# Colorado Transit and Rail Awards Management System (COTRAMS)

Community User’s Manual Version 3.0

## Introduction

Welcome to the Division of Transit and Rail’s new Transit Grants and Asset Management Community. This tool is built on the Salesforce “in the cloud” reporting and database platform—a popular commercial application. It is designed to be the “hub” where you and your agency come to do business with the Division of Transit and Rail at CDOT.

In developing this tool, it is CDOT’s intent to improve its level of customer satisfaction, improve grant processes, and improve its ability to meet responsibilities as a State agency. We welcome any feedback that you, our customers, may have for us in this regard.

COTRAMS streamlines and automates CDOT’s grant management process that DTR is regularly engaged in, both with our sub-grantees and CDOT’s internal partner offices. Due to its extensive data management and reporting capabilities, COTRAMS serves as the main repository for Sub-grantee Agency profiles and service characteristics, capital inventory, accident reporting, grant agreement procurement/contracting, and reimbursement requests.

The system is a versatile online interactive tool that helps DTR improve the level of customer service and satisfaction, as well as grant process efficiency and transparency. In addition, COTRAMS reduces workloads compared to manual tracking systems. COTRAMS enhances the ability for CDOT and Grant Partner responsibilities with public funds, especially improving contract delivery, on-time payments, and reporting how Colorado transit agencies have used public funds.

COTRAMS captures the whole grant cycle from the beginning of Application, to Award, to Project Budget, to Procurement (e.g. vehicles, equipment, & vendor services), to Reimbursement Requests, then to the end of Closeout of the individual grant agreement with sub-grantees.

Furthermore, with its powerful reporting and dashboard function, COTRAMS enables DTR and Sub-grantees to track critical agency information, performance measures, capital inventory, financial data and compliance in a timely fashion.

### *About the User's Guide*

This user's guide is intended to be a reference document that describes the various sections and associated functionality of COTRAMS. It will undoubtedly change in content as we more fully develop the Community. It includes step-by-step instructions and information regarding:

- Agency Information and Contacts
- FTA Compliance – Annual Certification and Assurance
- Online Applications
- Tracking of Award status
- Milestones Reporting
- Risk Assessment Tool
- Online Reimbursement Requests
- Online Procurement Requests
- Online Quarterly FTA-5310 and 5311 Program Measure Reports
- Online Grant Closeout Form
- Capital Inventory/Accident Reporting
- Vehicle Disposition Requests
- Program Documents
- Reporting function

### *Getting Started*

COTRAMS Community can be accessed through any internet web browser at <https://cotrams.force.com/cdotcommunity>. It has been designed for use with Google Chrome, so it may work a little quicker in that browser if you have already installed it. If you haven't, but would like to, you can download Chrome here: <https://www.google.com/intl/en/chrome/browser/>.

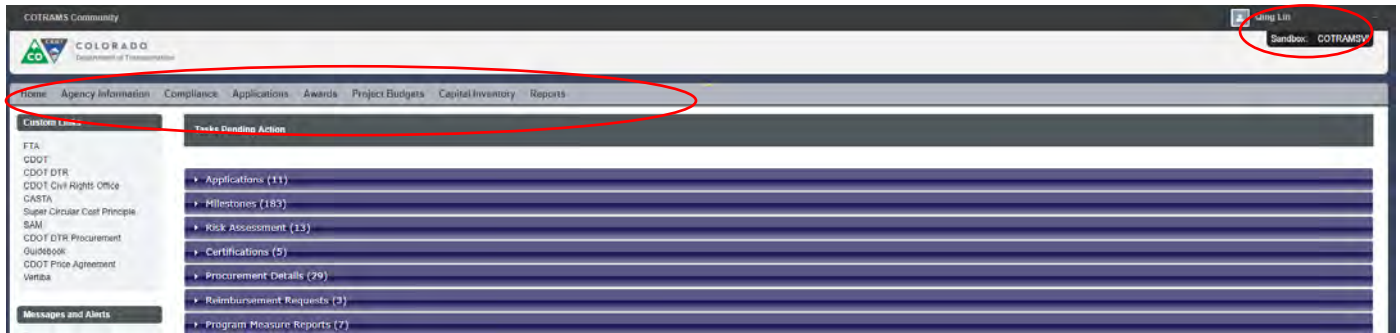

All current CDOT DTR grant partners (sub-recipients) have been set up with an account in COTRAMS. You should have received a system-generated email with user name and password that will gain you access. Follow the instructions in the email to gain access to the Community.

If you have not received a user name and password, please contact Qing Lin ([qing.lin@state.co.us](mailto:qing.lin@state.co.us)). However, most existing grant partners have used COTRAMS to submit a recent grant application, so if you think your agency doesn't yet have a user name and password, please check with other agency staff before contacting CDOT.

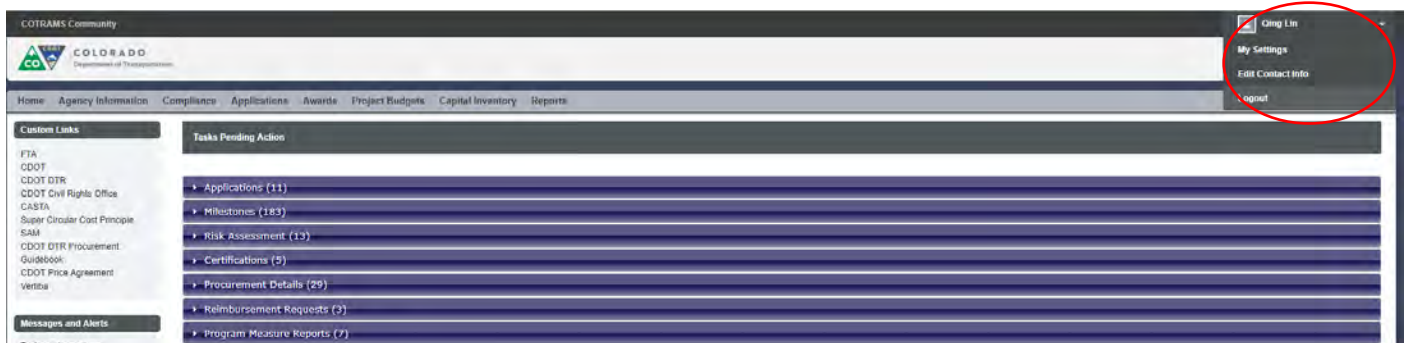

At this point, each grantee agency will be assigned only two user Community IDs and logins: one for the primary contact and another for financial personnel. CDOT has implemented this limitation because each Community requires the purchase of a Community license.

Once you log into the COTRAMS Community, you will see your name on the right top corner and multiple tabs below:

By clicking the arrow sign on the top right, you will be able to edit your settings, reset password, edit your contact info and log out:

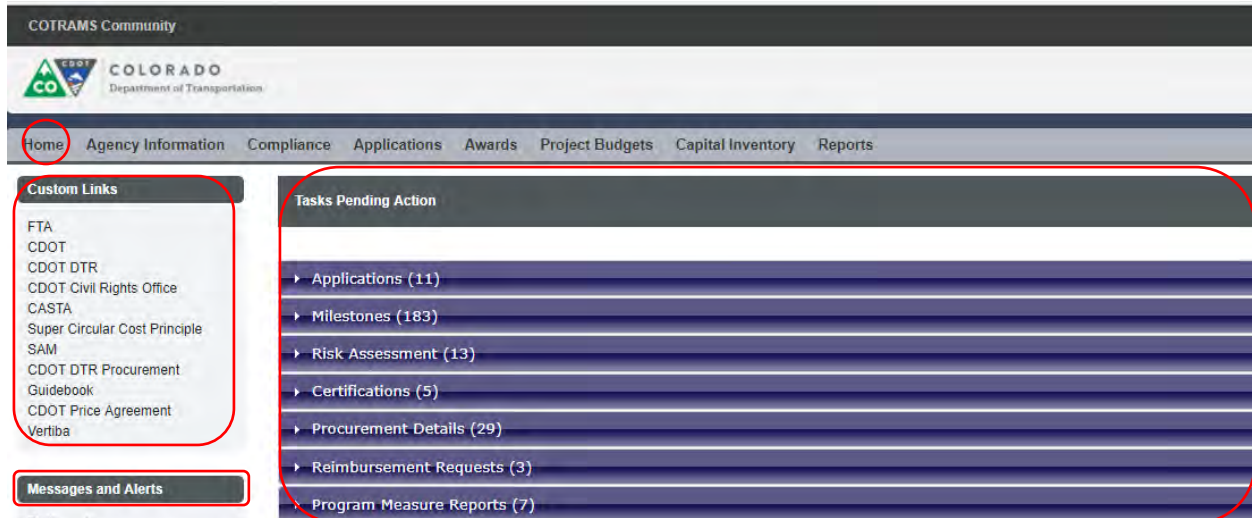

## Table of Contents

Section 1: COTRAMS Community Home Page .....	6

## SECTION 1: INSTRUCTIONS ON HOME PAGE

When you log into COTRAMS Community site, you will land on the home page like this:

On the left side of the home page, there are some useful web site links for your reference and Messages and Alerts from CDOT.

On the right side of this page, it lists some pending action tasks for your quick access. By clicking the triangle sign of each object to expand the section, then you will see the tasks that need your attention. Please see the below screenshot as an example:

Tasks Pending Action							
▶ Applications (11)							
▶ Milestones (183)							
▶ Risk Assessment (13)							
▶ Certifications (5)							
▶ Procurement Details (29)							
▼ Reimbursement Requests (3)							
Actions	Name	Project #	Award Description	Agency Invoice #	Status	Date Submitted	Reimbu Period
<a href="#">Edit</a>	<a href="#">REQ-00008083</a>	BUDGET-002772	2016 5311 Admin/Operating		Revision Requested		
<a href="#">Edit</a>	<a href="#">REQ-00009925</a>	BUDGET-002728	2018 5310 Capital Award	2369878	Drafted	07/20/2017	Jul 2017

▶ Program Measure Reports (7)							

## SECTION 2: INSTRUCTIONS ON AGENCY INFORMATION

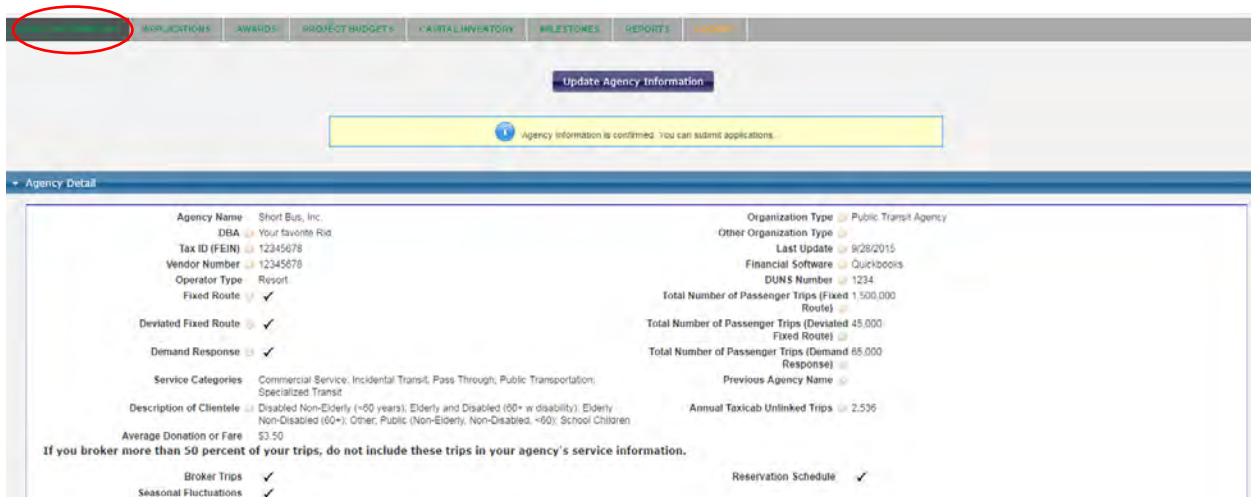

The Agency Information tab in the Community is where grant partners enter key pieces of data that describe their agency, the services they provide, and the clients they serve. Information entered here is tied directly to other information in the overall database (Capital Inventory, Accident Reporting, Grant Applications, the Reimbursement Process, etc.) and is essential to CDOT’s overall grant management and required reporting. Therefore, it is critical that the information contained in this form is up to date and accurate.

DTR staff has done its best to migrate data from the old database and recent surveys to this new tool. However, in some cases we were not able to complete the forms, either because of incompatible data formats or because we were asking for information that hasn’t been requested before. In either case, it is incumbent upon each grant partner to review and verify the data that was migrated and to correct it where necessary.

The first time you access the Community, you should review and verify any information that is contained on the Agency Information form.

To update and verify Agency Information:

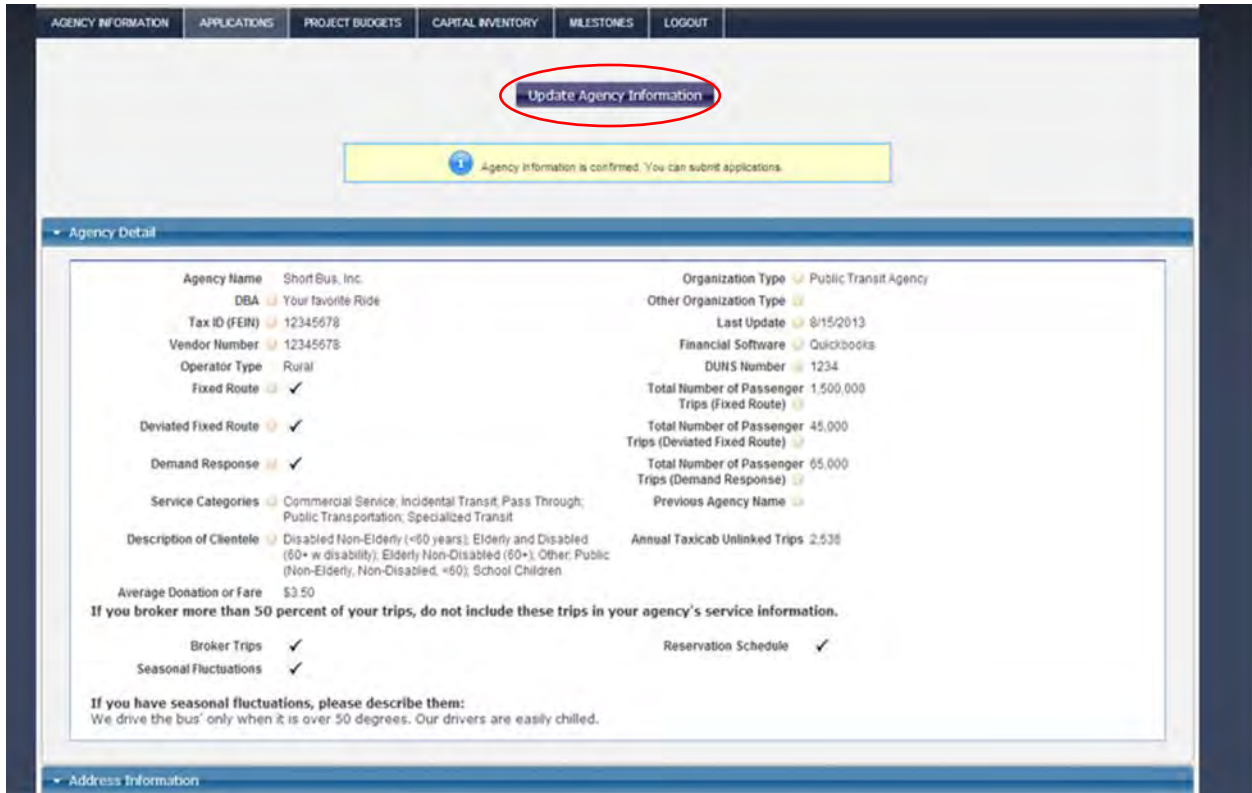

Step 1: After logging into the Community, click on the Agency Information tab at the top of the screen

Step 2: Click the “Update Agency Information” located just below the navigation bar at the top of the page.

**Hint:** One thing you will immediately notice throughout the platform are the small question mark icons next to many of the fields. If you hover your mouse over these, help text appears. The help text is there to assist you in understanding what information to include in the adjacent field. In some cases, the field names themselves serve as enough of a “clue” to help you enter correct information, but in many cases, we thought that including help text would be beneficial. We can add help text to nearly any field in the Community, so if you feel like we’ve missed something or something isn’t clear, please don’t hesitate to let us know.

Once you have clicked on “Update Agency Information, update and edit the information as necessary. You can also save your changes at any time by hitting the “Save” button at the center-top of the form.

The screenshot shows the 'Agency Detail' form. At the top, there are navigation tabs: HOME, AGENCY, PROJECTS, CONTRACTS, and AGENCY CONTACT. Below these is a 'Save' button circled in red, next to a 'Cancel' button. A yellow message box states: 'Agency information is confirmed. You can submit applications.' The form fields include: Agency Name (Short Bus, Inc.), DBA (Your favorite Rid), Tax ID (FEIN) (12345678), Vendor Number (12345678), Operator Type (Resort), Fixed Route (checked), Deviated Fixed Route (checked), Demand Response (checked), Service Categories (Available, Chosen: Commercial Service, Incidental Transit, Pass Through), Description of Clients (Available: Workforce (employment-specific), Excluded: Disabled Non-Elderly (<60 years), Elderly and Disabled (60+ w/ disability), Elderly Non-Disabled (60+)), Organization Type (Public Transit Agency), Other Organization Type, Last Update (9/28/2015), Financial Software (Quickbooks), DUHS Number (1234), Total Number of Passenger Trips (Fixed Route) (1,500,000), Total Number of Passenger Trips (Deviated Fixed Route) (45,000), Total Number of Passenger Trips (Demand Response) (65,000), Previous Agency Name, and Annual Taxicab Unlinked Trips (7,536).

**Note:** The Safety Data section of this form is edited from the Capital Inventory item forms, and cannot be edited from this view. This is because Safety and Accident Reporting functions are tied directly to the Capital Inventory forms. For instructions on how to update Safety and accident information, please refer to the Capital Inventory instruction section of this user’s manual.

The screenshot shows the 'Safety Data' section of the form. It contains three input fields: Reportable Incidents (0), Fatalities (0), and Injuries (0).

Most of the Sections and fields in the Agency Information form are self-explanatory, and where there might be confusion we hope that the help text provided serves its purpose. If you have any questions about what we are looking for, please don’t hesitate to contact us.

### Step 3: Saving and Confirming Agency Information

When you are done editing, and updating data in the Agency Information form, hit Save. The screen will change and a “Confirm Agency Information” button will appear near the top-middle of the screen (see screen shot below). Click on the button. Now you’re done: Your Agency Information is updated and confirmed.

Note: it is **not** enough to simply hit “Save” button—you must also hit the “Confirm Agency Information” button for the data to be updated.

## SECTION 3: COTRAMS ANNUAL FTA CERTIFICATIONS AND ASSURANCES

The newly developed and deployed Compliance module enables COTRAMS Community users to submit online Annual FTA Certifications and Assurances.

Each year, when FTA make the current year’s Annual FTA Certifications and Assurances available, CDOT will release the form through COTRAMS, then CDOT Grant Partners (Community Users) will be able to submit the form through COTRAMS.

Step 1. Once you receive the notification of Annual FTA Certifications and Assurances available online from CDOT, please log into COTRAMS Community and click “Compliance” tab to open the section of Certifications and Assurances:

The screenshot shows the COTRAMS Community interface. At the top right, the user name 'Qing Lin' is displayed. Below the header, there is a navigation menu with tabs: Agency Information, Compliance, Applications, Awards, Milestones, Project Budgets, Capital Inventory, and Reports. The 'Compliance' tab is selected and circled in red. Below the navigation menu, there is a sub-section titled 'Certifications and Assurances', which is also circled in red. This section contains a table with the following data:

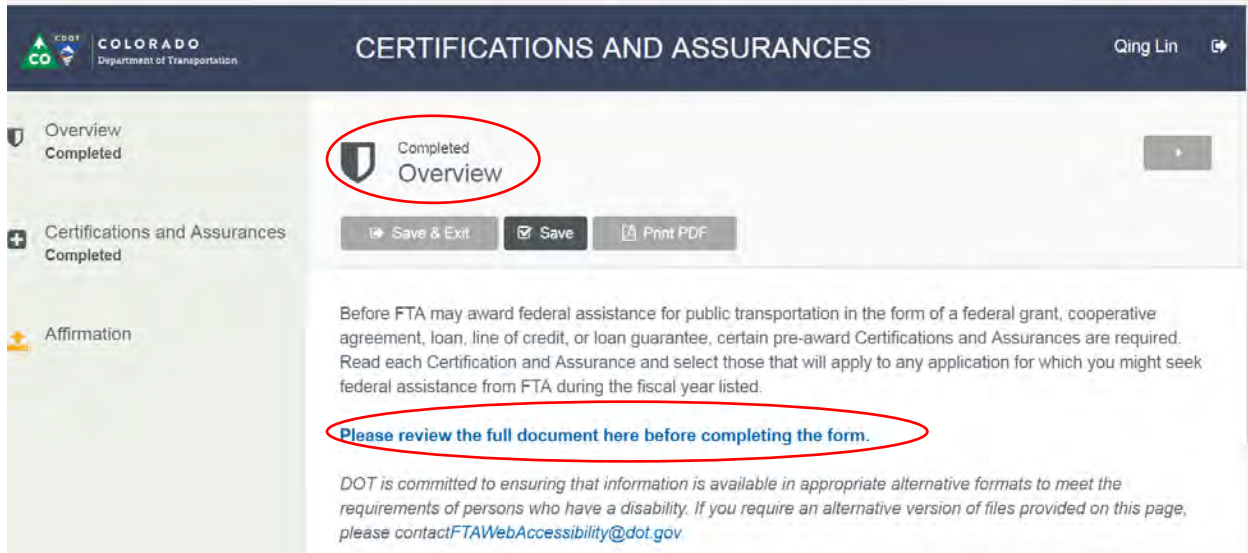

Action	Certification Name	Status	Federal Fiscal Year	Submitted By
<a href="#">View</a>	CERT-0024	Submitted	2019	Qing Lin
<a href="#">View</a>	CERT-0023	Submitted	2018	Brodie Ayers
<a href="#">Edit</a>	CERT-0022	Draft	2020	

Step 2. Click the button of “Edit” to open the online form:

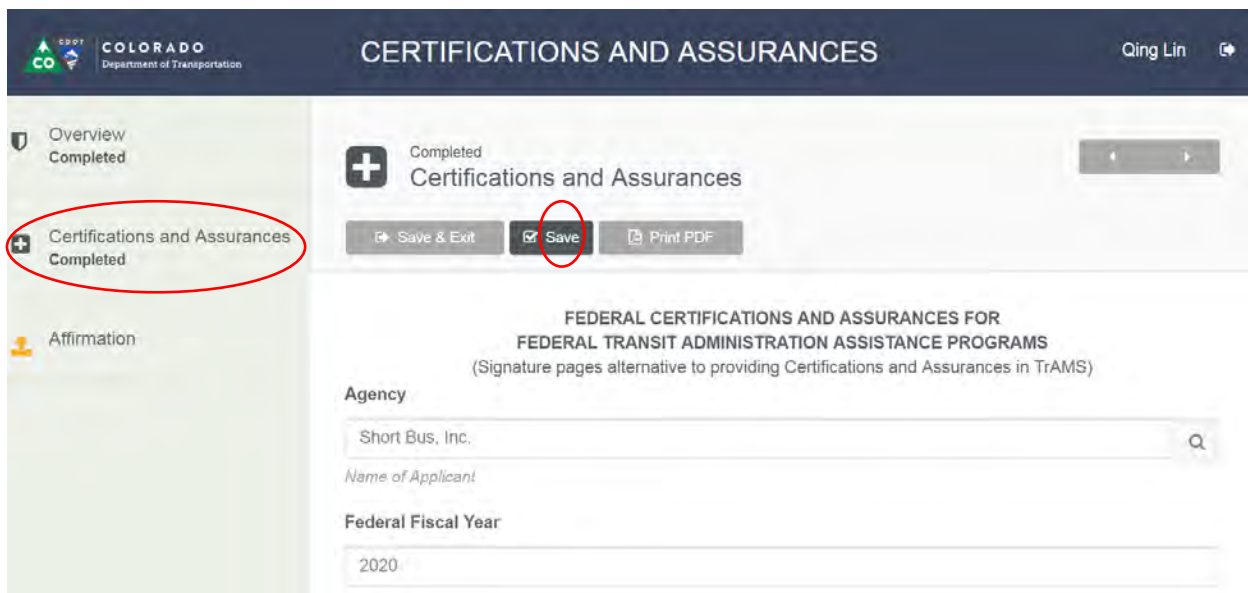

This screenshot is identical to the previous one, but the 'Edit' button for the 2020 certification (CERT-0022) is circled in red to highlight it.

