Rulemaking for 2 CCR 606-1, Rules Governing the Administrative Toll Enforcement Process (Updates based on HB 22-1074)	<p>Chair Bowes opened the rulemaking process, noting three main steps. First, CDOT and CTIO staff established that all procedural requirements, required by law, were met. Second, CTIO staff and Sari Weichbrodt, CDOT Rules, Policies, and Procedures Advisor, provided a short presentation on the proposed rules. Third, participants to provide public comments (two in total) were asked to unmute themselves and provide feedback within three minutes.</p> <p><i>Director Easton joined the meeting at 9:13 am.</i></p> <p>Neither of the participants that signed up to provide public comment was present at the meeting. As a result, the board entertained the following motion by Director Gutierrez, “move to adopt 2 CCR 606-1, Rules Governing the Administrative Toll Enforcement Process, as presented”. Director Stanton seconded the motion, a vote was conducted, and it was unanimously approved.</p>
Public Comment	There was no public comment.
Director's Report	Nick Farber, CTIO Director, provided the Director's Report, which included information on the following:

¹ The High Performance Transportation Enterprise (HPTE) is now doing business as the Colorado Transportation Investment Office (CTIO). CTIO is how the enterprise will refer to itself now and in the future, however, the HPTE name is retained for legislative and legal documents.

	<ul style="list-style-type: none"> ● John Gregory was welcomed to the CTIO team as the new Major Projects Manager. ● Tolling equipment installations are almost complete on the Central 70 project and are anticipated to start on the I-25 South Gap project on the 21st of June. ● The Central 70 toll equipment installation is going smoothly despite procurement supply chain issues on cameras for the toll points. E-470 agreed to loan toll point cameras to CTIO to meet the contractual deadline. Director Farber expressed his gratitude to E-470 and their staff for their help and partnership. ● The westbound Mountain Express Lane will go live for tolling on July 7th.
