BE IT RESOLVED THAT, the Minutes for the August 15, 2013 meeting of the Bridge Enterprise Board of Directors are hereby approved by the Bridge Enterprise Board as published in the Agenda for the September 18 & 19, 2013 meeting of the Bridge Enterprise Board of Directors.

REGION 4

- \$12,180,700 – Establish the construction phase budget for this project. The City of Fort Collins is providing funds for the urban design elements to the bridge which are not BE eligible. The funding provided by Fort Collins will be recognized as a TABOR impact to Bridge Enterprise and is well within the 10% TABOR limit.

Proposed Bridge Enterprise FY 15 Operating Budget

CDOT provided the Transportation Commission a draft FY 15 Budget Allocation Plan for all areas (including Bridge Enterprise) this month. A copy of the Bridge Enterprise section of the CDOT Budget Allocation Plan and a detailed Bridge Enterprise operating budget is being provided to the board for review. Bridge Enterprise Revenue was projected using CDOT's budget modeling system. Expenses were largely based on prior year data. Costs relating to issuing bonds are included in the FY 15 budget, preparing BE for the possibility of bonding. It is expected that a FY 15 budget supplement will be approved in June to adjust for any changes that occur between now and then.
