

**PUBLIC MEETING #1
COMMENT FORM
November 2016**

WestConnect Coalition PEL

**Do you agree with the Draft Purpose and Need for projects along the corridor?
What do you think the purpose of any transportation improvements
recommended by this study should be?**

**Please share your thoughts regarding existing transportation conditions and/or
issues along C-470 between Kipling and I-70, and along the US 6/SH 93 corridor
between Golden and Boulder.**

**What ideas do you have to improve safety for all users, reduce recurring
congestion, and improve existing and future operational performance along the
corridor roadways?**

WestConnect Coalition PEL

Please provide general suggestions and comments regarding this transportation study.

Multiple horizontal lines for providing general suggestions and comments.

How did you hear about this meeting?
