Description of the product: (Include specific quantifiable details from tech data sheet. Advertising generalities are not appropriate.)

Super Slider is an economical, water-based slip coating formulated for use on asphalt hauling trucks and other asphalt handling equipment. It's ready to use formula provides an anti-stick coating to walls, floors and tailgates of truck beds to prevent adhesion of asphalt. Expecially effective on high tack mixes.

Restrictions, (installation and/or use):

Not for use in sub-freezing weather

Use of the product, (be specific to CDOT highway activities only):

Anti-Slip coating for asphalt hauling trucks and other asphalt handling equipment.

Benefits to CDOT, (how will your product enhance quality, improve safety, save money, be a better value then other manufacturer's products):

Super Slider is especially effective on high tack mixes.