Step 3. Use the Overview section to review FTA’s full document by clicking “Please review the full document here before completing the form”:

Step 4. Open and fill out the section of “Certifications and Assurances”, make sure to hit the “Save” button after this section is complete:

Step 5. Open the last section of “Affirmation” to have your entity authorized representative certify the document online:

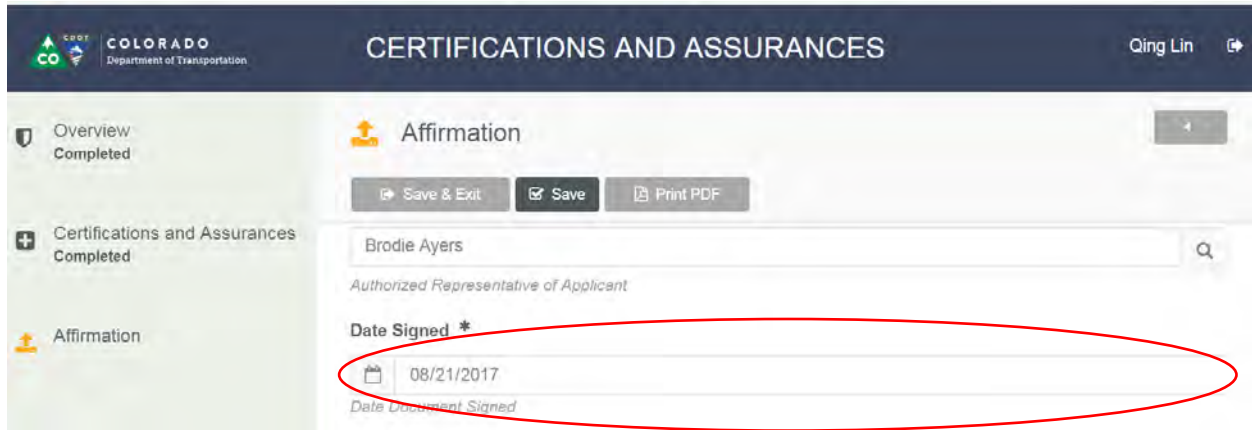

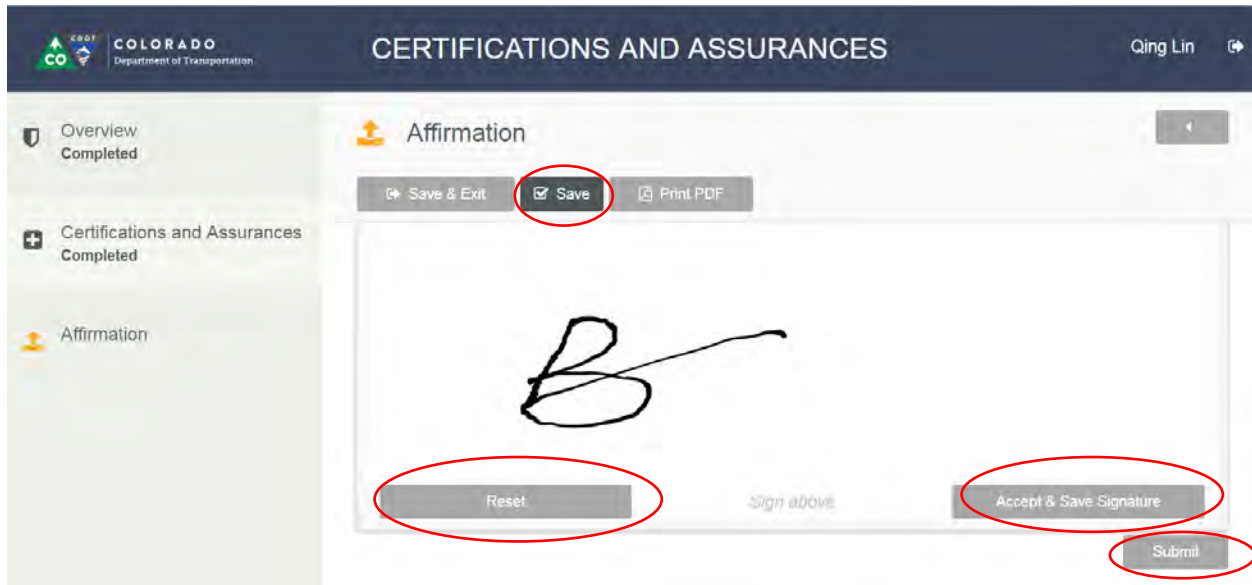

Step 4. Search for the Authorized Representative Contact:

**Please be advised, the authorized representative may not have COTRAMS Community license but must be a contact in COTRAMS, so it will be searchable.**

Step 5. Enter the date for the Date Signed:

Step 6. The authorized representative uses a computer mouse or a touch pen to sign the document online in the signature section. By clicking the “Reset” button, the signature can be erased. After the button of “Accept & Save Signature” is clicked, the signature will not be erased anymore, make sure to save it. After all the sections are complete, please click the “Submit” button to submit the Certs and Assurances to CDOT:

Step 7. You are able to print out the PDF document by clicking the button of “Print PDF”

**CERTIFICATIONS AND ASSURANCES** Qing Lin

Reset Sign above Accept & Save Signature

Submit

## SECTION 4: INSTRUCTIONS ON APPLICATIONS

The Applications tab in the Community is where grantees can fill out, edit, and submit applications for capital assistance. Applications here will cover Vehicle requests as well as Facility and Equipment requests. Information entered into these applications is tied directly to other information in the overall database (Agency Information, developing a Scope of Work, setting up the Project Budget and Reimbursement Process, etc.) and once an award is made, is a key piece of the grant set up and tracking mechanisms. Therefore, it is critical that the information contained in these form is up to date and accurate.

**Before you can fill out an application for FTA or State assistance, you must update and verify any information that is contained on the Agency Information and Capital Inventory sections (Only for capital applications).** To update and review these forms, please refer to Sections 2 respectively.

Once you have logged in and updated your Agency Information and Capital Inventory sections, you can start the application process.

Step 1: Click on the Applications tab in the navigation bar to get started, after clicking on Applications it will take you to the following screen.

The screenshot shows the COTRAMS interface with the following elements:

- Navigation tabs: AGENCY INFORMATION, **APPLICATIONS**, AWARDS, PROJECT BUDGETS, CAPITAL INVENTORY, MILESTONES, LOGOUT.
- Section Header: **Available Applications**
- Table 1 (Available Applications):
 

Actions	Year	Name	Application Type	Status	Project Description	End Date
<a href="#">Edit</a>	2016	<a href="#">APP-008832</a>	FASTER/FTA Facility/Capital Equipment	Draft		9/1/2016
<a href="#">Edit</a>		<a href="#">APP-008826</a>	FASTER/FTA Vehicles	Draft		4/6/2021
- Section Header: **Previous Applications**
- Table 2 (Previous Applications):
 

Actions	Year	Name	Application Type	Status	Project Description
<a href="#">View</a>		<a href="#">APP-008627</a>	FTA Capital	Approved by Committee	
<a href="#">View</a>	2015	<a href="#">APP-008618</a>	FASTER/FTA Vehicles	Approved by Committee	2015 5310 Vehicle Replacement
<a href="#">View</a>	2016	<a href="#">APP-008729</a>	FASTER/FTA Vehicles	Approved by Committee	Purchase 40ft Coach

This screen is divided into two sections – one that shows applications that are currently available to you but that have not yet been submitted (“Available Applications” indicated by red oval on the above screenshot) and those that have been submitted (“Previous Applications” indicated by the red oval on the above screenshot). “Available Applications” are just that – applications that are currently available to you and are editable. “Previous Applications” are applications that you have already submitted, and are not editable.

Currently there are four types of applications developed in COTRAMS:

- 1) Vehicle Application
- 2) Facility and Equipment Application
- 3) Admin/Operating Application

#### 4) Mobility Management Application

Below please find a description of each following Action:

Edit : opens the application up for editing

View: opens “read-only” copies of previously submitted applications

Year: indicates the year that the application was created

Name: a system generated identification number for the application

Application Type: indicates what the application is for (capital, admin/operating, planning, etc.)

Status:

Draft –a saved draft of the application is stored in the system, but is not yet submitted for review.

Submitted – the application has been saved and submitted and cannot be edited any further.

Start Date: the date that the application was released

End Date: the date that the application is due to be submitted.

**IMPORTANT:** If you are submitting more than one type of application, notify your Grant Coordinator or Qing Lin ([qing.lin@state.co.us](mailto:qing.lin@state.co.us)) so that DTR staff can release multiple applications to your agency Community. Remember, we do not allow “bundling” of projects and each request for capital assistance should have its own application.

To start the process of filling out an application, just click on the application you would like to begin working on.

Once you click on “Edit” button, a new window will open with the application form available for you to fill out. The followed screenshot is an example of application:

**HINT:** We’ve all heard the phrase – “Save Early/Save Often” – and it applies to this tool as well. On that note, we think it is good practice to hit save after you complete every section. It can be

frustrating to lose information that you've entered into the form, and that **will** happen if you hit "Enter" inadvertently. Once you've saved your application, just hit "Edit" (see below screenshot) to open the application back up for editing and continue to fill out the application. After the application is completed, simply hit "Save" and "Submit" button to submit the application. You will receive COTRAMS generated emails for confirmation on application being received, application being approved or rejected.

You can start tracking the application status through COTRAMS as well. There are 4 statuses of the application:

1. Draft
2. Submitted
3. Approved by Committee
4. Rejected by Committee

## SECTION 5: INSTRUCTIONS ON REVIEWING AWARDS

After CDOT approves your applications, related awards will be created by CDOT. In COTRAMS, all awards made to your organization are listed, along with the status of that award and other important information. Each award has a unique award number that is tied to a unique application number, allow you to better communicate with DTR staff about grant information.

Step 1: Click on “Awards” tab from the top menu, that award table will be opened.

Name	Application Number	Award Description	Project Description	Requested Total	Amount Awarded	Status
Award-003284	APP-008826	2016 5310 Award		\$300,000.00	\$300,000.00	Not Budgeted
Award-003283	APP-008902	2017 FASTER Capital		\$180,000.00	\$150,000.00	Budgeted

Step 2: All your awards that are currently in COTRAMS will be displayed. Review the status and awarded amount of each award in the far-right column.

One of the fields that may be of most interest to you is the award status explanation, this field will advise you on the current status of your grant award. The award statuses are defined below:

- 1) Update Milestones: It’s a default status of an award, you will need to update the milestones under the award when the award is created.
- 2) Complete Risk Assessment: you will need to fill out the self-risk assessment under the award after the milestones were updated.
- 3) Pending CDOT Budget: after you have completed the milestones and risk assessment, CDOT will start the budgeting process.
- 4) Budgeted: The project is budgeted and Project Budget is set up in COTRAMS. This allows DTR staff to proceed with negotiation of the grant agreement.
- 5) Withdrawn: The award is withdrawn due to project cancellation or other circumstances.
- 6) Funds Transferred to Region: The project is managed by one of CDOT’s regions and the funds were transferred from DTR to a CDOT region.

To update milestones and complete risk assessment. Please click the award to open another window, then you will find the sections of milestones and risk assessment tool under the award section:

<a href="#">Edit</a>	<a href="#">Assessment-000021</a>	New	

Please refer to this user manual, sections 6 and 7 for how to fill out the milestones and risk assessment form.

## SECTION 6: INSTRUCTIONS ON MILESTONES INITIATION AND UPDATING

All grant recipients are required to establish anticipated milestones that are reasonably achievable. These milestones, negotiated by the grant partner and DTR in the scope of work in the grant agreement, will appear both here in COTRAMS as well as in the grant agreement or contract. As the initial step in the process, grant partners will negotiate the milestones with DTR. Once agreed they will be entered in this COTRAMS milestones page as milestones initiation. As a required part of the reimbursement process, grant partners **must** update their milestones before any grant reimbursement request can be made.

COTRAMS generates milestones based on the type of project. Below are the milestones that must be established, whether funded by FTA or FASTER. These milestones will typically follow in the chronological order found below, but some projects may vary based on a variety of factors.

### FASTER/FTA Vehicle/ Facility/Equipment

- Submit Procurement Concurrence Request (PCR) to CDOT Project Manager for Approval
- Submit Procurement Authorization(PA) to CDOT Project Manager for Approval
- Take Delivery of (First) Vehicle/Equipment/Project Property
- Take Delivery of and Accept All Vehicles/Equipment/Project Property
- Submit Reimbursement Requests in COTRAMS

### FASTER/FTA Admin/Operating, Planning and Mobility Management

- Submit Reimbursement Requests in COTRAMS
- Submit Progress Reports to GU Manager
- Submit Final Reimbursement Request in COTRAMS

Step 1: You will receive a notification email of “Please Initiate Milestones and Complete Risk Assessment” from the system when your application is approved.

