Please Note the following Mandatory/Permissive indicators are for State Agencies ONLY:

1. All Price Agreement Categories that are coded in blue are Mandatory. For example, if you want to order a Copier, then you must use one of the 5 awarded Copier vendors.
2. If an Awarded Vendor is coded in blue, you must use that vendor to order category specific goods/services from. For example: If you want to order HP networking software, then you must use the Hewlett Packard Data Comm Products & Services Price Agreement. You cannot order HP networking software from another vendor. As another example, if you want to purchase pharmaceutical drugs, then you must use the Cardinal Health 110, Inc. Price Agreement.
3. Although a Price Agreement number may contain an "M" or a "P", the correct Mandatory/Permissive delegation is denoted by the blue coding.
4. The Mandatory/Permissive indicator does not waive any statutory approval requirements (i.e., OIT, IDS, CCI, etc.)
