Bicycle and Pedestrian Educational Materials Order Form

Link: <http://goo.gl/forms/sFRhu0io3d>

CDOT's Bicycle and Pedestrian Program provides free educational materials for your use. Whenever possible, we encourage you to download publications directly from our website at <https://www.codot.gov/programs/bikeped/>. But if you need hard copies, please send this form to: Betsy Jacobsen, CDOT, Bicycle/Pedestrian and Byways Section, 4201 E. Arkansas Avenue, Shumate Building, Denver, CO 80222. FAX: 303-757-9727 Email: Betsy.jacobsen@state.co.us

Quantity Publication Title

- _____ **Colorado Bicycling Manual** – Official rules for road and trail use for bicyclists and walkers in Colorado. Chapters for all ages on commuting, traffic rules, skill building, equipment, accessories, safety, etc. (Edition includes both English and Spanish versions.)

- _____ **Colorado Bicycling and Scenic Byways Map** – State road map for bicyclists. Includes approximate shoulder width and traffic volumes, mountain pass elevations and designated Colorado Scenic and Historic Byways. Does not show local roads or trails. Our new interactive web-based map provides additional information. Search routes, services, even view the streetscapes. View it on your phone, laptop, desktop or tablet at <http://dtdapps.coloradodot.info/bike>.

- _____ **Rules of the Road & Trail Wallet Cards*** – Plastic card the size of a business card. Quick reference for rules related to bicycling, walking and driving.

*Only available in hard copy format.

The following are **ONLY** available as downloadable publications from <https://www.codot.gov/programs/bikeped/>

- 2017 Colorado Bike Month Poster Artwork** – This year's poster and various artwork versions for your use in promoting Bike Month and Bike to Work Day.

- Administration of Special Events on Colorado Roads: A Guide for Event Managers** (25 pages) – Guide to the special event permit process and hosting bicycle and other events on state roadways.

- Colorado Guide for the Development of Local and Regional Bicycle and Pedestrian Plans** (60 pages) – Guide to assist transportation planners and communities in developing a bicycle or pedestrian master plan and/or initiate discussions on how to accommodate these modes in existing planning documents such as a community's comprehensive plan.

- SRTS Lesson Plans – Bicycle Safety** (42 pages) **and Pedestrian Safety** (33 pages) – Designed for elementary school educators, these publications are an all-inclusive training course for bicycle and pedestrian traffic safety education.

- Walk to School Colorado** – Tool kit to assist in developing Walk and Bike to School programs.
