

I-70 Mountain Express Lanes (Idaho Springs to Empire) Toll Rates and Schedule for July 1st, 2025 - June 30th, 2026

When open, the westbound direction uses dynamic toll rates. The minimum and maximum toll rates indicate the range of possible toll rates based on real-time data.

When open, the eastbound direction uses flat toll rates. The toll rates are shown in the tables below.

Due to the narrow nature of the I-70 Mountain Express Lanes, the following vehicles are prohibited:

- Those with more than two axles.
- Vehicles exceeding 25 feet in length.
- Vehicles towing trailers.