Step 2: After the notification email is received, please log into the COTRAMS Community and click on “Awards” from the top menu bar, then the award table will appear.

AGENCY INFORMATION						
APPLICATIONS		AWARDS	PROJECT BUDGETS	CAPITAL INVENTORY	MILESTONES	LOGOUT
All Projects						
Name	Application Number	Award Description	Project Description	Requested Total	Amount Awarded	Status
Award-003284	APP-008826	2016 5310 Award		\$300,000.00	\$300,000.00	Not Budgeted
Award-003283	APP-008902	2017 FASTER Capital		\$180,000.00	\$150,000.00	Budgeted

Step 3: Find the appropriate award then click “Edit” in Milestones Section

Application Number: AFP-026923

Actions	Name	Description	Progress Detail	Orig. Est. Com. Date	Rev. Est. Com. Date	Number of Revisions	Actual Completion
<a href="#">Edit</a>	MILE-657757	Submit Progress Reports to GU Manager				3	
<a href="#">Edit</a>	MILE-657758	Submit Final Reimbursement Request in COTRAMS				2	

Step 4: COTRAMS will open a window with all milestones under the award. Click on the “Edit” button to begin initiating milestones for this project.

Edit	Name	Description	Progress Detail	Orig. Est. Com. Date	Rev. Est. Com. Date	Number of Revisions	Actual Completion
<a href="#">Edit</a>	MILE-013181	Grant Agreement Executed	Progress is pretty good.	10/1/2016	12/31/2016	3	
<a href="#">Edit</a>	MILE-013182	Submit Reimbursement Requests with Backup Documentation to DTR	in progress	12/31/2016	12/31/2017	3	
<a href="#">Edit</a>	MILE-013183	Submit Progress Reports to CDOT Project Manager		3/1/2017		1

<a href="#">Edit</a>	MILE-013185	Close out Project with DTR.		12/31/2017		1	

Step 5: Enter narratives into “Progress Detail” and date field of “Orig.Est.Com.Date”, then click “Save” button

**Save**

Milestone Name: MILE-013181  
Project Award: 003283

Description: Grant Agreement Executed

Progress Detail: 12/28/2015 Q1 The contract with CDOT is expected to be

Orig. Est. Com. Date: 10/1/2016  
Rev. Est. Com. Date: 12/31/2016 [ 12/28/2015 ]  
Actual Completion: [ 12/28/2015 ]  
Number of Revisions: 3

Step 6: Repeat Step 2, 3, 4, 5 to complete the initiation of all Milestones for the award.

Step 7: Use the same steps to **update Milestones quarterly (March, June, September and December) for capital projects and monthly for admin/operating, mobility and planning projects** until the project milestones are completed and the actual Completion Dates are entered.

Award-001334 30 ft Bus Replacement

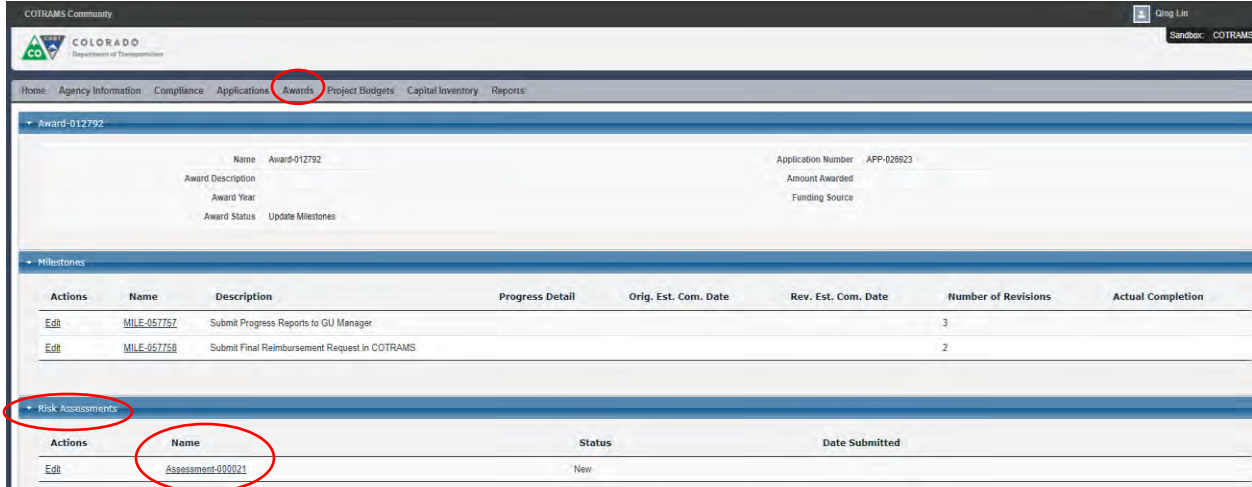

Edit	Name	Description	Progress Detail	Orig. Est. Com. Date	Rev. Est. Com. Date	Number of Revisions	Actual Completion
<a href="#">Edit</a>	<a href="#">MILE-011625</a>	RFP/IFB Issued	1/5/2014 Qing Lin RFP will be issued in Feb 2014	2/11/2014			
<a href="#">Edit</a>	<a href="#">MILE-011624</a>	Contract Award	1/5/2014 Qing Lin Contract will be awarded in June 2014	6/25/2014			
<a href="#">Edit</a>	<a href="#">MILE-011623</a>	First Vehicle Delivered	1/5/2014 Qing Lin First vehicle delivery is expected in April 2015	4/26/2015			
<a href="#">Edit</a>	<a href="#">MILE-011622</a>	All Vehicle Delivered	1/5/2014 Qing Lin We anticipate to receive all vehicles in June 2015	6/8/2015			
<a href="#">Edit</a>	<a href="#">MILE-011621</a>	Contract Complete	1/5/2014 Qing Lin Contract will be completed in Aug 2015	8/7/2015			

Note: Please be aware that CDOT reports these milestones to the FTA, so please provide as substantive of a response as possible. For example, rather than simply writing “nothing to report” or “in progress” while you’re waiting for vehicle delivery, say something like “vehicle ordered, awaiting delivery next quarter.”

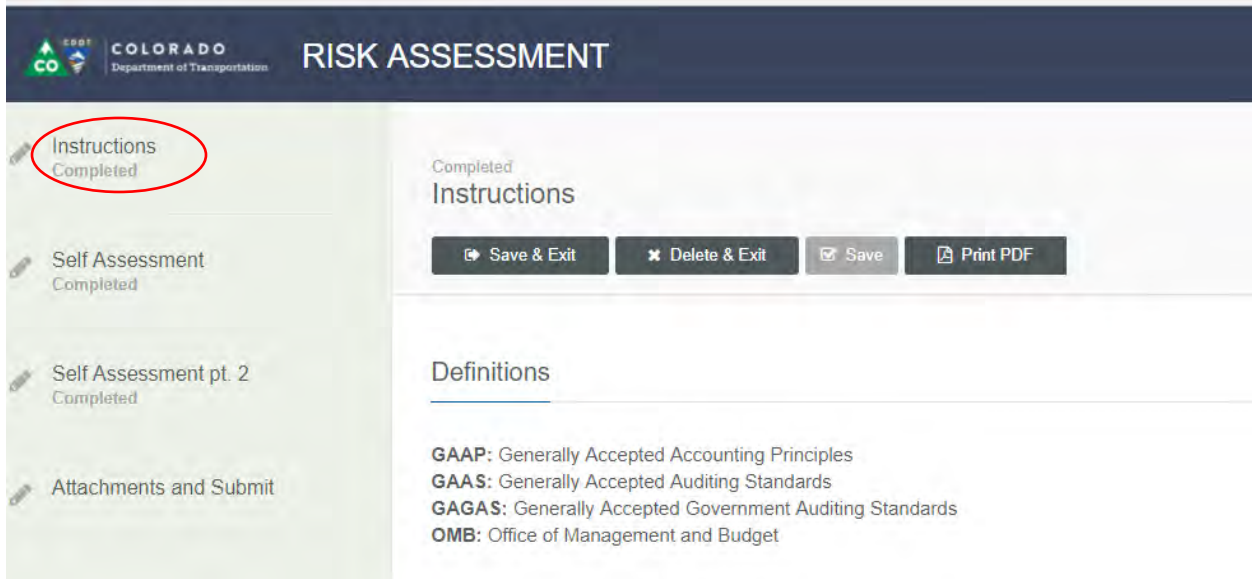

## SECTION 7: INSTRUCTIONS ON RISK ASSESSMENT TOOL

Risk Assessment forms can be found under related award, similar like Milestones. One award will have only one risk assessment form for you to fill out.

Each Risk Assessment form has 25 to 27 questions, and all the questions are required. You will find the instructions for each question under the first section. Please carefully read the instructions before you start to answer the questions.

Please be advised that the final scores of self-assessment and CDOT assessment will lead to the risk level of each project. The risk level will help CDOT to determine the level of effort required on technical assistance and monitoring for the particular project.

## SECTION 8: INSTRUCTION ON REVIEWING PROJECT BUDGETS

Once the award is budgeted in CDOT’s financial system, then a project budget will be created in COTRAMS. You can review all project budgets under the tab of “Project Budget” in three sections:

- 1) Executed Project Budgets
- 2) Not-Executed Project Budgets
- 3) Closed/Withdrawn project budgets

Project Budget	Status	Award	PO Number	Contract Expiration Date	Project Description	Request Type	Original Contract	Pending Requests	Approved Requests	Available Balance	Action

You can review the basic information of the project here, such as, Project Status, PO Number, Contract Expiration Date, Project Balance...etc.

Currently there are eleven statuses for Project Budget:

- 1) Not Started
- 2) SOW
- 3) Shopping Cart Submitted
- 4) Contract Offered
- 5) Executed
- 6) PCR Approved
- 7) PA Approved
- 8) First Invoice
- 9) Grant Closeout
- 10) Withdrawn
- 11) Transferred to Region

By clicking a particular project budget under “Executed Project Budgets” section, you will be able to further review other information related to the project budget, like View Contract, Procurement Requests, Reimbursement Requests, 5310 or 5311 Quarterly Program Measure Reports and Final Grant Closeout Form:

Please refer to this user manual in sections 9, 10, 11, and 12 for the information on how to submit Procurement Requests, Reimbursement Requests, Program Measure Report and Grant Closeout forms.

## SECTION 9: INSTRUCTIONS ON PROCUREMENT REQUESTS

These instructions have been prepared for CDOT grant partners to describe how to submit procurement requests through the COTRAMS Community and track the status of those requests. Now CDOT DTR grant partners can submit Procurement Concurrence Requests and Purchase Authorizations to CDOT for approval when purchasing vehicles, conducting construction and planning projects that involve the procurement process. Community users can also utilize the procurement module to generate online Notice of Acceptance forms and Security Agreement forms for vehicle purchases.

Step 1. Under the “Project Budgets” tab on the COTRAMS Community, Grant Partners will be able to view the project budget. Make sure an award is made, all milestones have been initiated for the “Original Estimate Completion Date”, and a contract is executed. Otherwise, the project budget will be invisible for Community users.

To submit a request for procurement, Grant Partners will begin by choosing the available **Capital/FASTER Capital** and **Planning/FASTER Planning** projects under the appropriate contract.

Project Budget	Award	PO Number	Contract Expiration Date	Project Description	Request Type	Original Contract	Pending Requests	Approved Requests	Available Balance	Action

Progress Towards Procurement Process Completion

**1** Procurement Concurrence Request (PCR)      2 Purchase Authorization (PA)      3 Notice of Acceptance (NA)      4 Security Authorization (SA)

Step 4. Scroll down and you will see the second section of "Procurement Detail Records", a new Procurement Concurrence Request (PCR) is generated by the system and is ready for you to edit by clicking "Edit".

