SUBJECT: Final Decision on Approval of Warm Mix Asphalt Mix Submittal for Aggregate Industries, Contractor Approval using Evotherm 3G WMA Technology

REFERENCE: [www.codot.gov/business/apl/asphalt-warm-mix.html](http://www.codot.gov/business/apl/asphalt-warm-mix.html)

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period April 9, 2015 to April 24, 2015. In accordance with the Colorado Procedure 59 (CP-59), Aggregate Industries requested review and approval as a Contractor using the Evotherm 3G (M1) WMA Technology.

Quality of Submittal

The Aggregate Industries submittal using Evotherm 3G (M1) WMA Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Aggregate Industries to design, batch and construct WMA using the Evotherm 3G (M1) Technology. Evotherm 3G (M1) is an approved technology, without restrictions.

WMA Decision

Aggregate Industries is approved as a contractor for design, batch and placement of the Evotherm 3G (M1) Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.
