

WHY EXPRESS LANES? THE ANSWER IS SIMPLE: CHOICE.

Express Lanes provide a more reliable, predictable trip. You have the choice of taking Express Lanes to reach your destination faster by paying a toll, or you can travel the lanes for free if you carpool, take the bus or ride a motorcycle. You can also travel in the general purpose lanes for free. By better managing traffic flow, Express Lanes reduce travel delays across all lanes.

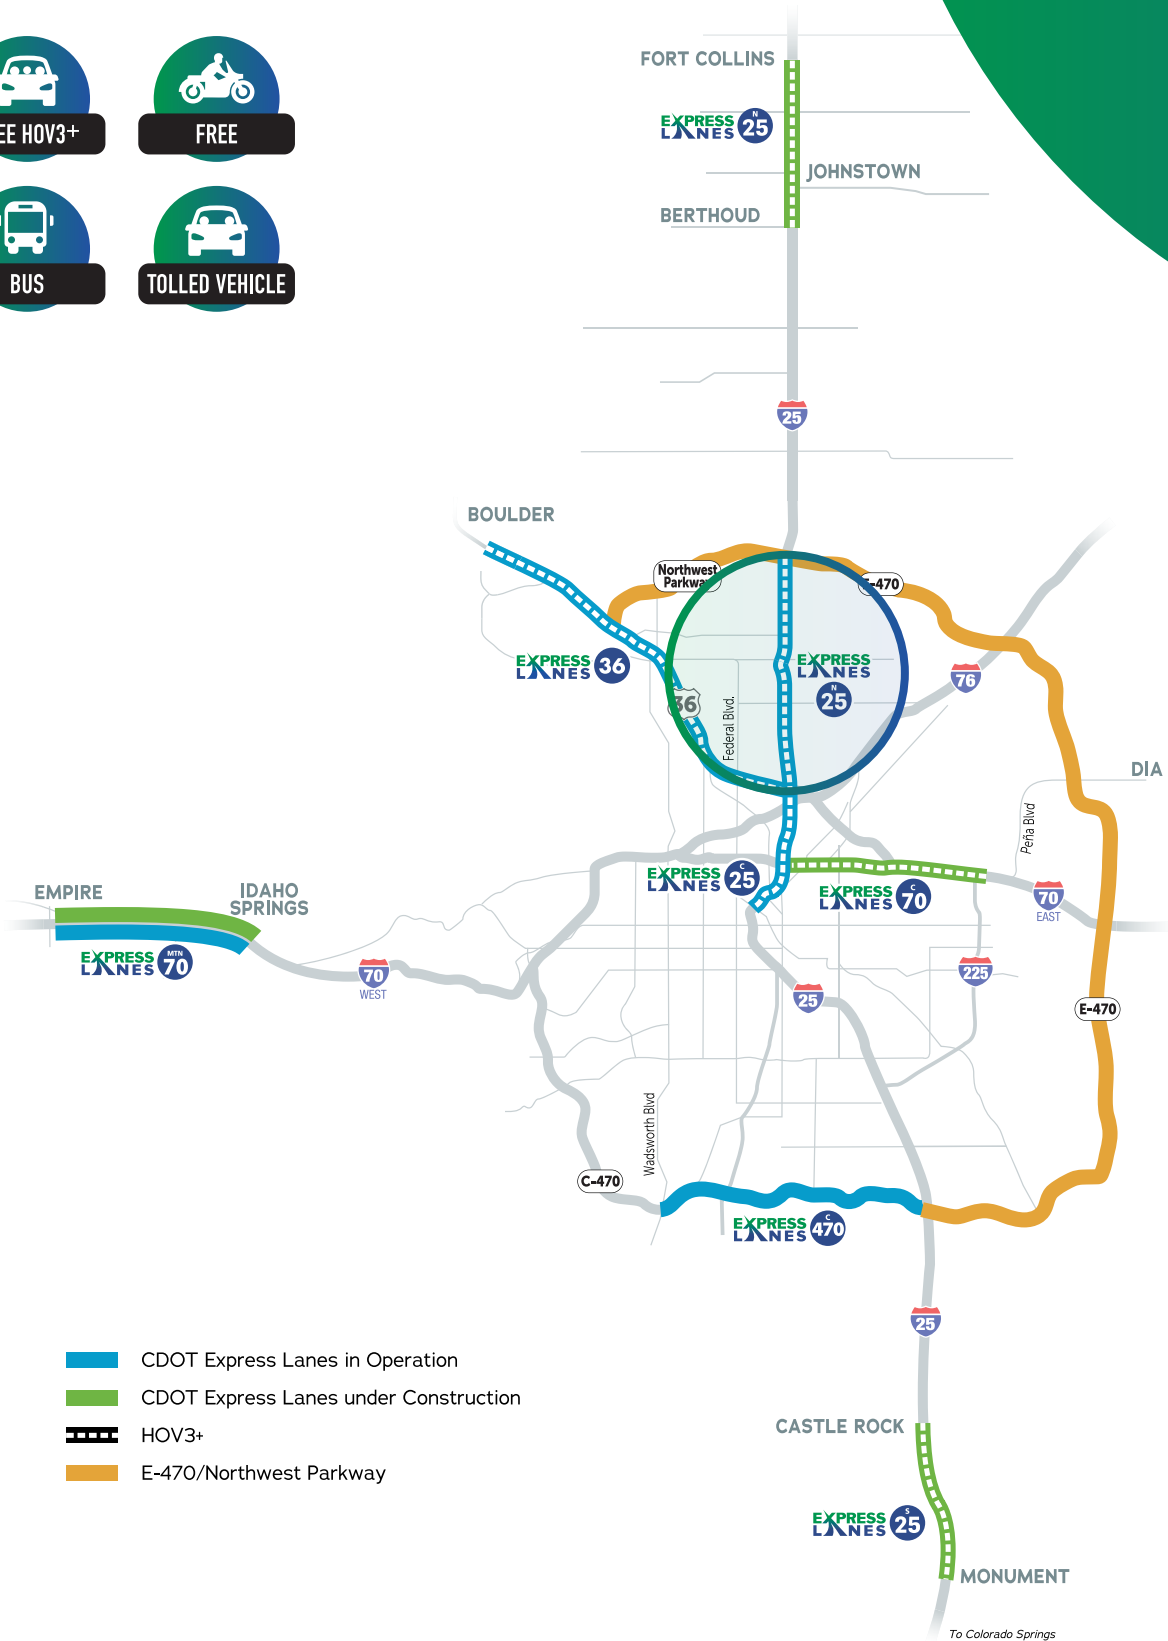

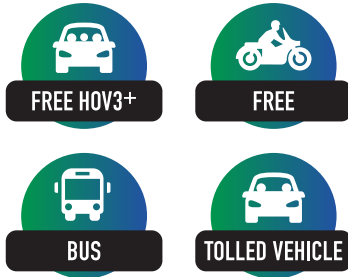

I-25 FROM US 36 TO E-470/NORTHWEST PARKWAY

CORRIDOR BASICS

- One Express Lane in each direction from US 36 to E-470/Northwest Parkway.
- The Express Lanes offer a continuous trip from E-470/Northwest Parkway to downtown Denver and back.
- The Express Lanes are open 24/7.
- Motorists have a choice of taking the general purpose lanes for free or taking the Express Lanes for a shorter and more reliable travel time.
- Vehicles with three or more people and motorcycles travel in the Express Lanes for free.
- Overhead signs indicate current toll prices.
- Tolls are collected through an ExpressToll account or through a License Plate Toll. The most cost effective option is using an ExpressToll account. Carpoolers must have a Switchable HOV Transponder and three or more people in the vehicle to use the Express Lanes for free.
- One toll is charged for the section between US 36 and 120th Avenue and a second toll is charged between 120th Avenue and E-470/Northwest Parkway.

The I-25 Express Lanes are currently open between US 36 and E-470/Northwest Parkway, running one lane in each direction, alongside general purpose lanes. The I-25 Express Lanes connect to the reversible I-25 Central Express Lanes between US 36 and downtown Denver.
