The main doors to the Museum do not open until 10:00am, so the best way to enter the building will be through the employee/Security entrance on the East side of the building on Lincoln. There will be a sign on the correct door for the morning of the meeting. You will need to buzz security and they will open the door.

The closest parking garage is the Cultural Art Complex parking located at 65 W. 12th Ave., Denver, CO 80203. Parking is NOT available in the covered lot right next to the museum.

A person with a valid disability placard or plate may park where there is metered parking without paying, for up to 4 hours or the amount of time on the meter, whichever is greater.
