

7.0 CHAPTER 7 LIST OF PREPARERS

The primary consultant for the New Pueblo Freeway project is CH2M HILL. CH2M HILL used several subconsultants to provide technical expertise on various portions of the Final Environmental Impact Statement (FEIS). These subconsultants and their project specialties included:

- ❖ Emmett Evanoff, PhD, Centennial Archaeology – paleontology
- ❖ Roy Fronczyk, Community Planning Services, LLC – land use, socioeconomic, and community assessment
- ❖ Andy Cole, ERO Resources, Inc. – noxious weeds assessment
- ❖ Mike Hankard and Jeff Cerjan, Hankard Environmental, Inc. – noise assessment
- ❖ Glenn Ballantyne, Kreativo, Inc. – public relations

- ❖ Ken Conyers, Matrix Design Group – agency coordination
- ❖ Kevin Shanks, THK Associates, Inc. – visual resources; parks, trails, and recreation assessment; aesthetic guidelines; and mitigation for historical resources
- ❖ Steve Mehls and Tom Lennon, Western Cultural Resource Management, Inc. – historical and archeological assessment
- ❖ Richard Carrillo, subconsultant to Western Cultural Resource Management – archeological assessment

Exhibit 7-1 lists the representatives of the agencies and firms responsible for preparation of this FEIS (known as the CDOT Project Team), along with their project responsibility, education, and experience.

EXHIBIT 7-1

I-25 New Pueblo Freeway Final Environmental Impact Statement List of Preparers

Name, Title and Project Responsibility	Education	Experience
FEDERAL HIGHWAY ADMINISTRATION		
Chris Horn Senior Operations Engineer and ROW Program Manager FHWA	BS, Civil Engineering	23 years of experience in engineering
Stephanie Gibson Environmental Program Manager FHWA	BS, Civil Engineering	20 years of experience in transportation and NEPA project development
COLORADO DEPARTMENT OF TRANSPORTATION		
Joseph P. DeHeart, PE Resident Engineer, Project Manager CDOT (Region 2)	BS, Civil Engineering	16 years experience in residential, utility, and heavy highway project development and construction
Richard A. Zamora, PE Resident Engineer / Region Materials Engineer CDOT (Region 2)	BS, Civil Engineering	20 years experience in heavy highway project development, construction and materials engineering
David Miller, PE Project Manager CDOT (Region 2)	BS, Civil Engineering	32 years of experience in transportation planning
Lisa Streisfeld Planning and Environmental Manager CDOT (Region 2)	MPA, Public Affairs MS, Environmental Science BA, Biology	19 years of experience in project management, transportation/transit planning and environmental analysis
Rob Frei NEPA and Natural Resource Manager CDOT (Region 2)	MS, Rangeland Ecosystem Science BS, Biology	14 years of project management experience in NEPA and natural resources

EXHIBIT 7-1**I-25 New Pueblo Freeway Final Environmental Impact Statement List of Preparers**

Name, Title and Project Responsibility	Education	Experience
Richard Annand Environmental Manager CDOT (Region 2)	MA, Anthropology/Archaeology BS, Industrial Management	32 years of experience in project management, transportation planning, and environmental analysis
Judy DeHaven Environmental Planner CDOT (Region 2)	BS, Civil Engineering	28 years of experience in environmental analysis and transportation planning
Dan Jepson Senior Staff Archaeologist Native American Consultations CDOT (Environmental Programs Branch)	MA, Anthropology BA, Anthropology	29 years of experience in cultural resource management and Section 106 compliance
Lisa Schoch Senior Staff Historian CDOT (Environmental Programs Branch)	MA, History BA, History and English	11 years cultural resource management and Section 106 compliance
Steve Wallace Staff Paleontologist CDOT (Environmental Programs Branch)	MS, Geology BS, Geology	37 years of experience in paleontology
CH2M HILL – PRIME CONSULTANT		
Bill Knapp, PE Principal-in-Charge CH2M HILL	BS, Civil Engineering	25 years of experience in environmental and transportation planning, engineering, and project management
Mary Jo Vobejda, PE Project Manager and Public Involvement Task Manager CH2M HILL	BS, Civil and Environmental Engineering	27 years of experience in transportation planning, traffic engineering, and public involvement
Scott Asher, PE Project Manager, Design Manager CH2M HILL	BS, Civil Engineering	17 years of experience in transportation design engineering
Laura Dreher EIS Manager CH2M HILL	BS, Civil Engineering	11 years of experience in transportation planning and traffic engineering
Andrea Garcia EIS Manager CH2M HILL	MA, Urban and Regional Planning BS, Forestry and Natural Resources	30 years of experience in transportation and environmental planning and project management
Dirk Draper Environmental Planning CH2M HILL	MS, Agriculture and Resource Economics BS, Agricultural Economics	19 years of experience in NEPA documentation and environmental planning
Mandy Whorton Environmental Planning CH2M HILL	MEM, Natural Resource Management BA, Political Science	18 years of experience in NEPA documentation and environmental planning
Brett Weiland Environmental Planning CH2M HILL	BS, Environmental Science	13 years of experience in preparation of NEPA documentation, wetland delineation and mitigation, and noise impact analysis

EXHIBIT 7-1**I-25 New Pueblo Freeway Final Environmental Impact Statement List of Preparers**

Name, Title and Project Responsibility	Education	Experience
Colleen Kirby Roberts, AICP Environmental Planning CH2M HILL	BA, Art History	11 years of experience in NEPA documentation and environmental planning
Shonna Sam Environmental Planning CH2M HILL	BA, Environmental Studies BA, Geography	11 years of experience in environmental planning and NEPA documentation
Caitlin McCusker Environmental Planning CH2M HILL	MURP, Urban and Regional Planning BA, Political Science	5 years of experience in NEPA documentation and environmental planning
Brian Ward Geographic Information Systems CH2M HILL	MS, Geography BS, Geography	14 years of experience in GIS
Dan Hofer Geographic Information Systems CH2M HILL	MA, Geography BA, Geography	13 years of experience in GIS and global positioning systems
Frank Orr Geographic Information Systems CH2M HILL	MS, Geographic Information Systems BS, Mathematics	13 years of experience in GIS
Pat Nelson, PE Water Quality CH2M HILL	BS, Civil Engineering	26 years of experience in water quality and water resources assessment
Kay Dry, PE Hazardous Waste Sites CH2M HILL	BS, Civil Engineering	17 years of experience in environmental site assessments
Monica Dinges, PE Water Quality CH2M HILL	MS, Environmental Engineering BS, Chemical Engineering	13 years of experience in NEPA-related water quality assessments
Joe Hammond, PE Air Quality CH2M HILL	BS, Engineering	29 years of experience in environmental engineering
Jeff Frantz Senior EIS QC CH2M HILL	MS, Geography (Environmental Planning) BA, English and History	22 years of experience with environmental studies and document preparation
Zeke Lynch Utilities CH2M HILL	BS, Civil Engineering	12 years of experience in traffic engineering
Doug Abere Section 4(f) Evaluation CH2M HILL	MS, Urban Planning BS, Geology	19 years of experience in technical and environmental studies
Laura Gergely Hazardous Waste Sites CH2M HILL	MS, Water Resources Engineering BSE, Civil and Environmental Engineering BS, Environmental Geology	13 years of experience in environmental evaluations

EXHIBIT 7-1**I-25 New Pueblo Freeway Final Environmental Impact Statement List of Preparers**

