

## Application

### Opportunity 2: Small Multimodal and Economic Resiliency Grant

#### Introduction

This grant program supports downtown vitality and the built environment by encouraging economic development, supporting community access to public streets and bringing innovative uses of public spaces to life with multimodal transportation projects. The funds can be used for active transportation infrastructure improvement projects that meet the aim of the program and are ‘shovel ready’, therefore can be completed within a 12 month period from grant contract execution, if approved.

#### Eligibility

Maximum CDOT grant award per project: \$250,000.

Minimum CDOT grant award per project: \$10,000.

**Note:** Minimum match amount required is 10% of total project cost.

Applicants must be one of the following:

- Local Governments
- Business Improvement Districts
- Council of Governments, on behalf of a local jurisdiction and with proof of support from that local jurisdiction
- University or College

Projects must be located in the state of Colorado. On-CDOT system and off-CDOT system projects are eligible. *Note:* if a project encroaches on a state right of way, a [Special Use Permit](#) is required. Projects must be ready to be substantially completed within 12 months.

Expenses eligible for grant funds include, but are not limited to, construction & materials costs for building new or long-term improvements of the following:

- Sidewalks and/or bike lanes
- Pedestrian improvements to road intersections
- Landscaping buffers
- Activating or building a downtown plaza
- Multimodal amenities such as pedestrian level lighting, benches, trash bins, restrooms, bike racks and bus stop shelters
- Traffic calming public art features

Expenses that are exempt from award, if awarded:

- Planning, design, engineering, architecture, landscape architecture, and professional surveying expenses.
- Work completed prior to CDOT contract execution is not eligible nor can it count toward the minimum 10% match.
- Volunteer time.

4. Do you have any CDOT granted federal funds contributing to the overall project that you are requesting RMS funds for?  Yes  No  
If yes, what is the CDOT grant funding program name?

5. **Readiness of Implementation:** What is the status of planning, design & engineering the project? When is the anticipated start and completion date for the scope elements that would be funded by RMS? Please include a broad project timeline.

## Part 4: Grant Funds Project Narrative

Provide qualitative and quantitative responses to the following questions.

1. **Vitality and the Built Environment (35%):** How does the project impact the vitality of your community's downtown, mixed-use center, or community gathering space? Does this project promote economic development?

2. **Active Transportation and Safety (35%):** Does the project promote active transportation, including an increase to biking, walking, and/or transit? Does it improve safety for these and other vulnerable users? If so, how do you know that?

3. **Equity Improvement (20%):** Some communities in Colorado have more than their fair share of environmental exposure. As a result, they may experience higher levels of health burden. Disproportionately Impacted (DI) Community status is a measure to determine areas in Colorado with current and past environmental inequities, areas that have a greater health burden and/or areas that face greater environmental risks.
- a. Is the project location within a Disproportionately Impacted (DI) Community?  
 Yes  No
- How to answer this question: Please find the project location on the [EnviroScreen map](#). Guidance regarding how to use the tool is here: [EnviroScreen Tool Directions](#).
  - Please take a screenshot of the results from the [EnviroScreen Tool](#).
- b. Whether or not the project is in a DI community, how will the project support and benefit disadvantaged populations? Include a description of the disadvantaged populations and why they are considered disadvantaged.

4. **Community Support:** (10%): Are there community plans that played a role in the creation of the project? Please describe how the community has been engaged to inform the location, design, or goal of the project (i.e., surveys, past or current planning practices).

## Part 5: Verification, Attachments & Submission

### Scope of Work & Financials Verification

If an award is approved, this document represents the scope of the work and costs for the project. By signing this, the applicant has reviewed the application to ensure it represents the necessary project elements required for execution. Scope of work change requests may be submitted once the project has begun, only if unexpected changes occur after the project has commenced. Note: scope of work changes may or may not be approved once submitted to CDOT, so plan accordingly.

**Applicable Laws.** By completing and submitting this application, you acknowledge the grantee's President, Chief Elected Official (Mayor or County Commission Chair) or City/County Manager or equivalent, has certified they support this grant request to be submitted for funding and will follow all State fiscal policies, and state and federal regulations (including the [Americans with Disability Act](#)) for your entire project, if awarded.

**Required Attachments.** This checklist consists of the required attachments to be submitted:

- Relevant map for the project site. Highlight the portion of the project that is requesting grant funds to implement.
- Project concept design, if completed.
- Current state clear photographs of the project site.
- If a project has no documented connection to a master or community plan, letters of support or public involvement documentation may substitute as attachments to show community support.
- Screenshot of the results from the [EnviroScreen Tool](#), produced per directions in the [EnviroScreen overview](#).

### Submission

Completed & signed applications with required attachments must be emailed to be considered for review at any time to [cdotmainstreets@state.co.us](mailto:cdotmainstreets@state.co.us).

Application deadlines will be the last Wednesday of **every other month, unless the date falls on a State holiday**. Dates to note for 2024 application reviews are found on the [website](#) under the document titled Eligibility & Selection Rules.
