

**Colorado Department of Transportation
Office of Transportation Safety
Highway Safety Office (HSO)
LAW ENFORCEMENT PROJECT
Request for Application (RFA)
Guide and Instructions**

The Law Enforcement Project Application funds law enforcement agencies to conduct combined enforcement and education efforts regarding speed, distracted driving and seat belt/child passenger safety compliance. Law enforcement agencies are encouraged to submit one combined application, that encompasses any or all of these efforts, , under the Police Traffic Services emphasis area in the E Grants System.

The Law Enforcement Project Application also funds law enforcement agencies to conduct **impaired driving enforcement and pedestrian and bicycle safety/enforcement. However, separate applications for each of these must be submitted, separately, under the respective emphasis area in the E Grants System**

PROJECT NARRATIVE INSTRUCTIONS

Below are instructions for what each section of the Project Narrative and Budget should include. Applicants may complete the application using the template below and then transfer to the E Grants System or insert responses directly into the E Grants System.

Emphasis Areas

In the E Grants System, you will select the emphasis areas that describe the focus of your project(s):

- **Police Traffic Services – NEW!**
 - Apply under this emphasis area for applications that encompasses one or more areas of enforcement/education efforts including speed, distracted driving and seat belt/child passenger safety compliance.
 - Law enforcement agencies are encouraged to submit **one** combined application that encompasses any or all of these efforts.

- **Impaired Driving**
 - Apply separately under this emphasis area for impaired driving enforcement.

- **Pedestrian and Bicycle Safety/Enforcement**

- Apply separately under this emphasis area for pedestrian and bicycle safety/enforcement.

****Please note applications for impaired driving enforcement and pedestrian and bicycle safety/enforcement must be submitted, separately, under the respective Emphasis Area. They cannot be combined under Police Traffic Services. ****

Problem Identification

Describe the specific problem(s) and population within your chosen emphasis area to be addressed by your three-year project by using current and relevant data. The identified problem(s) must be related to one of the following CDOT performance measures. You must identify and include at least one of the measures below in this section of the application.

- **C-1. Reduce the number of traffic fatalities**
- **C-2. Reduce the number of serious injuries in traffic crashes**
- **C-3. Reduce the fatalities per Vehicle Miles Traveled (VMT)**
- **C-4. Reduce the number of unrestrained passenger vehicle occupant fatalities, all seat positions**
- **C-5. Reduce the number of fatalities in crashes involving a driver or motorcycle operator with a BAC of .08 and above**
- **C-6. Reduce the number of speeding-related fatalities**
- **C-9. Reduce the number of drivers age 20 or younger involved in fatal crashes**
- **C-10. Reduce the number of pedestrian fatalities**
- **C-11. Reduce the number of bicyclist fatalities**
- **C-12. Reduce the number of distraction-affected fatal crashes**
- **C-14. Reduce the number of fatalities in crashes involving a driver or motorcycle operator testing positive for +> 5ng of Delta 9 THC**

The data used to identify and support the problem can come from [CDOT's 2021 Problem Identification Dashboard](#) and/or local data that you have access to, including data you collected from previous projects.

Use data specific to the local area and the target population the project intends to serve.

Describe the target population and explain how they are impacted by this traffic safety challenge. This includes discussing the magnitude and 3 year trend of the traffic safety challenge, showcasing the need for the project in this geographic area and specific population.

Problem Identification Section Evaluation Criteria (25 points)

Did the applicant:

- Clearly specify one or more problem within **one** emphasis area that the proposed project will address? (0-2 points)
- Identify the performance measure(s) the project will address? (0-2 points)
- Describe the demographic environment that your agency serves including roadway miles and population size? (0-5 points)
- Identify a specific target population and geographic area? (0-3 points)
- Use the past 3 years of local law enforcement and/or Problem ID data to describe the magnitude of the traffic safety challenge to be addressed in the target population (DUI arrests, fatalities, serious injuries, citations, contacts)? (0-5 points)
- Include references for each data source? (This may be the Problem Identification, local law enforcement, etc.) (0-3 points)
- Adequately establish the need for the project in this geographic area and specific population? (0-5 points)

