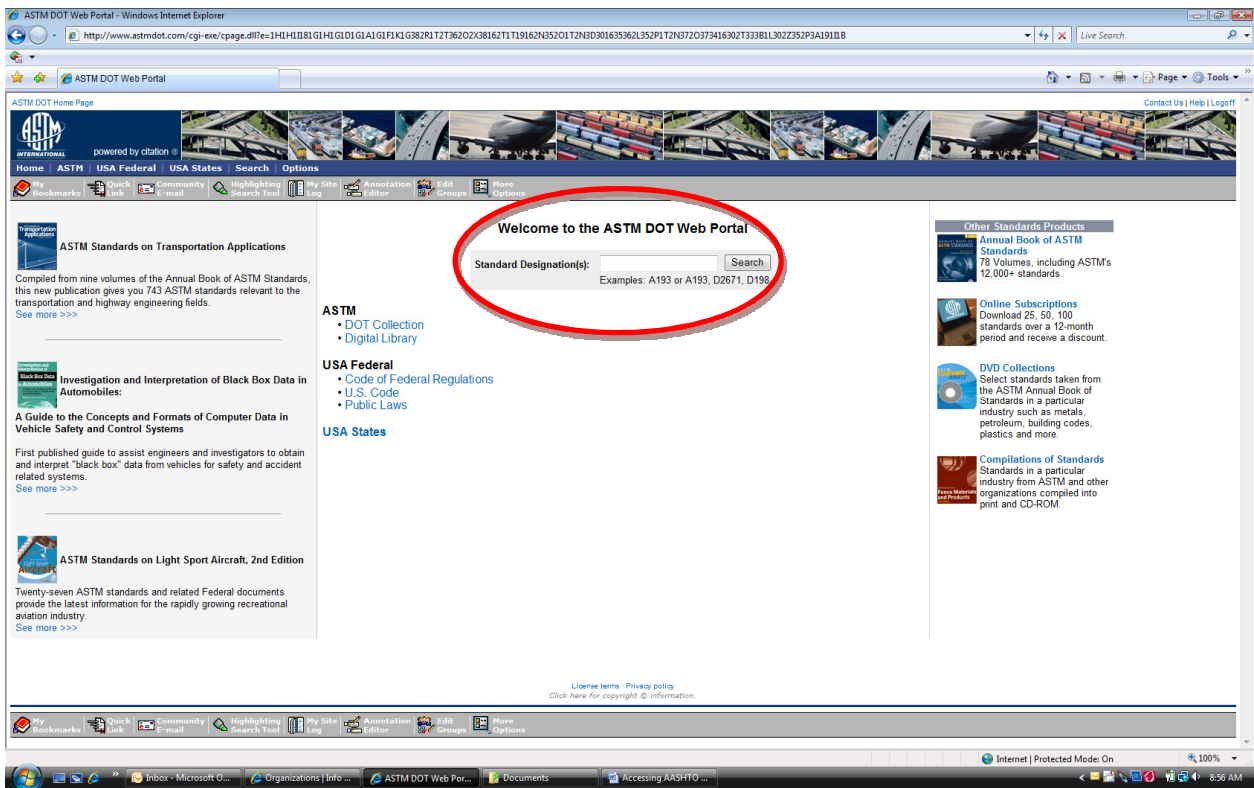

Click on Generic Logon above to enter ASTM DOT Web Portal.

If you have previously established a personal ID, click on Personal Logon above. You will be prompted to enter your personal username and password.

[Click here for copyright & information.](#)

For those needing enhanced capabilities within the ASTM portal, please contact Jay Goldbaum @ (303) 398-6561 to access the Personal Logon functionality.

Step 4. Once in the portal, type in the ASTM you are searching for.
