Dear

A determination has been made as to the moving cost and supplement you may be eligible for.

Your entitlement for moving is in the amount of \$_____ based upon a fixed schedule or you may wish to claim an actual costs payment or a self move.

You may be entitled to a down payment supplement, the amount having been determined as that required as a typical down payment in the dwelling you purchase.

The dwelling must be inspected and be determined to be decent, safe and sanitary. If it is and you make a down payment of \$_____ or more you will receive \$_____ after you have occupied it.

In addition to the above, **you may** be entitled to some of the costs incurred by you in purchasing a replacement dwelling.

If for any reason you believe the amount of entitlement is not correct, please call or write us giving your reasons. We will take these reasons into consideration and advise you of our decision. If you are still dissatisfied, you may appeal to the Chief Engineer for review of your case.

Very truly yours,
Region Engineer
