

**The *Pre-Approved Product Evaluation Request & Summary*, which is also referred to as CDOT Form #595, for this particular product is not currently available in its pdf format.**

**All products listed on this APL, Approved Products List, will have their Form #595 available for supplemental information to the customer. Contact the Materials and Geotechnical Services Branch/Pavement Design Program/CDOT Product Evaluation Coordinator (PEC) to request the CDOT Form 595. Once the request is approved a copy of the approved CDOT Form 595 will be distributed to the requesting party or individual for the project File.**

**The current PEC contact information is  
Edward Trujillo Product Evaluation Coordinator  
[edward.trujillo@state.co.us](mailto:edward.trujillo@state.co.us)  
303-304-3468**

**Melody Perkins P.E. Program Manager
