Notice of Final Settlement

Project #: SHE 2873-193

Project ID #: 22456

In accordance with the notice provisions contained in 38-26-107 C.R.S. 1973, as amended, the Department of Transportation, State of Colorado has established April 11, 2024, as the date of final settlement with Villalobos Concrete, Inc. in Boulder County. This project is located in Region 4. Project work consisted of widening SH52 on the north and south sides to accommodate an additional left turn lane and create a 6-foot bicycle lane for both eastbound and westbound traffic. US287 was widened on the east to accommodate an additional left turn lane for both northbound and southbound traffic. Radii at all four corners were increased to improve traffic movements. Traffic signal poles, pedestrian poles, and ADA ramps were replaced to maintain a pedestrian friendly signalized intersection. Drainage improvements were made throughout the intersection including replacing and relocation of an existing irrigation concrete box culvert that crosses US287, just south of the intersection, and the relocation of concrete lined ditch irrigation facilities that run parallel to US287 on the east.

Claims containing a verified statement of the amounts due and unpaid must be in the form of a written affidavit and must be received by the Controller, Department of Transportation at 2829 W. Howard Pl., Denver, CO 80204 on or before 5:00 p.m. of the final settlement date above.

Keith Stefanik, P.E., Chief Engineer, Department of Transportation.