Project Rationale

Briefly describe the specific approach you will use to address the traffic safety challenge identified in the Problem Identification section. The project proposed must be an evidence-based countermeasure. Describe past efforts to address the problem, including successes and challenges, and how this project will build on those. If no past efforts have been made, describe the readiness of the agency and the community for traffic safety behavior change

The [NHTSA's Countermeasures That Work](#) document rates the effectiveness of different strategies in the following ways:

Demonstrated to be effective by several high-quality evaluations with consistent results;

Demonstrated to be effective in certain situations;

Likely to be effective based on balance of evidence from high-quality evaluations or other sources;

Effectiveness still undetermined; different methods of implementing this countermeasure produce different results; and

Limited or no high-quality evaluation evidence

Priority will be given to proposals that use strategies rated with three, four, or five stars. Projects that use “one star” are not acceptable.

Project Rationale Section Evaluation Criteria (15 points)

Did the applicant:

- Choose a countermeasure that is listed in the NHTSA Countermeasures that Work? (0-10 points) *5-star strategies receive 10 points, 4-star strategies receive 8 points, 3-star activities receive 6 points, 2-star strategies receive 4 points, and 1-star strategies receive 2 point, if the strategy is not listed 0-points.*
- Describe past efforts, including successes and challenges, to address the problem? (0-5 points)

Goal(s), Strategies, Activities, and Performance Measurement

In this section you will provide the outline and evaluation structure for your project.

Identify the **three-year goal** or goals for your project. For each goal outline at least one **annual strategy** that describes how you will make progress toward your three-year goal in the first 12-month budget period. Under each strategy, list **Year 1 activities** that you will perform in order to help you meet that strategy.

REQUIREMENT: Additionally, include a paragraph that provides a high-level overview of your planned strategies and activities for Years 2 and 3.

Below is a brief description of Goals, Strategies, and Activities.

Goals - A broad statement about what the program expects to achieve. The goal is the description of the final anticipated outcome or result (e.g. reductions in deaths or injuries due to motor vehicle crashes for a particular population). For this project, you are writing three year goals. Goals need to be related to one or more of the performance measures.

Goals need to be written S.M.A.R.T.

- Specific: Who** is the target population? **Who** is doing the activity? **What** action or activity?
- Measurable - How much change** is expected?
- Achievable** – Can it realistically be accomplished in the time provided?
- Realistic** – Is it reasonable with the staff and funding available?
- Time-phased** – **When** will objective be met?

Example: Reduce the number of impaired driving related fatalities from 12 to 10 in Grand Junction by September 30, 2024.

Strategies - Strategies tell how a goal will be met. Strategies need to be closely related to the program or project you are using in order to meet your goal. For example, if your three year goal is to reduce impaired motor vehicle fatalities among adults in a certain community, your strategy may be to enforce impaired driving laws. For this application, you will write **one year** strategies that will help you achieve your three year goal.

Example: Increase the number of impaired driving arrests in Grand Junction from 50 to 75 by September 30, 2022.

Activities – Activities are your plan of operation. The activities describe in detail what you will do to achieve your strategy. Activities statements should include specific measures (contacts, citations, arrests) appropriate for measuring progress toward completing the activity. For this application you will write activities that you plan to accomplish between October 1, 2018 and September 30, 2019.

Example: Between October 1, 2021 and September 30, 2022 the Grand Junction Police Department will conduct 4 impaired driving checkpoints.

Reporting Frequency

Reporting Frequency: The Office of Transportation Safety requires three types of reports in conjunction with highway safety projects:

1. Quarterly reports during the life of a project;
2. A final report at the conclusion of a project. This is to include training and consultant reports, if applicable;
3. Annual Report Template (to be provided by CDOT)

These reports keep OTS informed of a project's progress, explain any difficulties encountered, provide a background of information that can be passed on to others, suggest ways in which CDOT can assist with the project and aid in distribution of funds.

