B-INDEX-2: Updated revisions log and revision table cells for this submittal

B-606-10MASH: Change wording in Tube Splice detail from "different post spacings" to "different tube spans". In section A and typical section, flattened bar and removed 3" dimension. Section A "Cross-slope" text size changed. Section A, added "as necessary" to call out, "Adjust approach slab longitudinal steel to be enclosed by stirrup". In plan - post Detail, realigned "CL 1"Ø Holes".

Please review and become familiar with these revisions. If you have any questions or recommendations for improvement to the worksheets, please contact:
