### II. Subject

The purpose of these rules is to define eligibility requirements, prescribe the application and selection processes, and to detail certain financial terms for securing funding from the Colorado State Infrastructure Bank for public transportation projects. The proposed changes are the result of a mandatory rule review process. The proposed changes allow the Colorado Aeronautical Board (CAB) to approve aviation projects funded through the State Infrastructure Bank without requiring further approval from the Transportation Commission. This reduces bureaucracy and increases efficiency.

A detailed Statement of Basis, Purpose, and Specific Statutory Authority follows this notice and is incorporated by reference.

### III. Statutory Authority

The specific authority under which the Transportation Commission shall amend these rules is set forth in § 43-1-113.5(3), C.R.S.
