Description of the product: (Include specific quantifiable details from tech data sheet. Advertising generalities are not appropriate.)

JBC Safety Plastic's 36" 12 lb, orange traffic cone with black base. Comes with or without reflective strips. (1 ea 4" & 1 ea 6" reflective strips). Meets MUTCD and NCHRP-350 requirements.

Restrictions, (installation and/or use):

N/A

Use of the product, and Benefit to CDOT (be specific to CDOT highway activities only):

60% of product weight in is the black base and molded from 100% recycled materials, offering a lower center of gravity to keep cone upright in windy conditions. Injection molding allows for better stack-ability and without cones sticking together. In molded handle at top of cone makes handling easier.
