Date: April 12, 2000
To: All Bridge Detail Manual Users
From: S. W. Horton, Bridge Branch Manager
Subject: CDOT Bridge Detail Manual Revisions

Chapters six and seven of the CDOT Bridge Detail Manual have been updated. These updates are available through the CDOT bridge web page.

<http://www.dot.state.co.us/business/Design/Bridge/index.htm>

The older chapters of the manual, eight through fourteen, are now also available through the CDOT bridge web page. These chapters were retyped and the drawings scanned to produce the necessary electronic files.

Please review and become familiar with the revised chapters. If you have any questions or recommendations for improvement please contact:
