4201 E. Arkansas Avenue, Room 330
Denver, Colorado 80222
(303) 757-9309 FAX (303) 757-9197

DATE: November 17, 1999

TO: All CDOT & Consultant Design & Construction Personnel

FROM: P. K. Padhiar, Bridge Engineer

SUBJECT: Technical Memorandum #28 - Revision of Bridge Specific Project Special Provisions

All Bridge Specific Project Special Provisions have been verified for conformance with the *1999 Colorado DOT Standard Specifications for Road and Bridge Construction*. (a.k.a. "Purple Book").

The Bridge Specific Project Special Provisions are available on the CDOT Web Site located at:

Internal Web - <http://internal.dot.state.co.us/StaffBridge/pspecial.htm>

External Web - <http://www.dot.state.co.us/business/design/bridge/pspecial.htm>

The changes made were:

The specification references were updated to conform with the Standard Specifications, if different.

The Project Special Provision was deleted, if the original was incorporated in Standard Specifications.

The Project Special Provisions were converted to Microsoft Word 97 SR-2.

The changes are documented on the cover sheet for each Project Special Provision.
