---------------------------------------	--

Please answer the following questions:

**Environmental:** All projects will require environmental clearance. Do you anticipate impacts to history, wetlands, 4F/6F, floodplains, MS4, endangered species, wildlife or any other resources?

**ROW:** Is the project anticipated to require any full or partial acquisitions, easements, relocations?

**Utilities:** Are there utilities located within the project area? If so please describe the type and number of utility companies involved.

**Railroad:** Is the project within 250 feet of a railroad? Will the project require use of Railroad ROW or airspace?

**Experience:** Has your agency completed a federal aid project with CDOT oversight in the last 3 years?