Name, Title and Project Responsibility	Education	Experience
Kelly Fredell, PE Design Manager CH2M HILL	BS, Civil Engineering	12 years of experience in transportation design engineering
Danielle Yearsley, PE Co-Design Manager CH2M HILL	BS, Civil Engineering	15 years of experience in transportation design engineering
Timothy Eversoll, PE Senior Transportation Engineer CH2M HILL	MBA, Management BS, Civil Engineering	27 years of experience in the transportation design engineering
Aaron Swafford, PE Transportation Engineer CH2M HILL	BS, Civil Engineering BS, Physics and Mathematics	15 years of experience in transportation design engineering
John Rohner, PE Bridge Engineer CH2M HILL	MS, Civil Engineering BS, Civil Engineering	13 years of experience in bridge and highway design engineering
Loren Bloomberg, PE Traffic Engineer CH2M HILL	ME, Civil Engineering MS, Civil Engineering BS, Systems Engineering	21 years of experience traffic engineering and transportation planning
Chris Angleman Senior Transportation Planner CH2M HILL	BS, Civil Engineering	31 years of experience traffic engineering and transportation planning
Catherine Barrier Cultural Resources Specialist CH2M HILL	Juris Doctorate MPS, Preservation Studies	18 years experience in architectural history and historic preservation regulatory compliance
Megan Venno Cultural Resources Specialist CH2M HILL	MS, Historic Preservation	9 years of experience in architectural history and historic preservation
Elizabeth Calvit Cultural Resources Specialist CH2M HILL	MA, American Studies/ Historic Preservation	22 years of experience in architectural history and historic preservation regulatory compliance
Sara Orton Cultural Resources Specialist CH2M HILL	MPS, Historic Preservation	16 years of experience in architectural history and historic preservation regulatory compliance
EMMETT EVANOFF, PH.D. – SUBCONSULTANT		
Emmett Evanoff, PhD Assistant Professor of Geology University of Northern Colorado	PhD, Geology MS, Geology BS, Geology	34 years of experience in geology and invertebrate paleontology
COMMUNITY PLANNING SERVICES, LLC – SUBCONSULTANT		
Roy Fronczyk Land Use, Socioeconomic, Community Assessment	MA, Urban Planning	37 years of experience in land use planning

EXHIBIT 7-1**I-25 New Pueblo Freeway Final Environmental Impact Statement List of Preparers**

Name, Title and Project Responsibility	Education	Experience
ERO RESOURCES, INC. – SUBCONSULTANT		
Andrew M. Cole Noxious Weeds	MS, Forest Science	19 years of experience in natural resource assessments
HANKARD ENVIRONMENTAL, INC. – SUBCONSULTANT		
Mike Hankard Noise Analysis	BS, Electrical Engineering	22 years of experience in environmental noise analysis
Jeff Cerjan Noise Analysis	BS, Aerospace Engineering	17 years of experience in structural dynamics and acoustics
KREATIVO, INC. – SUBCONSULTANT		
Glenn Ballantyne Public Relations	BS, Communication/Sociology	33 years of experience in public relations
MATRIX DESIGN GROUP – SUBCONSULTANT		
Ken Conyers, PE Agency Coordination	BS, Civil Engineering	45 years of experience in transportation engineering
THK ASSOCIATES, INC. – SUBCONSULTANT		
Kevin Shanks, ASLA Visual Resources, Parks and Recreation Assessment	BS, Landscape Architecture	31 years of experience in landscape architecture
WESTERN CULTURAL RESOURCE MANAGEMENT, INC. – SUBCONSULTANT		
Thomas J. Lennon, PhD Cultural Resources	PhD, MA, Anthropology/Archaeology BA, History	33 years of cultural resource studies and planning
Steven F. Mehls, PhD Cultural Resources	PhD, History MA, History BA, History	35 years of cultural resource studies and public history
Richard Carillo Archaeology	MA, Anthropology	27 years of experience with archaeological studies

AICP = American Institute of Certified Planners
 BS = Bachelor of Science
 CDOT = Colorado Department of Transportation
 FHWA = Federal Highway Administration
 MBA = Master of Business Administration
 MPA = Master of Public Affairs
 MS = Master of Science
 NEPA = National Environmental Policy Act
 PE = Professional Engineer

BA = Bachelor of Arts
 BSE = Bachelor of Science in Engineering
 EIS = Environmental Impact Statement
 MA = Master of Arts
 MEM = Master of Engineering Management
 MPS = Master of Professional Studies
 MURP = Master of Urban and Regional Planning
 QC = quality control
 PhD = Doctorate