Quarterly Reports: These are to be submitted quarterly and are due within twenty (20) calendar days after the end of the reporting calendar quarter as follows:

First Quarter:	1 October – 31 December	Report due January 20
Second Quarter:	1 January – 31 March	Report due April 20
Third Quarter:	1 April – 30 June	Report due July 20

If there is no activity during the reporting period, submit a report indicating so. Any original or innovative ideas or methods employed in your project should be incorporated into your reports.

Fourth and Final Report: The fourth quarter and final report can be combined. These are to be submitted within 45 days of Grant Agreement completion, which is no later than November 15. Final reports are to be detailed and must describe whether the project objectives were accomplished, if technical and fiscal problems were encountered, and what improvements in traffic safety have resulted or probably will result. Included in final reports will be copies of publications, training reports and any statistical data generated in project execution. These final reports should discuss the following:

1. Accomplishments compared to the original project objectives;
2. Were all activities of the project completed as scheduled? Include dates and milestones when studies were completed; equipment acquired, installed and operated;
3. Any unanticipated proceedings that affected the project;
4. Funding and costs for completion of the project in relationship to original estimates; and
5. Third party performance if applicable. A copy of any consultant reports should be included with the final report.

Annual Report Template: An Annual Report template will be provided to the grantee in late October. The contractor is responsible for providing the requested information and submitting back to OTS. The templates are then used to form the basis of the Office of Transportation Safety's Annual Report.

Reimbursement Requirements

CDOT funds grants on a “cost reimbursement” basis only. CDOT will not make payments in advance or in anticipation of goods or services.

Claims for reimbursement will be submitted to the OTS on a monthly basis, even if there are no costs incurred (note zero expenditure). Claims are due no later than 30 days after the end of each month.

Final claims for reimbursement must be received by OTS no later than November 15 (for costs incurred through the final Grant Agreement month of September).

Claims for reimbursement received after the above cutoff dates will not be reimbursed.

Unallowable Project Costs: All projects must follow appropriate state and federal funding regulations. Examples of unallowable project costs include, but are not limited to, the following:

- Office furniture and fixtures;
- Routine roadway construction or maintenance; and
- Funds that supplant existing budgets*

* Federal regulations prohibit supplanting of funds. Examples of supplanting include: replacing routine and/or existing State or local expenditures with the use of Federal grant funds and/or using Federal grant funds for cost of activities that constitute general expenses required to carry out the overall responsibilities of state, local or Federally recognized Indian tribal government.

This Agreement is entered into by and between Subrecipient named on the Cover Page for this Agreement (the “Subrecipient”), and the STATE OF COLORADO acting by and through the State agency named on the Cover Page for this Agreement (the “State”). Subrecipient and the State agree to the terms and conditions in this Agreement.

2. TERM AND EFFECTIVE DATE

A. Effective Date

This Agreement shall not be valid or enforceable until the Effective Date, and the Grant Funds shall be expended by the Fund Expenditure End Date shown on the Cover Page for this Agreement. The State shall not be bound by any provision of this Agreement before the Effective Date, and shall have no obligation to pay Subrecipient for any Work performed or expense incurred before the Effective Date, except as described in §0, or after the Fund Expenditure End Date.

B. Initial Term

The Parties’ respective performances under this Agreement shall commence on the Agreement Performance Beginning Date shown on the Cover Page for this Agreement and shall terminate on the Initial Agreement Expiration Date shown on the Cover Page for this Agreement (the “Initial Term”) unless sooner terminated or further extended in accordance with the terms of this Agreement.

C. Extension Terms - State’s Option

The State, at its discretion, shall have the option to extend the performance under this Agreement beyond the Initial Term for a period, or for successive periods, of one year or less at the same rates and under the same terms specified in this Agreement (each such period an “Extension Term”). In order to exercise this option, the State shall provide written notice to Subrecipient in a form substantially equivalent to the Sample Option Letter attached to this Agreement.

