ACEC News and Updates

What does the 2020-2021 *Coffee with* CDOT format look like?

- **Introduction** - Introductions and provide any general or ACEC updates.
- **Resource Updates** - EPB Resource specialists will provide any updates to the program.
- **Consultant project presentation** - The EPB Resource specialist will work with a consultant team to present a project that highlights the resource topic.
- **Break-out rooms** - There will be 10-15 minutes at the end of each meeting for CDOT and consultants to talk about questions or projects.

2020-2021 Schedule

Date	Topic
September 15, 2020	EPB Work Plan and Region Plans
October 6, 2020	NEPA Update
November 3, 2020	Noise/Air Quality
December 1, 2020	PEL
January 5, 2021	Landscape Architecture
February 2, 2021	Water Quality / MS4
March 2, 2021	Cultural Resources
April 6, 2021	Paleo
May 4, 2021	Wetlands and Wildlife
June 1, 2021	Public Involvement

Consultant Update

What should a consultant project presentation include?

- Pick a Project - Work with the CDOT specialist to select a project that highlights the resource.
- Teaming Partner - include a teaming partner, especially a sub if they area the resources expert.
- Project Description - include a brief description and background of the project with a focus on the resource.
- Provide lessons learned, process efficiencies, issues encountered, etc.
