COLORADO EXPRESS LANES

I-70: I-25 to Chambers Road

Why Express Lanes? The Answer is Simple: Choice.

Express Lanes are always built adjacent to existing general-purpose lanes and offer roadway users the choice to pay a toll, use transit or carpool for a more reliable trip. On CDOT's Express Lane corridors, travelers in all lanes (including the general-purpose lanes) see time savings of anywhere from 20% to 50%. By offering choices, Express Lanes help to reduce delays, manage congestion and keep travel times reliable for motorists.

I-70: I-25 to Chambers Road

I-70 between I-25 and Chambers Road, known as "Central 70," is one of Colorado's economic backbones. It is home to 1,200 businesses, providing the regional connection to Denver International Airport and carrying upwards of 200,000 vehicles per day.

Know Before You Go

- 10 miles of Express Lanes in each direction, from I-25 to Chambers Road.
- Lanes are open 24/7.
- Travel options include tolled vehicles, buses, free HOV3+ and free motorcycles.
- Carpoolers must have a Switchable HOV3+ Transponder and three or more people in the vehicle to use the Express Lanes for free.
- Overhead signage indicates current toll prices. Tolls are collected through the vehicle's ExpressToll account or a License Plate Toll.
- The Safety and Toll Enforcement Program is in effect. Sophisticated roadside technology is used to enforce the following rules:
  - No weaving across double solid white lines.
  - Enter and exit through the dashed lines only.