D. End of Term Extension

If this Agreement approaches the end of its Initial Term, or any Extension Term then in place, the State, at its discretion, upon written notice to Subrecipient in a form substantially equivalent to the Sample Option Letter attached to this Agreement, may unilaterally extend such Initial Term or Extension Term for a period not to exceed two months (an “End of Term Extension”), regardless of whether additional Extension Terms are available or not. The provisions of this Agreement in effect when such notice is given shall remain in effect during the End of Term Extension. The End of Term Extension shall automatically terminate upon execution of a replacement Agreement or modification extending the total term of this Agreement.

E. Early Termination in the Public Interest

The State is entering into this Agreement to serve the public interest of the State of Colorado as determined by its Governor, General Assembly, or Courts. If this Agreement ceases to further the public interest of the State, the State, in its discretion, may terminate this Agreement in whole or in part. A determination that this Agreement should be terminated in the public interest shall not be equivalent to a State right to terminate for convenience. This subsection shall not apply to a termination of this Agreement by the State for Breach of Agreement by Subrecipient, which shall be governed by §0.

i. Method and Content

The State shall notify Subrecipient of such termination in accordance with §Error! Reference source not found.. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Agreement, and shall include, to the extent practicable, the public interest justification for the termination.

ii. Obligations and Rights

Upon receipt of a termination notice for termination in the public interest, Subrecipient shall be subject to the rights and obligations set forth in §0.

iii. Payments

If the State terminates this Agreement in the public interest, the State shall pay Subrecipient an amount equal to the percentage of the total reimbursement payable under this Agreement that corresponds to the percentage of Work satisfactorily completed and accepted, as determined by the State, less payments previously made. Additionally, if this Agreement is less than 60% completed, as determined by the State, the State may reimburse Subrecipient for a portion of actual out-of-pocket expenses, not otherwise reimbursed under this Agreement, incurred by Subrecipient which are directly attributable to the uncompleted portion of Subrecipient's obligations, provided that the sum of any and all reimbursement shall not exceed the Subaward Maximum Amount payable to Subrecipient hereunder.

F. Subrecipient's Termination Under Federal Requirements

Subrecipient may request termination of this Agreement by sending notice to the State, or to the Federal Awarding Agency with a copy to the State, which includes the reasons for the termination and the effective date of the termination. If this Agreement is terminated in this manner, then Subrecipient shall return any advanced payments made for work that will not be performed prior to the effective date of the termination.

4. STATEMENT OF WORK AND BUDGET

Subrecipient shall complete the Work as described in this Agreement and in accordance with the provisions of Exhibit A. The State shall have no liability to compensate Subrecipient for the delivery of any goods or the performance of any services that are not specifically set forth in this Agreement.

5. PAYMENTS TO SUBRECIPIENT

A. Subaward Maximum Amount.

Payments to Subrecipient are limited to the unpaid, obligated balance of the Grant Funds. The State shall not pay Subrecipient any amount under this Agreement that exceeds the Subaward Maximum Amount shown on the Cover Page of this Agreement as “Federal Funds Maximum Amount”.

B. Payment Procedures

i. Invoices and Payment

- a. The State shall pay Subrecipient in the amounts and in accordance with the schedule and other conditions set forth in Exhibit A.
- b. Subrecipient shall initiate payment requests by invoice to the State, in a form and manner approved by the State.
- c. Any advance payment allowed under this Agreement, shall comply with State Fiscal Rules and be made in accordance with the provisions of this Agreement and its Exhibits. Eligibility and submission for advance payment is subject to State approval and must include approved documentation in the form and manner set forth and approved by the State.
- d. The State shall pay each invoice within 45 days following the State’s receipt of that invoice, so long as the amount invoiced correctly represents Work completed by Subrecipient and previously accepted by the State during the term that the invoice covers. If the State determines that the amount of any invoice is not correct, then Subrecipient shall make all changes necessary to correct that invoice.
- e. The acceptance of an invoice shall not constitute acceptance of any Work performed or Deliverables provided under this Agreement.