Procurement Detail Records

Actions	Name	Record Type Name	Status
<a href="#">Edit</a> <a href="#">Delete</a>		Procurement Concurrence Request (PCR)	Not Started
Actions	Name	Record Type Name	Status

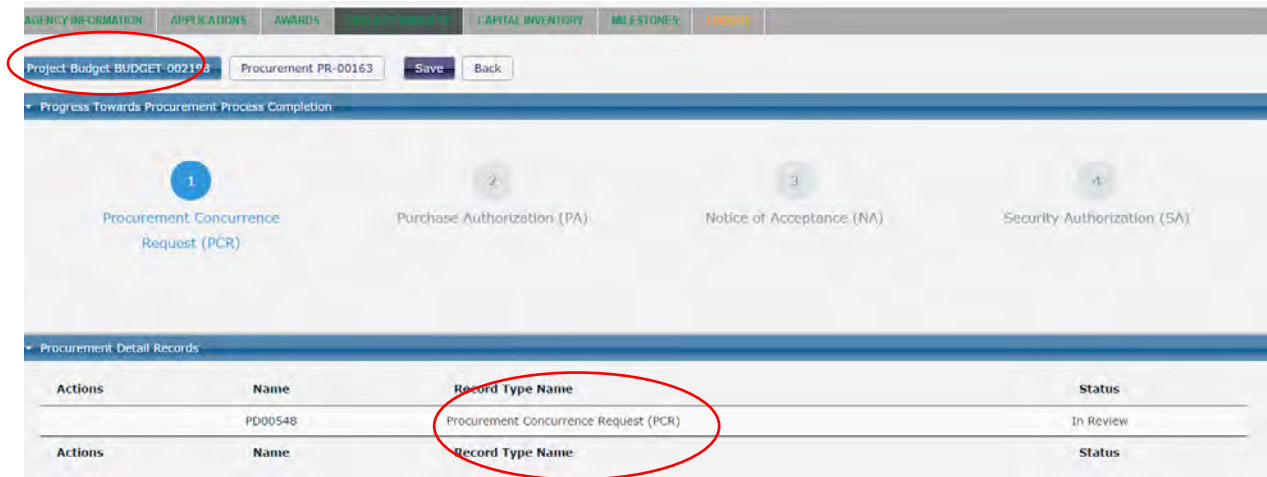

Step 5. Fill out the Procurement Concurrence Request Form and upload supporting documents for any procurement selected other than the CDOT DTR Price Agreement. When uploading supporting documents, you must first click “Choose File”, be sure to click the “upload” button or it will not be attached for your grant coordinator. Then Save and Submit.

Please communicate with your grant coordinator regarding the required supporting documentation.

Step 6. COTRAMS takes you back to the PR page where you will be able to monitor the status of PCR. You will also receive a confirmation email of PCR submittal.

Step 7. CDOT’s project manager will receive a notification email of PCR submittal, and will approve or reject it. COTRAMS Community users will receive a notification email of approval or rejection as well. The status of PCR will change to Approved/Rejected in the COTRAMS Community.

## SECTION 10: INSTRUCTIONS ON REIMBURSEMENT REQUESTS

These instructions have been prepared for CDOT’s grant partners to describe how to submit reimbursement requests through the COTRAMS Community and track the status of those requests. This new feature is being made available for use in 2016.

COTRAMS has seven different types of project budgets, based on the types of awards CDOT makes. When a Grant Partner wishes to submit a project expense for reimbursement, they’ll begin by choosing the project budget type associated with the appropriate contract (PO). The following table defines the different project budgets.

- |                           |  |
|---------------------------|--|
| 1. Admin/operating        | FTA 5311 Admin/Operating projects  |
| 2. FASTER Capital         | FASTER Vehicle or Equipment projects   |
| 3. FASTER Operating       | FASTER Operating projects  |
| 4. Capital                | FTA 5310, 5311, 5339 Vehicle or Equipment projects                               |
| 5. Mobility Management    | FTA 5310 Mobility Management projects  |
| 6. Planning/Others        | FTA 5304 Planning projects, FTA Construction, Consultant<br>And LCC/RCC Projects |
| 7. FASTER Planning/Others | FASTER Planning, Construction and consultant projects                            |

Project Budget	Award	PO Number	Contract Expiration Date	Project Description	Request Type	Original Contract	Pending Requests	Approved Requests	Available Balance
<a href="#">BUDGET-002203</a>	Award-003283	2121	12/1/2016	2017 FASTER Capital	FASTER Capital	\$150,000.00	\$56,000.00	\$0.00	\$94,000.00
<a href="#">BUDGET-002202</a>	Award-003282	56987		2017 FASTER Operating	FASTER Operating	\$80,000.00	\$6,850.00	\$0.00	\$73,150.00
<a href="#">BUDGET-002200</a>	Award-003280	236894		2017 Admin/Operating awards	Admin/Operating	\$200,000.00	\$8,290.00	\$5,286.00	\$186,424.00
<a href="#">BUDGET-002199</a>	Award-003279	398756		2017 5304 Planning	Planning	\$50,000.00	\$49,100.00	\$50.00	\$850.00
<a href="#">BUDGET-002201</a>	Award-003281	2121212		2017 5310 Mobility Management	Mobility Management	\$150,000.00	\$149,369.00	\$0.00	\$631.00
<a href="#">BUDGET-002198</a>	Award-003278	8675309	12/31/2018	2017 5311 Capital award	Capital	\$140,000.00	\$49,400.00	\$90,000.00	\$600.00

Note: Once an award is made, **all milestones have been initiated, and a contract is executed**, Grant Partners will be able to view the project budget under the new ‘Project Budgets’ tab on the COTRAMS Community. To submit a request for reimbursement, Grant Partners will begin by choosing the available project budget under the appropriate contract.

**A. Reimbursement for FASTER and FTA Capital Projects**

Step 1. To view project budgets that have been executed and are available for reimbursements, click the project budgets tab, then choose the project budget for which you wish to request a reimbursement:

Project Budget	Award	PO Number	Contract Expiration Date	Project Description	Request Type	Original Contract	Pending Requests	Approved Requests	Available Balance
<a href="#">BUDGET-002203</a>	Award-003283	2121	12/11/2016	2017 FASTER Capital	FASTER Capital	\$150,000.00	\$0.00	\$0.00	\$150,000.00
<a href="#">BUDGET-002202</a>	Award-003282	56987		2017 FASTER Operating	FASTER Operating	\$80,000.00	\$350.00	\$0.00	\$79,650.00
<a href="#">BUDGET-002200</a>	Award-003280	236894		2017 Admin/Operating awards	Admin/Operating	\$200,000.00	\$8,290.00	\$5,286.00	\$186,424.00
<a href="#">BUDGET-002199</a>	Award-003279	398756		2017 5304 Planning	Planning	\$50,000.00	\$49,100.00	\$50.00	\$850.00
<a href="#">BUDGET-002201</a>	Award-003281	2121212		2017 5310 Mobility Management	Mobility Management	\$150,000.00	\$149,369.00	\$0.00	\$631.00
<a href="#">BUDGET-002198</a>	Award-003278	8675309	12/31/2018	2017 5311 Capital award	Capital	\$140,000.00	\$49,400.00	\$90,000.00	\$600.00

Note: From this page view, you can also see the CDOT PO#, Contract Expiration Date, Original Contract Amount, Pending/Approved Requests and Available Balance. Please pay attention to the reimbursement request record type to ensure the fund is the appropriate one for your request.

Step 2. After you click the desired project budget, COTRAMS will take you to another page. This page displays the available balance based on the total pending requests and approved requests.

Also, note that any existing reimbursement requests, along with their status, will be displayed on this screen. To view previously submitted reimbursement requests, simply click on the underlined Request number.

Step 3. Click the “Add Reimbursement” button. COTRAMS will bring you to another page for a new reimbursement form.

Fill out the first section of “**Agency Information**” with any Agency Invoice Number that you choose to assign, Requested Month and Year, then click the “Save” button.

Reimbursement BUDGET-002203    New Request    **Save**    Cancel

**Type: FASTER Capital**

▼ Agency Information

<b>Program</b>		<b>PO Number</b>	
<b>Agency Name</b>	Johnson County Specialized Transit	<b>Agency DUNS Number</b>	1111111122
<b>Agency Address</b>	123 Test Street, Boulder, CO 82659	<b>Vendor Number</b>	1005
<b>Agency Phone</b>	(949) 555-5555	<b>Agency Invoice Number</b>	147
<b>Agency Fax</b>	(123) 555-1234	<b>Requested Month</b>	Jan ▼
<b>CFDA</b>		<b>Requested Year</b>	2017

Step 4. For FASTER or FTA Capital reimbursements, you will need to select whether the reimbursement is for vehicle or equipment in **Part A- Reimbursement Summary**. For other types of reimbursements, please skip this step and go to Step 5.

← **Part A - Reimbursement Summary**

Vehicle or Equipment Reimbursement?    Vehicle ▼

Pending Request

Approved Request

If you select Vehicle, then you need to go to **Part B – Detailed Expense Line items**, then click “Add Vehicle” to select a vehicle from your vehicle inventory. **Please be advised that you can select one vehicle per reimbursement request.**

Part B - Detailed Expense Line Item

Select the vehicle for which you are submitting this reimbursement request. Vehicle information must be completed in Capital Inventory before selecting it.

Vehicle	VIN	Costs
<input type="button" value="Add Vehicle"/> <input type="button" value="Save"/>		

---

Capital Inventory - Vehicles

<input type="checkbox"/>	Model Year	Manufacturer	Model	VIN	Fleet ID	Vehicle Condition	Vehicle In Use
<input type="checkbox"/>	2007	Ford	Fusion	3FAHP07Z27R223885		Good	<input type="checkbox"/>
<input type="checkbox"/>	2007	Ford	Fusion	3FAHP07Z27R223885		Good	<input type="checkbox"/>
<input checked="" type="checkbox"/>	2007	Ford	Fusion	3FAHP07Z27R223885		Good	<input checked="" type="checkbox"/>

Step 5. Enter Total Cost and Eligible Expense Amount into **Part B- Detailed Expense Line Item**, then click “Save”.

Note: for a vehicle reimbursement, please enter the vehicle into Capital Inventory before selecting it and make sure you enter the total cost for the vehicle so you won’t need to enter Total Cost in the reimbursement.

Part B - Detailed Expense Line Item

Select the vehicle for which you are submitting this reimbursement request. Vehicle information must be completed in Capital Inventory before selecting it.

Vehicle	VIN	Costs
<input type="button" value="delete"/> <input type="text" value="1 INV-00004669"/>	3973897489378	Cost of Vehicle \$72,000.00 Eligible Expense <b>70000.00</b> Overmatch \$2,000.00

Step 6. After the “Save” Button is clicked, **Part A- Reimbursement Summary** will auto populate the calculation for the total cost, total Eligible Expense, FASTER/FTA Share, local share and highlighted the total amount to be reimbursed to Agency. It also shows the total Pending request for this reimbursement. Once the reimbursement is approved by CDOT, it will show the total approved request amount.

Part A - Reimbursement Summary

Vehicle or Equipment Reimbursement? Vehicle

Pending Request	\$56,000.00
Approved Request	\$0.00
Total Cost of Vehicle/Equipment	\$72,000.00
Total Eligible Expenses	\$70,000.00
Faster Share of Eligible Expenses	\$56,000.00
Local Share of Eligible Expenses	\$14,000.00
Overmatch	\$2,000.00
<b>Total Amount to be Reimbursed to Agency</b>	<b>\$56,000.00</b>

Step 7. Scroll to **Part C– Certification** to certify that the information provided is true and correct.

Part C - Certification

I certify that to the best of my knowledge and belief the information and data in this Request for Reimbursement Invoice are correct and that all the outlays were made in accordance with the grant conditions or other agreements and that payment is due and has not been previously received.

Step 8. Scroll to **Part D- Final Invoice** to answer the question whether it's a **final** invoice for **this** project. If not, explain the reason.

Part D - Final Invoice

Is this the final invoice? No

If no, please explain?  
Waiting for one more vehicle to be delivered next month.

Note: If you select “Yes” to confirm the final invoice, COTRAMS will generate an email to alert the CDOT project manager and Business Office to close out the PO and liquidate any remaining balance.

Step 9. Add any relevant attachments by clicking “Add/View Attachment” button at the bottom of the page. Attachments would include the purchase invoice and lien. Some are prerequisites to being reimbursed.

[Add/View Attachment](#) [Save](#) [Submit for Approval](#) [Print](#) [Cancel](#)

**Please be advised that all capital reimbursement request must submit the following documents:**

- ICE
- PCR ( with FTA Clauses, if outside CDOT Price Agreement)
- PA
- NA- Signed
- SA- Signed
- Application for Title and Registration, Lien Holder: Colorado Department of Transportation
- Vendor Invoice
- Proof of Payment
- Post Delivery Certifications (FTA Only)

Step 10. After you have attached all required documents, please feel free to enter any comments into the “Submission Remarks” text field under the **Part E**:

Step 11. Click “Save” and “Submit for Approval” When you are ready to submit.

**After** submitting your request, follow these next steps:

Step 12. COTRAMS will generate an email to confirm the reimbursement request is received by CDOT.

Step 13. Print the reimbursement request report. After submitting your request, you could click the “Print” button to save your reimbursement request document in the “Add/View Attachments” then you could download and print from “Add/View Attachment”. It will take a couple seconds to populate so please be patient.

