Attachment 1

Sterling Viaduct, Logan County, US Highway 6,
Concrete Prestressed Girder Continuous

Sandy Creek Bridge, Phillips County, State Highway 59,
Treated Timber Stringer with metal plank deck

Byers Canyon Bridge, Grand County, US Highway 40
Steel Box Girder Continuous

North St Vrain Creek Bridge, Boulder County, State Highway 7,
Concrete Rigid Frame

Boulder Creek Bridge, Boulder County, State Highway 119,
Concrete Slab and Girder Continuous

No Name, Eagle County, Interstate 70 Westbound,

Welded Girder Continuous and Composite

No Name, Eagle County, Interstate 70 Eastbound, Welded
Girder Continuous and Composite

Red Cliff Bridge, Eagle County, US Highway 24, Steel Arch

Genesee Park Interchange, Jefferson County, US Highway 40,
Steel Box Girder Continuous

Beaver Creek Bridge, Washington County, US Highway 36,
Riveted Girder Continuous

West Plum Bush Creek Bridge, Washington County, US Highway 36,
Concrete Rigid Frame

Plum Bush Creek Bridge, Washington County, US Highway 36,
Concrete Rigid Frame

Colorado River Bridge, Mesa County, US Highway 6,
Steel Parker Through Truss

Cherry Creek Bridge, Douglas County, State Highway 83,
Concrete Two Rib Open Spandrel Arch

Spring Creek Bridge, Kit Carson County, US Highway 24,
Concrete Slab

Rabbit Valley Interchange, Mesa County, County Road 60/Interstate 70,
Steel Rigid Frame

Grand Avenue Bridge, Mesa County, State Highway 340,
Riveted Girder Continuous

Grand Avenue Bridge, Mesa County, US Highway 6,
Riveted Girder Continuous

Arkansas River Bridge, Chaffee County, US Highway 24,
Steel Deck Truss

Fountain Creek Bridge, El Paso County, US Highway 24,
Concrete Two Rib Open Spandrel Arch

Gunnison River Bridge, Gunnison County, US Highway 50 Service Road,
Steel Pratt Through Truss

Gunnison River Bridge, Gunnison County, US Highway 50 Service Road,
Steel Pratt Through Truss

Arkansas River Bridge, Chaffee County, State Highway 291,
Welded Girder Continuous and Composite

Lake Fork Bridge (Blue Mesa Reservoir), Gunnison County, US Highway 50,
Welded Girder Continuous Cantilever

Blue Mesa Reservoir Bridge, Gunnison County, US Highway 50,
Welded Girder Continuous and Composite

Blue Mesa Reservoir Bridge, Gunnison County, State Highway 149,
Welded Girder Continuous and Composite

Rouch Gulch Bridge, Fremont County, US Highway 50, Concrete Arch

Bear Creek Bridge, Fremont County, State Highway 120,
Concrete Slab

Main Street Bridge, Fremont County, State Highway 115,
Concrete Arch Culvert

No Name, Fremont County, State Highway 120,
Concrete slab and girder

Arkansas River Bridge, Pueblo County, Interstate 25,
Riveted Girder Continuous

Santa Fe Avenue Bridge, Pueblo County, US Highway 50 Business,
Steel Pennsylvania through truss

San Miguel River Bridge, San Miguel County, State Highway 145,
Riveted Girder

Huerfano Bridge, Pueblo County, US Highway 50,
Concrete Filled Spandrel Arch

No name, Pueblo County, US Highway 50, Concrete slab

Granada Bridge, Prowers County, US Highway 385, Concrete on I-beam continuous

Missouri Creek Bridge, Huerfano County, State Highway 69,
Steel Stringer Timber Floor

Maitland Arroyo, Huerfano County, State Highway 69, Treated
Timber Stringer w/Timber Deck

Gonzales Canyon Bridge, Las Animas County, Interstate 25,
Concrete Slab and Girder

San Juan River Bridge, Montezuma County, IRR# US Highway
160, Welded Girder Continuous

Los Pinos River Bridge, La Plata County, US Highway 160,
Welded Girder Continuous

Rito Seco Creek Culvert, Costilla County, State Highway 142,
Steel Arch Culvert/Multiplate Arch Culvert

Purgatoire River Bridge, Las Animas County, State Highway 12,
Concrete on I-Beam

Zaracillo Canyon, Las Animas County, State Highway 12,
Concrete Slab and Girder

Burro Canyon Bridge, Las Animas County, State Highway 12,
Steel Arch Culvert/Multiplate Arch Culvert

Maroon Creek Bridge, Pitkin County, Bike/Pedestrian Bridge,
Riveted Girder (old bridge to the left)