ii. Interest

Amounts not paid by the State within 45 days of the State's acceptance of the invoice shall bear interest on the unpaid balance beginning on the 45th day at the rate of 1% per month, as required by §24-30-202(24)(a), C.R.S., until paid in full; provided, however, that interest shall not accrue on unpaid amounts that the State disputes in writing. Subrecipient shall invoice the State separately for accrued interest on delinquent amounts, and the invoice shall reference the delinquent payment, the number of days' interest to be paid and the interest rate.

iii. Payment Disputes

If Subrecipient disputes any calculation, determination or amount of any payment, Subrecipient shall notify the State in writing of its dispute within 30 days following the earlier to occur of Subrecipient's receipt of the payment or notification of the determination or calculation of the payment by the State. The State will review the information presented by Subrecipient and may make changes to its determination based on this review. The calculation, determination or payment amount that results from the State's review shall not be subject to additional dispute under this subsection. No payment subject to a dispute under this subsection shall be due until after the State has concluded its review, and the State shall not pay any interest on any amount during the period it is subject to dispute under this subsection.

iv. Available Funds-Contingency-Termination

The State is prohibited by law from making commitments beyond the term of the current State Fiscal Year. Payment to Subrecipient beyond the current State Fiscal Year is contingent on the appropriation and continuing availability of Grant Funds in any subsequent year (as provided in the Colorado Special Provisions). If federal funds or funds from any other non-State funds constitute all or some of the Grant Funds, the State's obligation to pay Subrecipient shall be contingent upon such non-State funding continuing to be made available for payment. Payments to be made pursuant to this Agreement shall be made only from Grant Funds, and the State's liability for such payments shall be limited to the amount remaining of such Grant Funds. If State, federal or other funds are not appropriated, or otherwise become unavailable to fund this Agreement, the State may, upon written notice, terminate this Agreement, in whole or in part, without incurring further liability. The State shall, however, remain obligated to pay for Services and Goods that are delivered and accepted prior to the effective date of notice of termination, and this termination shall otherwise be treated as if this Agreement were terminated in the public interest as described in §0.

v. Federal Recovery

The close-out of a Federal Award does not affect the right of the Federal Awarding Agency or the State to disallow costs and recover funds on the basis of a later audit or other review. Any cost disallowance recovery is to be made within the Record Retention Period, as defined below.

C. Matching Funds

Subrecipient shall provide Matching Funds as provided in Exhibit A. Subrecipient shall have raised the full amount of Matching Funds prior to the Effective Date and shall report to the State regarding the status of such funds upon request. Subrecipient's obligation to pay all or any part of any Matching Funds, whether direct or contingent, only extends to funds duly and lawfully appropriated for the purposes of this Agreement by the authorized representatives of Subrecipient and paid into Subrecipient's treasury or bank account. Subrecipient represents to the State that the amount designated "Subrecipient's Matching Funds" in Exhibit A has been legally appropriated for the purposes of this Agreement by its authorized representatives and paid into its treasury or bank account. Subrecipient does not by this Agreement irrevocably pledge present cash reserves for payments in future fiscal years, and this Agreement is not intended to create a multiple-fiscal year debt of Subrecipient. Subrecipient shall not pay or be liable for any claimed interest, late charges, fees, taxes or penalties of any nature, except as required by Subrecipient's laws or policies.

D. Reimbursement of Subrecipient Costs

i. The State shall reimburse Subrecipient for the federal share of properly documented allowable costs related to the Work after review and approval thereof, subject to the provisions of §5, this Agreement and Exhibit A. However, any costs incurred by Subrecipient prior to the Effective Date shall not be reimbursed absent specific allowance of pre-award costs and indication that the Federal Award funding is retroactive. The State shall pay Subrecipient for costs or expenses incurred or performance by the Subrecipient prior to the Effective Date, only if (1) the Grant Funds involve federal funding and (2) federal laws, rules, and regulations applicable to the Work provide for such retroactive payments to the

Subrecipient. Any such retroactive payments shall comply with State Fiscal Rules and be made in accordance with the provisions of this Agreement.