**Upload**

**Current Attachments**

Contract Balance Summary - BUDGET-002203

Project Budget	BUDGET-002203	PO Number	2121
Project	Award-003283	Funding Source	FASTER
Description	2017 FASTER Capital		
Original Contract	\$150,000.00		
Available Balance	\$94,000.00		
FASTER Pending Requests	\$56,000.00		
FASTER Approved Requests	\$0.00		

Project Budget Requests

Add FASTER Capital Reimbursement

Action	Name	Agency Invoice #	Status	Date Submitted	Reimbursement Period	Pending Requests	Approved Requests	Request Type	Sub Request Type
<a href="#">Edit</a>	REQ-00002291	147	Revision Requested	12/29/2015	Jan 2017	\$56,000.00	\$0.00	FASTER Capital	Vehicle

Step 14. Click “Edit” button to review **Part E- CDOT Comments** and make editions per CDOT comments. Then save and resubmit the reimbursement.

Part E - CDOT Comments

BO Comment ~~reject~~      CDOT Project Manager's Comments ~~reject~~

***B. Reimbursement for FASTER Operating, FTA Admin/Operating and FTA Mobility management***

Step 1,2,3, are the same as the reimbursement procedures for capital projects.

Step 4 is not needed

Step 5 has a slight difference from capital reimbursements, in that there are many expense line items available from which to choose and add or delete.

Part B - Detailed Expense Report

Expense Line Item	Total Cost	Eligible Expenses
<input type="button" value="delete"/> 1 Facility Maintenance	8,000.00	8,000.00
<input type="button" value="delete"/> 2 Employee Benefits	5,000.00	5,000.00
Total	\$ 13,000.00	\$ 13,000.00

Step 6 is the same as the reimbursement for capital projects

Step 7 for Part C- Certification is slightly different from capital reimbursements. You will need to check two boxes rather than one at the end:

Part C - Monthly Report and Certification

I have submitted a Monthly Report for this Request for Reimbursement Invoice to my Grant Manager. When you submit an invoice, email a Progress Report to your Grant Manager. Include items under your contract and scope of work. Describe what scope of work components this invoice is covering.

I certify that to the best of my knowledge and belief the information and data in this Request for Reimbursement Invoice are correct and that all the outlays were made in accordance with the grant conditions or other agreements and that payment is due and has not been previously received.

Steps 8, 9, 10, 11, 12, 13,14 are the same as the reimbursement procedures for capital projects.

**C. Reimbursement for Planning/Construction and FASTER Planning /Construction**

FTA Planning project reimbursement is almost as the same as Admin/Operating reimbursement except for Part C- Project Status. You are required to provide a narrative for the project when you are requesting each reimbursement.

▼ Part B - Detailed Expense Line Item

Add Item

	Item Description	Amount In Cash	Amount Eligible
<a href="#">delete</a>	1 Planning Services - Transp	5600.00	4400.00

Save

▼ Part C - Project Status

Project Status Completed project plan and presented to stakeholder group for approval. Expect final approval in January steering committee meeting.

## SECTION 11: COTRAMS QUARTERLY FTA 5310 and 5311 PROGRAM MEASURE REPORT

COTRAMS automates online quarterly FTA 5310 and 5311 program measure reports certain dates as of January 1<sup>st</sup>, April 1<sup>st</sup>, July 1<sup>st</sup> and October 1<sup>st</sup> for all active 5310 and 5311 projects. CDOT will notify Grant Partners to fill out the forms and submit them through COTRAMS.

### A. FTA-5310 Program Measure Report

Step 1. Log into COTRAMS Community, then click the tab of “Project Budgets”, click the budget that is an FTA 5310 project, including Capital or Mobility Management projects:

Project Budget	Status	Award	PO Number	Contract Expiration Date	Project Description	Request Type	Original Contract	Pending Requests	Approved Requests	Available Balance	Action
BUDGET-010082	Executed	Award-012652	491011111	12/31/2019	2019 5311 Admin/Operating	Admin/Operating	\$200,000.00	\$0.00	\$6,594.00	\$193,406.00	Update Milestones
BUDGET-010084	Executed	Award-005456	491033333	12/31/2020	2019 5310 award	Capital	\$100,000.00	\$0.00	\$1,000.00	\$99,000.00	Update Milestones
BUDGET-005503	Executed	Award-004260	26513215	12/31/2017	2018 5310 MM Award	Mobility Management	\$100,000.00	\$9,000.00	\$11,000.00	\$80,000.00	Update Milestones
BUDGET-010083	Executed	Award-003561	491002222	12/31/2019	2019 5310 Capital award	Capital	\$50,000.00	\$0.00	\$10,000.00	\$40,000.00	Update Milestones
BUDGET-005716	Executed	Award-008523	1232435		2018 FASTER Planning Award	FASTER Planning	\$80,000.00	\$9,200.00	\$0.00	\$70,800.00	Update Milestones
BUDGET-002713	Executed	Award-004258	491004444	12/31/2019	2019 Planning award	RTAP	\$50,000.00	\$0.00	\$1,100.00	\$48,900.00	Update Milestones

Step 2. COTRAMS will open this project budget, click the section of “Program Measure Report” to expand the section:

Action	Name	Agency Invoice #	Status	Date Submitted	Reimbursement Period	Pending Requests	Approved Requests	Request Type	Final Invoice
	REQ-00010701	235789	Financials Approved	7/28/2017	Jan 2017	\$0.00	\$11,000.00	Mobility Management	Yes
Edit Delete	REQ-00011086	236987	Drafted		Jan 2017	\$9,000.00	\$0.00	Mobility Management	

Step 3. Once the section expanded, click the “Edit” button to open up the Program Measure Report:

Action	Name	Report Timeframe	Status
<a href="#">Edit</a>	PMR-000004	Q2 - 2017	Submitted
	PMR-000005	Q2 - 2017	Draft
	PMR-000003	Q2 - 2017	Submitted
	PMR-000002	Q2 - 2017	Submitted
	PMR-000001	Q2 - 2017	Submitted

Step 4. Fill out each question under Performance Measures for the first section of “Progress Report”:

**PROGRESS REPORT**

Progress Report Completed

Attachments Completed

Certification Completed

Save & Exit Print PDF

12/16/2016 9:00/2017 12/31/2017 Quarterly

**Performance Measures**

**Program Performance Measures**

% of calls received at the call center from older adults: 50%

# of rides deviated to or from the transit center: 47

**Program Performance Narrative**

Mr. Baker was excited because he had successfully taken the light rail from Bronco's stadium. The information he learned from the call center was helpful to him because he was able to ride on a reduced fare and did not miss the scheduled arrival.

We have had an increase in calls from older adults due to our outreach at senior centers.

Please use this space to list the quantitative performance measures you use to track the success of your projects, complete with corresponding data.

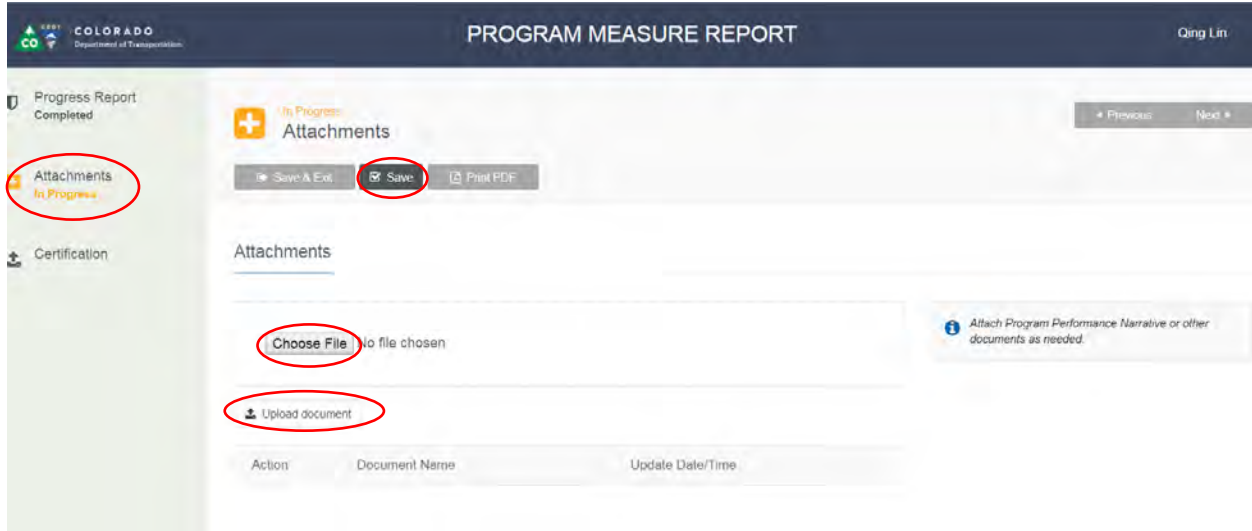

Example: # of employees and volunteers who have completed training to improve customer service: 2 employees, 3 volunteers

Please use this space for narratives that describe your project's accomplishments this quarter. Please also include a success story.

If needed, attach documents using the Attachments tab.

You will find the help text at the right side, these help texts explain what the requirement is for each question.

Step 5. Save this section then go to the next section of Attachments to upload supporting documentations by clicking “Choose File” and “Upload document” button. Make sure to “Save”:

Step 6. Click the section of “Certification” to certify and sign the document by the Authorized Certifying Official, and enter the information for Authorized Certifying Official, Phone and Email:

Step 7. Make sure to click the “Save” button and save the document.

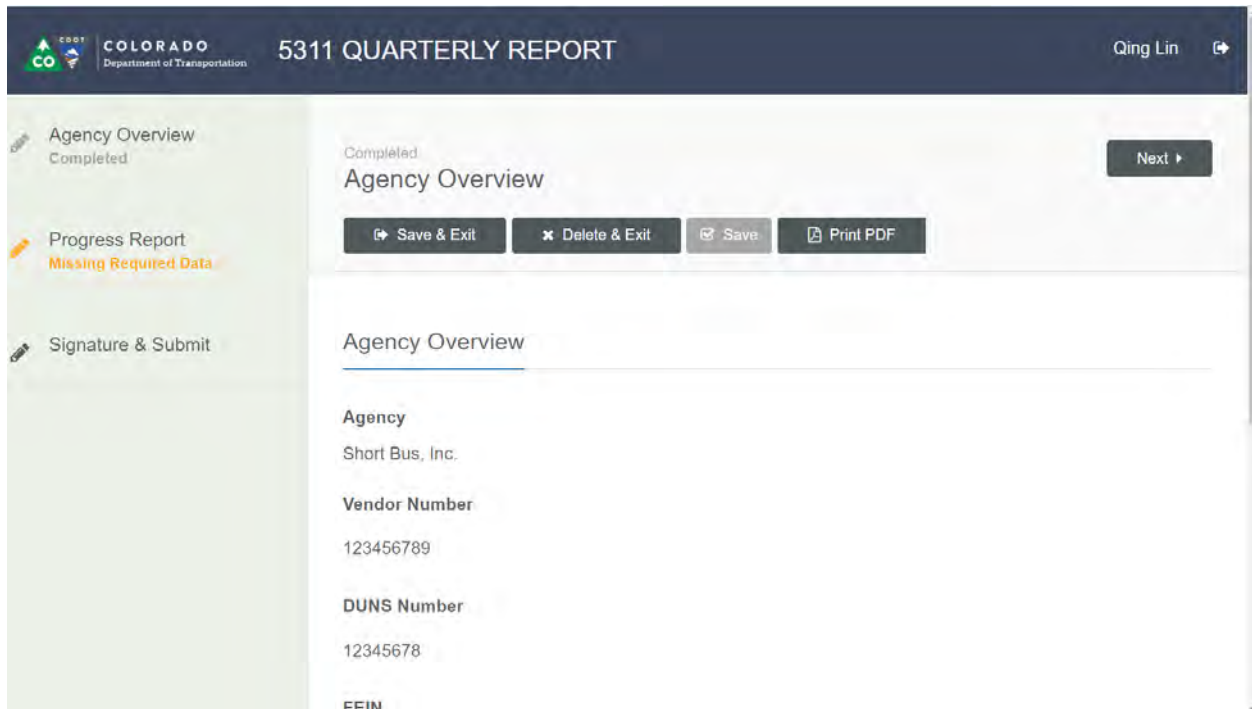

Step 8. The last step is click the “Submit” button to submit the report! You can print out the report by clicking “Print PDF”:

