National Environmental Policy Act of 1969 (NEPA)

This major law requires Federal agencies to consider social, economic and environmental impacts as part of their decision making processes.

For a major Federal action, alternatives are considered and impacts are documented in an Environmental Impact Statement (EIS).

Actions that do not have significant impacts can be documented with an Environmental Assessment (EA) or a Categorical Exclusion (Cat-Ex).

Law: 42 USC 4321

Regulations: 40 CFR 1500-1508
