Ms. Braun,

The Lamar Historic Preservation Advisory Board has reviewed the Determinations of Eligibility and Effects and Notification of Section 4(f) De Minimus, and have no concerns regarding the CDOT Project TAP M765-009, Lamar Main Street Streetscape Phase 1, Prowers County. The Board is in full support of this project as it will enhance the downtown's historical landscape.

Thank you and please don't hesitate to call if you have any questions.
