

TRAFFIC? I'LL PASS.

Express Lanes offer choice and reduced congestion.

LEGEND:

-  No pass required for motorcycles.
-  ExpressToll account, pass and toll balance required to avoid higher license plate toll charges for motorcycles.
-  Toll Road (Northwest Parkway / E-470)
-  Coming soon: C-470, North I-25 from Johnstown to Ft. Collins, and on Central 70.

TRAFFIC? I'LL PASS.

Express Lanes offer choice and reduced congestion.

MOTORCYCLES AND EXPRESS LANES

The Colorado Department of Transportation (CDOT) Express Lanes that allow High Occupancy Vehicles (HOV) now allow motorcycles to travel for free in the lanes without an ExpressToll account and pass.

New Procedures

The High Performance Transportation Enterprise (HPTE) and CDOT created new procedures for motorcyclists who use HOV Express Lanes, which includes US 36 Express Lanes, Central I-25 Express Lanes and North I-25 Express Lanes. These new procedures do not impact the I-70 Mountain Express Lane, Northwest Parkway or E-470.

- Motorcycles are no longer required to have a pass to use CDOT's HOV Express Lanes for free.
- Toll roads or Express Lanes that do not allow HOV vehicles for free (E-470, Northwest Parkway, I-70 Mountain Express Lane) still require a pre-paid toll balance and pass in order to avoid higher license plate toll charges.
- Any account questions should be directed to the ExpressToll Service Center at customerservice@expresstoll.com or 303-537-3470.

STAY IN THE KNOW

Visit CDOT's Express Lanes website at www.codot.gov/programs/expresslanes for the most recent updates. You may also sign up for email alerts. You can contact the ExpressToll Service Center at customerservice@expresstoll.com or 303-537-3470 to discuss your account.

Visit codot.gov/programs/expresslanes for more information.