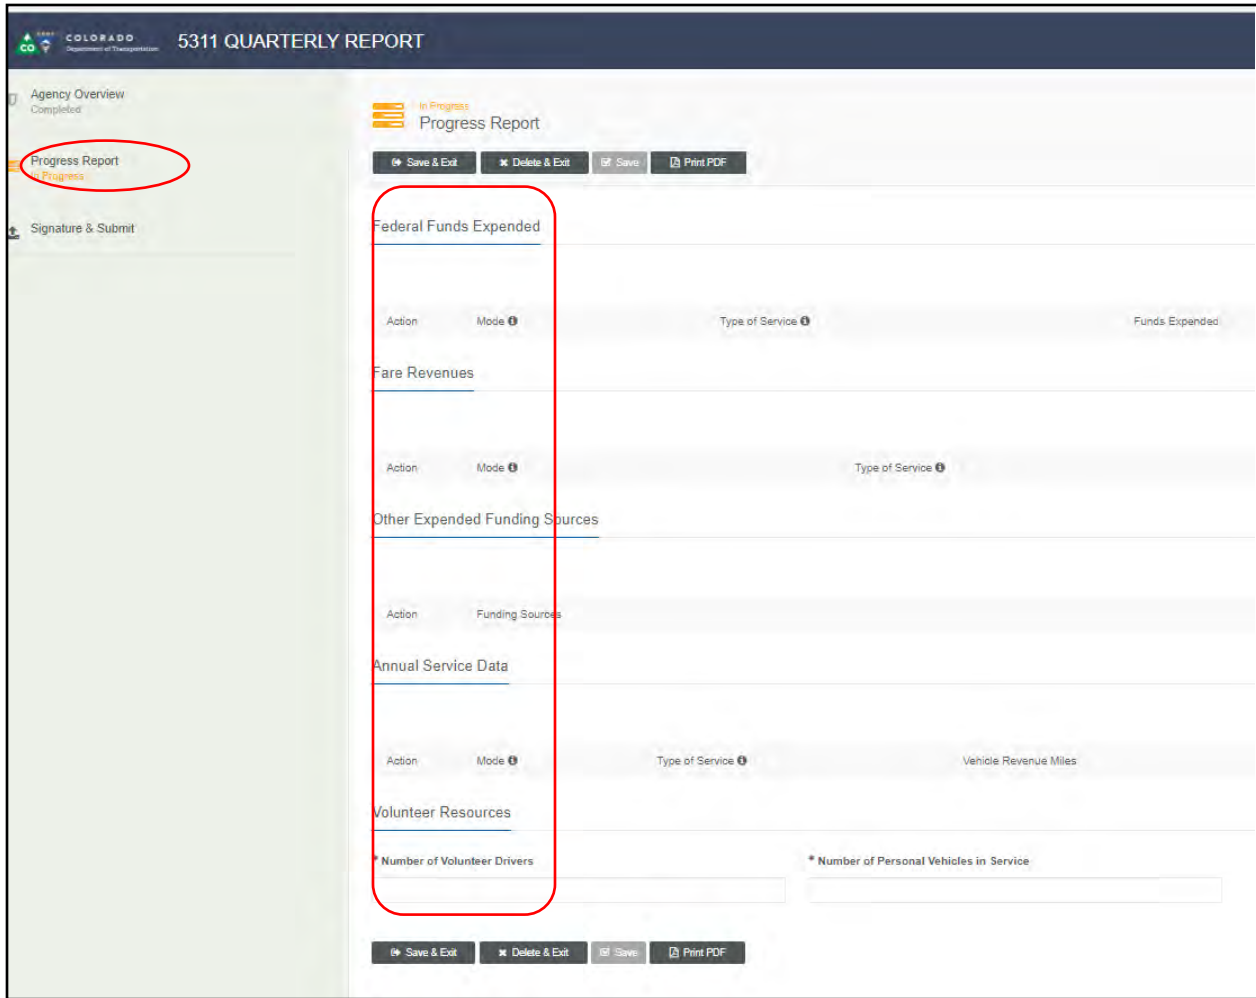

**B. FTA-5311 Program Measure Report**

All the steps are similar to FTA-5310 Program Measure Report, except the questions are different:

Step 1. The information in the first section of the Agency Overview should be auto-populated, if you don't see the info then please exit the PMR and update the Agency Information first.

Step 2. Once the data for your Agency is entered, then please click the next section of “Progress Report” .

The reports will be due Quarterly: End of April = January – March, End of July = April – June, End of October = July – September, End of January = October – December.

Step 3. The 5311 Quarterly/Program Measures Report follows the NTD RR-20 closely, but not exactly.

Add Funds expended by Mode and Type of Service

Modes: MB = Fixed Route, Deviated Fixed Route, DR = Demand Response, RB = Bus Rapid Transit, CB = Commuter Bus, & TR = Arial Tramway

Types of Service: DO = Directly Operated, PT = Purchased Transit (Only use this if you have a contract with another organization to operation the service., i.e., FirstTransit)

The Funds Expended should be the true totals (if you have the data) or an estimate of what your organization has spent in that quarter.

Step 4. Enter the Operating Funds and Capital Funds for your organization per each Mode and Type of Service.

Below is a comparison between the NTD RR-20 and the CDOT 5311 Quarterly PMR.

RR-20	5311 Quarterly PMR
Funds Expended by Mode	Funds Expended
Fare Revenues by Mode	Fare Revenues
Other Directly Generated Funds	Does not capture this data (add to Sources of Expended Funds)
Non-Federal Funds Expended by Mode	Sources of Expended Funds
Other Federal Funds	Add as Federal
Volunteer Drivers/Vehicles	Volunteer Drivers/Vehicles
Service Data by Mode	Service Data by Mode
Safety Data	Does not capture this data

Step 5. Now add Fare Revenues by Mode and Service Type:

Fare Revenues

+ New Fare Revenues

Action	Mode ⓘ	Type of Service ⓘ	Funds Expended
--------	--------	-------------------	----------------

Step 6. Enter sources of Expended Funds by Funding Sources:

Other Expended Funding Sources

+ New Other Expended Funding Sources

Action	Funding Sources	Funds Expended
--------	-----------------	----------------

- a. Funding Sources Include: Donations, Contract Revenue, Local Funds, State Funds, Federal Funds, Advertising, Other
- b. Sources of Expended Funds should match Fund Expended

Step 7. Enter your Service Data: This is the Service Data for the Reporting Quarter.

Annual Service Data

+ New Annual Service Data

Action	Mode ⓘ	Type of Service ⓘ	Vehicle Revenue Miles	Vehicle Revenue Hours	Unlinked Passenger Trips
--------	--------	-------------------	-----------------------	-----------------------	--------------------------

- a. Service Data must be entered by Mode and Service Type:

New Record

Mode	Type of Service	Vehicle Revenue Miles
--None--	--None--	
Vehicle Revenue Hours	Unlinked Passenger Trips	

Save Close

Step 8. Enter your Volunteer Resources: If you do not have volunteers, please enter 0.

Volunteer Resources

---

\* Number of Volunteer Drivers

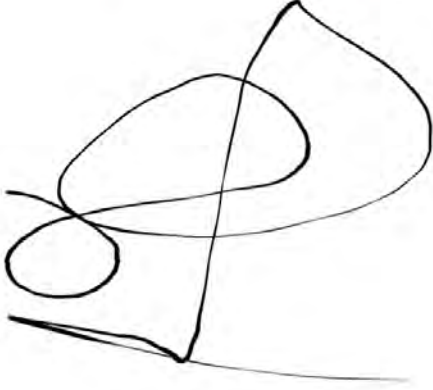

\* Number of Personal Vehicles in Service

Step 9. Once you have signed the report the final step will be to click “Submit”

Signature & Submit

## SECTION 12: INSTRUCTIONS ON GRANT CLOSEOUT FORM

This section is prepared for CDOT grant partners to submit online grant closeout forms through COTRAMS and track the status of closeout.

Step 1. After a final reimbursement request of a project is approved, COTRAMS will generate an online grant closeout form under the Project Budget Grant Closeout section, please see followed screenshots:

The screenshot shows the COTRAMS interface with the following sections:

- Navigation Bar:** AGENCY INFORMATION, APPLICATIONS, AWARDS, PROJECT BUDGETS (highlighted), CAPITAL INVENTORY, MILESTONES, REPORTS, LOGOUT.
- Contract Balance Summary - BUDGET-005503** (highlighted):
 

<b>Project Budget</b>	BUDGET-005503	<b>PO Number</b>	26513215
<b>Project</b>	Award-004260	<b>Funding Source</b>	FTA-5339
<b>Description</b>	2018 5310 MM Award		
<b>Original Contract</b>	\$100,000.00		
<b>Available Balance</b>	\$40,000.00		
<b>FASTER Pending Requests</b>	\$0.00		
<b>FASTER Approved Requests</b>	\$60,000.00		
- Project Budget Reimbursement Requests**:
 

[Add Faster Operating Reimbursement](#)

Action	Name	Agency Invoice #	Status	Date Submitted	Reimbursement Period	Pending Requests	Approved Requests	Request Type	Final Invoice
<a href="#">REQ-00010697</a>		236598	Financials Approved	7/26/2017	Jan 2017	\$0.00	\$60,000.00	FASTER Operating	Yes
- Grant Closeout** (highlighted):
 

Action	Name	Contract Name	Purchase Order Number	Status
<a href="#">Edit</a>	<a href="#">GC-000008</a>		26513215	Draft

Step 2. The submitter of the final invoice will receive a notification email from COTRAMS stating a grant closeout form is generated and ready to be filled out.

COTRAMS Community user can go into COTRAMS and find the grant closeout form under the project, click the Edit button.

Action	Name	Contract Name	Purchase Order Number	Status
<a href="#">Edit</a>	GC-000008		26513215	Draft

An online Grant Closeout Form will open in another window, please fill out the form with your Job Title and Date, and then check the box for the certification:

**Grant Closeout/Liquidation Form**

**Short Bus, Inc.** (Agency) has contracted with the Colorado Department of Transportation under contract Purchase Order Number **26513215** and associated FASTER Project Number **25417**; which has an expiration date of **07/26/2017** .

**Short Bus, Inc.** (Agency) has completed all activities and is requesting that the above referenced contract/grant be closed and the remaining funds liquidated.

**Funds Remaining (to be liquidated)** \$40,000.00

**On Behalf of the Agency** Short Bus, Inc.  
**Print Name** Qing Lin

**Job Title**

**Date**

I agree with the above information and am willing to close and liquidate the grant

Step 3. After you fill out the form, click Save button at the bottom of the page to save the form, and then click Submit button to submit the form.

Step 4. Back to the Project Budget, from there you can monitor the status of the form from Submitted to Approved when CDOT approves the closeout request;

Contract Balance Summary - BUDGET-005503

<b>Project Budget</b>	BUDGET-005503	<b>PO Number</b>	26513215
<b>Project</b>	Award-004260	<b>Funding Source</b>	FTA-5339
<b>Description</b>	2018 5310 MM Award		
<b>Original Contract</b>	\$100,000.00		
<b>Available Balance</b>	\$40,000.00		
<b>FASTER Pending Requests</b>	\$0.00		
<b>FASTER Approved Requests</b>	\$60,000.00		

Project Budget Reimbursement Requests

Grant Closeout

Action	Name	Contract Name	Purchase Order Number	Status
<a href="#">View</a>	GC-000008		26513215	Submitted

Step 4. Once the Grant Closeout Form is approved, the project status will change from executed to Closeout, and then the project will be displayed under Closed/Withdraw section under Project Budget Tab:

AGENCY INFORMATION | APPLICATIONS | AWARDS | **PROJECT BUDGETS** | CAPITAL INVENTORY

Executed Project Budgets

Not-Executed Project Budgets

Closed/Withdraw

Project Budget	Status	Award	PO Number	Contract Expiration Date	Project Description	Request Type
BUDGET-002772	Last Invoice ( Close Out)	Award- 003292	41111111	12/31/2016	2014 5311 Admin/Operating	Planning/Other

**Please be advised that once the project is closed, you should still be able to access the record but read only.**

## SECTION 13: INSTRUCTIONS ON CAPITAL INVENTORY AND ACCIDENT REPORTING

### Creating a Vehicle/Rolling Stock Inventory Item

1. Click on the **Capital Inventory** tab at the top of the page
2. Click on the **Vehicle/Rolling Stock Inventory** heading tab, if collapsed, then click the arrow and “Add New”

This action will open the vehicle information form, the top of which is shown at the bottom of this page.

3. Complete the first section of “**Vehicle Information**” and the second section of “**Purchase Information**” and save the form. Red lines denote the required fields.

*Creating a Vehicle/Rolling Stock Inventory Item (continued)*

- Complete the **Funding Source** section by clicking “Add More” button then choose funding source and enter numbers for % Funded:

- Complete the **Current Status** section. For Condition explanation, please click the search icon then a table with definition will pop out.

