2023 STAC Work Plan
Last Updated March 2023

The intent of this work plan is to identify areas of CDOT's work where the Statewide Transportation Advisory Committee (STAC) can add value, fulfill their statutory advisory role for CDOT and the Commission, and serve as a productive forum to exchange viewpoints from around the state and achieve consensus.

The following slides show a tentative work plan schedule of STAC agenda topics. The schedule was designed to work in concert with the 2023 Transportation Commission (TC) schedule.

Note: This work plan may be subject to change. CDOT will update this work plan as changes occur.
