

## P List Crosswalk Reference Table

P List Item	C List	D List	Notes
P1. Adding or lengthening turning lanes (including continuous turning lanes), intersection improvements, channelization of traffic, dualizing lanes at intersections and interchanges, or adding or lengthening bus queue-jumps.	C26		
P2. Flattening slopes; improving vertical or horizontal alignments.	C22/C26		
P3. Installation of ramp metering control devices, freeway traffic surveillance and control systems, motorist aid systems, highway information systems, computerized traffic signalization systems or roadway lighting. Includes purchase and installation of equipment for Traffic Operations Centers.	C21/C27		
P4. Restoring, replacing, or rehabilitation of culverts, inlets, drainage pipes and drainage systems, including safety treatments to improve these features.	C25/C26		
P5. Preventive maintenance activities such as joint repair, pavement patching, crack sealing, skid hazard treatments, striping and shoulder repair.	C26		
P6. Restoration, rehabilitation or resurfacing of existing pavement; the removal and replacement of old pavement structure; or changes to the pavement such as installation of rumble strips.	C26		
P7. Upgrading, removal or addition of guardrail, median barrier or impact attenuators.	C4/C26		
P8. Railroad crossing elimination by closure and railroad overpass removal within existing right-of-way.	C22		
P9. Clear zone safety improvements, such as fixed object removal or relocation.	C4/C22/C27		
P10. Screening unsightly areas.	C7		
P11. Restoration and rehabilitation of existing bridge structures, including painting, crack sealing, joint repair, scour repair, scour countermeasures, bridge rail or bearing pad replacement, seismic retrofit, deck rehabilitation or replacement, or upgrade of bridge end approaches and guardrail transitions or other minor modifications.	C28		

## P List Crosswalk Reference Table

P List Item	C List	D List	Notes
P12. Widening of substandard bridge structures to provide shoulders.	C22/C28		
P13. Acquisition of scenic or historic sites.	C10	D6	
P14. Preservation of abandoned railway corridors (including the conversion and use thereof for pedestrian or bicycle trails).	C3	D12	
P15. Historic preservation, rehabilitation and operation of historic transportation buildings, structures, or facilities (including railroad facilities and canals).	C22/C25		
P16. Control and removal of outdoor advertising.	C8		
P17. Aesthetic treatments and other scenic beautification.	C7		
P18. Mitigation of water pollution due to highway runoff.	C25		
P19. Maintenance and/or replacement of existing noise barrier panels and/or posts.	C6		
P20. Perfection of title for right of way when the subsequent action is in support of an action that is not otherwise subject to FHWA review under NEPA (note: for Federal land transfers, use C5 - Transfer of Federal lands pursuant to 23 U.S.C. 317 when the subsequent action is not an FHWA action [23 CFR 771.117(c)(5)])	C5		
P21. Restoration, rehabilitation or replacement of retaining walls or slope protection.	C22		
P22. Restoration, rehabilitation or modification of truck escape ramps.	C26		
P23. Installation, restoration, rehabilitation or replacement of rockfall mitigation measures.	C22/C27		
P24. Geotechnical and other subsurface investigation.	C24		
P25. Installation of communication lines or other quasi-utilities structures along or across a transportation facility.	C2
