JUSTIFICATION

I hereby certify that it is in the public interest to specify the above named proprietary item or process for the following reasons: (Check all that apply)

- It is essential for synchronization.(Certification only)
- No equally suitable alternative exists.(Certification only)
- It will be used for research or experimental purposes on short sections of road. (Such use must be processed through the Research Branch of DTD. Attach documentation from DTD.) (FIPI only)
- It is in the public interest not to allow any other products even though other equally acceptable materials or products are available. (FIPI only)

JUSTIFICATION (required). Justification consists of information that documents the reasons marked above for use of the proprietary item or process. For research or experimentation include a work plan that describes how the research or experimental feature will be used and evaluated. Attach additional pages and documentation as necessary.

Commerce City uses AlphaCellGXL 195 as a standard device capable of providing for battery back-up necessities.

Providing uniformity improves record-keeping, proficiency in the equipment used, familiarity with equipment

availability & compatibility, accurate purchases, and general expediency of work. As Commerce City

contracts its traffic signal maintenance work, being able to provide such efficiencies is pertinent.
