

I-70 East

# CDOT I-70 East Project Small Business Networking Event

CDOT invites small businesses engaged in highway construction, design, engineering and related work (including professional services, contractors, vendors, and industry partners) to a business development networking event where you can meet the four short-listed developer teams pursuing the I-70 East Project. This is an excellent opportunity for small businesses to get involved early during the Request for Proposal (RFP) phase.

**When:** Thursday, Oct. 22, 2015

4 - 4:30 pm: Registration

4:30 - 5 pm: Team Introductions

5 - 6 pm: Networking (light refreshments will be served)

**Where:** National Western Complex Expo Hall  
4655 Humboldt St., Denver CO

**What:** An open meet-and-greet session with pursuit team members and project stakeholders. All of the teams are very interested in meeting with DBE, ESB and other small consultants and contractors who can contribute to the project's success. This networking event will offer the opportunity to learn more about the project, talk one-on-one with those involved, and gain an understanding of the RFP process and schedule.

**Who:** The CDOT I-70 Project team, Civil Rights & Small Business Resource Center staff, and representatives from:

- 5280 Connectors
- Front Range Mobility Group
- I-70 Mile High Partners
- Kiewit/Meridiam Partners