- ii. The State shall reimburse Subrecipient's allowable costs, not exceeding the Subaward Maximum Amount shown on the Cover Page of this Agreement and on Exhibit A for all allowable costs described in this Agreement and shown in Exhibit A. Except as provided in §5.E., Subrecipient may adjust the amounts between each line item of Exhibit A without formal modification to this Agreement as long as the Subrecipient provides notice to the State of the change, the change does not modify the Subaward Maximum Amount or the Subaward Maximum Amount for any federal fiscal year or State Fiscal Year, and the change does not modify any requirements of the Work.
- iii. The State shall only reimburse allowable costs described in this Agreement and shown in the Budget if those costs are:
 - a. Reasonable and necessary to accomplish the Work and for the Goods and Services provided; and
 - b. Equal to the actual net cost to Subrecipient (i.e. the price paid minus any items of value received by Subrecipient that reduce the cost actually incurred).
- iv. Subrecipient's costs for Work performed after the Fund Expenditure End Date shown on the Cover Page for this Agreement, or after any phase performance period end date for a respective phase of the Work, shall not be reimbursable. Subrecipient shall initiate any payment request by submitting invoices to the State in the form and manner set forth and approved by the State.

E. Use of Funds, Budget Adjustments

Grant Funds shall be used only for eligible costs identified herein and/or in the Budget. Subrecipient may adjust budgeted expenditure amounts up to 10% between activities of said Budget without approval of the State. Budget adjustments to activities exceeding 10% but less than 24.99% must be submitted in advance of actual cost and receive written State approval, which approval may be transmitted informally by email or such other means that does not rise to the level of an amendment to this Agreement. A budget revision of **Exhibit A** will be issued by the State with any such adjustment. Adjustments in excess of 24.99% for any activity shall be authorized by the State in an amendment to this Agreement which may also require an amendment to **Exhibit A**. Budget adjustments shall not increase the State's total consideration beyond the Subaward Maximum Amount without an amendment to this Agreement.

F. Close-Out

Subrecipient shall close out this Award within 45 days after the Fund Expenditure End Date shown on the Cover Page for this Agreement. To complete close-out, Subrecipient shall submit to the State all Deliverables (including documentation) as defined in this Agreement and Subrecipient's final reimbursement request or invoice. The State will withhold 5% of allowable costs until all final documentation has been submitted and accepted by the State as substantially complete. If the Federal Awarding Agency has not closed this Federal Award within one year and 90 days after the Fund Expenditure End Date shown on the Cover Page for this Agreement due to Subrecipient's failure to submit required documentation, then Subrecipient may be prohibited from applying for new Federal Awards through the State until such documentation is submitted and accepted.

6. REPORTING - NOTIFICATION

A. Quarterly Reports

In addition to any reports required pursuant to any other Exhibit, for any Agreement having a term longer than three months, Subrecipient shall submit, on a quarterly basis, a written report specifying progress made for each specified performance measure and standard in this Agreement. Such progress report shall be in accordance with the procedures developed and prescribed by the State. Progress reports shall be submitted to the State not later than five Business Days following the end of each calendar quarter or at such time as otherwise specified by the State.

B. Litigation Reporting

If Subrecipient is served with a pleading or other document in connection with an action before a court or other administrative decision making body, and such pleading or document relates to this Agreement or may affect Subrecipient's ability to perform its obligations under this Agreement, Subrecipient shall, within 10 days after being served, notify the State of such action and deliver copies of such pleading or document to the State's Principal Representative identified on the Cover Page for this Agreement.

C. Performance and Final Status

Subrecipient shall submit all financial, performance and other reports to the State no later than 45 calendar days after the end of the Initial Term if no Extension Terms are exercised, or the final Extension Term exercised by the State, containing an evaluation and review of Subrecipient's performance and the final status of Subrecipient's obligations hereunder.

D. Violations Reporting

Subrecipient shall disclose, in a timely manner, in writing to the State and the Federal Awarding Agency, all violations of federal or State criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal Award. The State or the Federal Awarding Agency may impose any penalties for noncompliance allowed under 2 CFR Part 180 and 31 U.S.C. 3321, which may include, without limitation, suspension or debarment.

7. SUBRECIPIENT RECORDS

A. Maintenance

Subrecipient shall make, keep, maintain, and allow inspection and monitoring by the State of a complete file of all records, documents, communications, notes and other written materials, electronic media files, and communications, pertaining in any manner to the Work and the delivery of Services (including, but not limited to, the operation of programs) or Goods hereunder (collectively, the "Subrecipient Records"). Subrecipient shall maintain such records for a period of three years following the date of submission to the State of the final expenditure report, or if this Award is renewed quarterly or annually, from the date of the submission of each quarterly or annual report, respectively (the "Record Retention Period"). If any litigation, claim, or audit related to this Award starts before expiration of the Record Retention Period, the Record Retention Period shall extend until all litigation, claims, or audit findings have been resolved and final action taken by the State or Federal Awarding Agency. The Federal Awarding Agency, a cognizant agency for audit, oversight or indirect costs, and the State, may notify Subrecipient in writing that the Record Retention Period shall be extended. For records for real property and equipment, the Record Retention Period shall extend three years following final disposition of such property.

B. Inspection

Subrecipient shall permit the State, the federal government, and any other duly authorized agent of a governmental agency to audit, inspect, examine, excerpt, copy and transcribe Subrecipient Records during the Record Retention Period. Subrecipient shall make Subrecipient Records available during normal business hours at Subrecipient's office or place of business, or at other mutually agreed upon times or locations, upon no fewer than two Business Days' notice from the State, unless the State determines that a shorter period of notice, or no notice, is necessary to protect the interests of the State.

C. Monitoring

The State, the federal government, and any other duly authorized agent of a governmental agency, in its discretion, may monitor Subrecipient's performance of its obligations under this Agreement using procedures as determined by the State or that governmental entity. Subrecipient shall allow the State to perform all monitoring required by the Uniform Guidance, based on the State's risk analysis of Subrecipient and this Agreement. The State shall have the right, in its sole discretion, to change its monitoring procedures and requirements at any time during the term of this Agreement. The State shall monitor Subrecipient's performance in a manner that does not unduly interfere with Subrecipient's performance of the Work.

D. Final Audit Report

Subrecipient shall promptly submit to the State a copy of any final audit report of an audit performed on Subrecipient's records that relates to or affects this Agreement or the Work, whether the audit is conducted by Subrecipient or a third party. Additionally, if Subrecipient is required to perform a single audit under 2 CFR 200.501, *et seq.*, then Subrecipient shall submit a copy of the results of that audit to the State within the same timelines as the submission to the federal government.

8. CONFIDENTIAL INFORMATION - STATE RECORDS

A. Confidentiality

Subrecipient shall keep confidential, and cause all Subcontractors to keep confidential, all State Records, unless those State Records are publicly available. Subrecipient shall not, without prior written approval of

the State, use, publish, copy, disclose to any third party, or permit the use by any third party of any State Records, except as otherwise stated in this Agreement, permitted by law or approved in writing by the State. Subrecipient shall provide for the security of all State Confidential Information in accordance with all applicable laws, rules, policies, publications, and guidelines. Subrecipient shall immediately forward any request or demand for State Records to the State's Principal Representative identified on the Cover Page of this Agreement.

B. Other Entity Access and Nondisclosure Agreements

Subrecipient may provide State Records to its agents, employees, assigns and Subcontractors as necessary to perform the Work, but shall restrict access to State Confidential Information to those agents, employees, assigns and Subcontractors who require access to perform their obligations under this Agreement. Subrecipient shall ensure all such agents, employees, assigns, and Subcontractors sign agreements containing nondisclosure provisions at least as protective as those in this Agreement, and that the nondisclosure provisions are in force at all times the agent, employee, assign or Subcontractor has access to any State Confidential Information. Subrecipient shall provide copies of those signed nondisclosure provisions to the State upon execution of the nondisclosure provisions if requested by the State.

C. Use, Security, and Retention

Subrecipient shall provide the State with access, subject to Subrecipient's reasonable security requirements, for purposes of inspecting and monitoring access and use of State Confidential Information and evaluating security control effectiveness. Upon the expiration or termination of this Agreement, Subrecipient shall return State Records provided to Subrecipient or destroy such State Records and certify to the State that it has done so, as directed by the State. If Subrecipient is prevented by law or regulation from returning or destroying State Confidential Information, Subrecipient warrants it will guarantee the confidentiality of, and cease to use, such State Confidential Information.

D. Incident Notice and Remediation

If Subrecipient becomes aware of any Incident, Subrecipient shall notify the State immediately and cooperate with the State regarding recovery, remediation, and the necessity to involve law enforcement, as determined by the State. Unless Subrecipient can establish that Subrecipient, and its agents, employees, and Subcontractors are not the cause or source of the Incident, Subrecipient shall be responsible for the cost of notifying each person who may have been impacted by the Incident. After an Incident, Subrecipient shall take steps to reduce the risk of incurring a similar type of Incident in the future as directed by the State, which may include, but is not limited to, developing and implementing a remediation plan that is approved by the State at no additional cost to the State. The State may adjust or direct modifications to this plan, in its sole discretion and Subrecipient shall make all modifications as directed by the State. If Subrecipient cannot produce its analysis and plan within the allotted time, the State, in its sole discretion, may perform such analysis and produce a remediation plan, and Subrecipient shall reimburse the State for the reasonable costs thereof. The State may, in its sole discretion and at Subrecipient's sole expense, require Subrecipient to engage the services of an independent, qualified, State-approved third party to conduct a security audit. Subrecipient shall provide the State with the results of such audit and evidence of Subrecipient's planned remediation in response to any negative findings.

E. Data Protection and Handling

Subrecipient shall ensure that all State Records and Work Product in the possession of Subrecipient or any Subcontractors are protected and handled in accordance with the requirements of this Agreement, including the requirements of any Exhibits hereto, at all times. 9. CONFLICTS OF INTEREST

A. Actual Conflicts of Interest

Subrecipient shall not engage in any business or activities or maintain any relationships that conflict in any way with the full performance of the obligations of Subrecipient under this Agreement. Such a conflict of interest would arise when a Subrecipient or Subcontractor's employee, officer or agent were to offer or provide any tangible personal benefit to an employee of the State, or any member of his or her immediate family or his or her partner, related to the award of, entry into or management or oversight of this Agreement.

B. Apparent Conflicts of Interest

Subrecipient acknowledges that, with respect to this Agreement, even the appearance of a conflict of interest shall be harmful to the State's interests. The Contractor may publish, at its own expense, the results of project activities without prior review by CDOT, provided that any publications (written, visual or sound) contain acknowledgment of the support provided by the National Highway Traffic Safety Administration (NHTSA) and CDOT. Any discovery or invention derived from work performed under this project shall be referred to CDOT, who will determine through NHTSA whether patent protections will be sought, how any rights will be administered, and other action required to protect the public interest.

The undersigned certifies, to the best of his or her knowledge and belief, that: No federal highway grant funds under 23 U.S.C. Chapter 4 will be used to purchase products, unless they are produced in the United States. This prohibition applies to steel, iron, and all manufactured products, unless the Secretary of Transportation has determined that it is appropriate to waive the Buy America Act requirement. There is a threshold of single purchase costing less than \$5,000 that is exempt from the need for a waiver.

The Secretary of Transportation may waive the Buy America Act requirement if: 1) the requirements would be inconsistent with the Public Interest 2) the products are not produced in the United States in sufficient and reasonably available quantities and of satisfactory quality and 3) use of the products produced in the United States would increase the overall cost of the project by more than 25 percent.