**FTA Condition Table**

RATING	CONDITION	DEFINITION
EXCELLENT	5	No visible defects, near new condition.
GOOD	4	Some slightly defective or deteriorated components.
FAIR	3	Moderately defective or deteriorated components.
MARGINAL	2	Defective or deteriorated components in need of replacement.
POOR	1	Seriously damaged components in need of immediate repair.

6. Fill out the last section “**Disposal Information**” when you are ready to dispose your vehicle after communicating with your grant coordinator.

Disposal Information

Date of Disposal: 12/31/2015 [ 12/31/2015 ]

Disposal Method: Donated

Method to Determine Fair Market Value: [ ]

Sale Price: [ ]

7. Click on the “Save” button. This new record will now appear under the Vehicle/Rolling Stock Inventory heading tab (refer to Step 1). The system will automatically assign the inventory item a name, starting with the letters INV-0000xxxx.
- Once a vehicle has been saved in the inventory, you can edit its information by clicking “Edit” next to the record where it appears in the Vehicle/Rolling Stock Inventory heading tab (shown below). This will enable you to update the information for this vehicle (mileage, repairs, maintenance costs, etc.) on an annual basis, as required by CDOT.

Actions	Name
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00004784
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00013167
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00013168
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00013169
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00013170

- If you have several vehicles in your fleet that are of the same make/model, you can save yourself a little bit of work by cloning an existing vehicle record, and then entering the information that is different from the original record (information such as model year, VIN, current mileage, etc.). To do this, click “Clone” next to the vehicle record that you want to copy.

Actions	Name
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00004784
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00013167
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00013168
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00013169
<a href="#">Edit</a> <a href="#">Report Accident</a> <a href="#">Clone</a>	INV-00013170

A new vehicle record form will automatically be created and open in screen. This new form is now available for editing. Don't forget to hit "Save" when you have finished entering the information for this new record.

The screenshot shows a web application interface for entering vehicle information. At the top, there is a navigation bar with tabs: AGENCY INFORMATION, APPLICATIONS, AWARDS, PROJECT BUDGETS, CAPITAL INVENTORY, MILESTONES, and LOGOUT. Below the navigation bar, there are two buttons: 'Save' (circled in red) and 'Cancel'. The main form area is titled 'Vehicle Information' and contains the following fields:

Vehicle Type	MV Minivan	Agency	Johnson County Specialized Transit
Manufacturer	Ford	Vehicle Length	15.0
Model		Seating Capacity	
Model Year	2014	Wheelchair Capacity	
VIN	3973897489378	Vehicle Features	Available: AVL System, Bike Rack, Fare Box (Electronic); Chosen:
Fleet ID		Fuel Type	Gasoline

Please be advised if you need to delete vehicles out of your inventory please contact CDOTDTR Transit Infrastructure Specialist, Community users don't have the ability to delete an inventory record.

### **Accident Reporting**

Accidents that result in more than \$5000 in damages to a grant partner's vehicle (not the other party's vehicle(s) or property damage and the vehicle was funded through FTA or State transit programs) must be reported. When they occur, accident reports are tied to vehicles that have been entered to the capital inventory. There are two ways to enter accident information.

#### **Method 1:**

1. Click on the Capital Inventory tab at the top of the page
2. Under the Vehicle/Rolling Stock Inventory heading, find the vehicle that has been involved in an accident. Click "Report Accident" under Action and the Accident Information form will open.

Police Report Number	<input type="text"/>	Fatalities	<input type="text"/>
Significant Damage?	--None--		
Estimated Damage	<input type="text"/>		
Description	<input type="text"/>	Refabrication or Replacement Necessary?	--None--

Method 2: can be used if you are already in a vehicle record that you have opened for editing.

1. From within the existing vehicle record, click on “Report Accident” at the top center of the screen.

Buttons: Edit, Clone, **Report Accident**, Delete, Cancel

Vehicle Information

Vehicle Type	AB Articulated bus	Agency	Via Mobility Services
Manufacturer	Ford	Vehicle Length	35.0
Model	E350 Club Wagon	Seating Capacity	
Model Year	2017	Wheelchair Capacity	
VIN	347532	Vehicle Features	
Fleet ID	789	Fuel Type	Gasoline

2. The Accident Information form will open. Follow steps 3 and 4 from Method 1. Don't forget to click "Report Accident" to save the accident record.

**Creating a Facility inventory record**

1. Click on the Capital Inventory tab at the top of the page
2. Click on the Facilities heading tab, if collapsed, then click the arrow and "Add New"

Rolling Stock & Support Vehicle Inventory

**Facilities**

You must inventory all federal/state-funded facilities worth over \$5,000 (we encourage you to also include non federal/state-funded facilities)

Actions	Name	Name of Facilities
<b>Add New</b>		

Park and Ride

Equipment

3. Complete the form. Red lines denote the required fields

The screenshot shows a web form with two main sections: "Facility Description" and "Purchase Information".

**Facility Description:**

- Name of Facility:
- Agency: Johnson County Specialized Transit
- Facility Type: --None--
- Property Location:
- Total Square Footage:
- Transit Dedicated Square Footage:

**Purchase Information:**

- Original Cost:
- Date Purchased/Constructed: 12/21/2015
- Minimum Useful Life (yrs): --None--

A "Save" button is circled in red at the top of the form.

4. Click on the “Save” button. This new record will now appear under the Facilities heading tab.

5. If you need to edit any information for an existing facility record, click “Edit” next to the facility and change the information accordingly. Don’t forget to click “Save” when you’re done.

## SECTION 15. INSTRUCTION ON PROGRAM DOCUMENTS MODULE

Step 1. Log into COTRAMS

Click on the “Program Documents” tab at the top of the page.

Step 2. Click on the “Add Program Document” tab at the bottom of the page on the left.

Step 3. A new window will open for Program Document form. The first section is titled “Instructions”. These instructions will let you know if a certain report is either required or apply to your specific entity.

Here are the instructions:

### **Title VI of the Civil Rights Act of 1964- required for all**

Your organization must submit a Title VI plan compliant with FTA Circular 4702.1B triennially. An updated version of this plan must be submitted every triennial review period and must reflect the triennial review date. Please find all components of the Title VI plan in the attached checklist.

Nondiscrimination/Title VI public notices included in the plan must be posted on your organization’s website.

### **Americans with Disabilities Act (ADA) required for all**

Your organization must submit **ADA compliance documentation triennially** Titles II and III if the ADA Act of 1990 provide that no entity shall discriminate against an individual with a disability in connection with the provision of transportation services The law sets forth specific requirements for vehicle and facility accessibility and the provision of service, including complementary paratransit service. Please see FTA Circular 4710.1 for more information. Your organization’s profile-should be **updated annually to reflect ADA compliance** of any construction/renovation of facilities (i.e. all or any portion of buildings,

structures, sites, complexes, equipment, roads, walks, passageways parking lots, or other real or personal property, including the site where the building, property, structure, or equipment is located) or any new inaccessible vehicles purchased.

**Equal Employment Opportunity if applicable**

Your organization must ensure that no person in the United States shall on the grounds of race, color, religion, national origin, sex, age, or disability be excluded from participating in, or denied the benefits of, or be subject to discrimination in employment under any project, program, or activity receiving Federal financial assistance under the Federal transit laws. Subrecipients who do not meet the EEO program threshold below, are not required to submit an EEO Program to CDOT, but are still required to comply with all Equal Employment Opportunity statutes and regulations.

Threshold requirements: Subrecipients that employ 50-99 transit related employees (including all part-time, seasonal and contracted employees and employees with collateral duties that support the transit program) and request or receive capital or operating assistance in excess of \$1 million in the previous Federal fiscal year or request or receive planning assistance in excess of \$250,000 in the previous Federal fiscal year must prepare and maintain an abbreviated EEO plan. An abbreviated EEO plan includes a Statement of Policy, dissemination plan, designation of personnel, assessment of employment practices, and a monitoring and reporting system. CDOT will verify that this plan has been prepared and maintained. (Please have available for the on-site portion of the review).

Subrecipients that employ 100 or more transit-related employees, and request or receive capital or operating assistance in excess of \$ 1 million in the previous Federal fiscal year, or request or receive planning assistance in excess of \$250,000 in the previous Federal fiscal year must submit a full EEO plan outlined in FTA EEO Circular 4704.1A every four years to CDOT. Templates are included as attachments in FTA Circular 4704.1. A full EEO plan will include Statement of Policy, Dissemination Plan, Designation of Personnel Responsibility, Utilization Analysis, Goals and Timetables, Assessment of Employees, Practices Monitoring and Reporting Plan.

**LOBBYING - if applicable**

Your organization must promptly notify the Colorado Department of Transportation (CDOT) of any instances relating to false claims under the False Claims Act or fraud, and must comply with restrictions on lobbying. If your

organization use local funds to lobby for transit purpose, then please fill out the PMB Standard Form LLL and submit it to CDOT Quarterly.

1. OMB Standard Form LLL (submitted quarterly if local funds are used to lobby for transit purposes)

### **FINANCIAL MANAGEMENT AND CAPACITY - required for all**

Your organization must have: financial policies and procedures; an organizational structure that defines, assigns and delegates authority; and financial management systems in place to match, manage, and charge only allowable cost to the award. Your organization must conduct a single audit (if more than \$750,000 of federal grant funds are spent in a fiscal year), and provide financial oversight of their subrecipients and/or vendors.

### **TECHNICAL CAPACITY -required for all**

Your organization must report progress of projects to CDOT, and expend and close awards timely. Your organization must ensure your subrecipients are in compliance with FTA Regulations. Your organization must be able to implement FTA-funded projects in accordance with the award application, FTA Master Agreement, and all applicable laws and regulations, using sound management practices.

### **SATISFACTORY CONTINUING CONTROL - if applicable**

Your organization must ensure that FTA-funded property will remain available to be used for its originally authorized purpose throughout its useful life until disposition.

### **MAINTENANCE - required for all**

Your organization must keep federally funded vehicles, equipment, and facilities in good operating condition, and must keep accessibility features on all vehicles, equipment, and facilities in good operating order.

### **PROCUREMENT - required for all**

Organizations use their own procurement procedures that reflect applicable state and local laws and regulations, provided that the process ensures competitive procurement and the procedures conform to applicable Federal law

### **SCHOOL BUS - if applicable**

Your organization is prohibited from providing exclusive school bus service unless the service qualifies and is approved by the FTA Administrator (in D.C.) under an allowable exemption. Federally funded equipment or facilities cannot be used to provide exclusive school bus service.

### **CHARTER BUS - if applicable**

Your organization is prohibited from using federally funded equipment and facilities to provide charter service when a registered private charter operator expresses interest in providing the same service. Your organization is allowed to operate charter service excepted under the regulations.

### **DRUG AND ALCOHOL PROGRAM - if applicable**

Organizations receiving Section 5311 or 5339 funds that have safety-sensitive employees must have a drug and alcohol testing program in place for such employees.

Step 4. After reviewing the instructions, click the “*Next*” button located on the bottom right of the screen.

This will change the status of the instruction screen from “In Progress” to “Completed” as shown in a column on the left of your screen.

The next section of “General Documentation Information” screen then appears. All fields marked with a red asterisk are required.

Step 5. Select “Report Name” from a drop-down menu comprised of thirteen selections. Click on the appropriate selection.  
Then select the “Sub report” field will list the specific report associated with the report name selected in the previous field.

The expected reports and sub-reports are listed below:

**Title VI**

- a. Title VI Plan
- b. LEP plan

**ADA**

- a. Complaint Procedures
- b. Complaint retention record
- c. Sample driver handbooks
- d. Operating/training manuals
- e. Vehicle Specification/ information on annunciators
- f. Sample internal service monitoring materials

**ADA-Complementary Paratransit**

- a. Operations/dispatch/reservation procedures
- b. Sample notification letter templates for eligibility, temporary eligibility and denials
- c. Definitions for denials, missed trips, on-time performance, and excessively long trips.

**EEO Plan**

- a. EEO plan

**LOBBYING**

- a. OMB Standard Form LLL

**FINANCIAL MANAGEMENT AND CAPACITY - *required for all***

- a. Financial policies and procedures
- b. Agency Organizational chart
- c. Financial plan projecting revenues and expenses for the next three years (or longer), including the assumptions and notes to the financial plan
- d. Annual budget to actual reconciliation reports for the most current fiscal year

**TECHNICAL CAPACITY**

- a. Oversight procedures including sample oversight checklists/monitoring materials, training materials/manuals for subrecipients and/or contractors/lessees
- b. Sample documentation of oversight conducted of subrecipients, contractors and/or lessees of facilities or equipment
- c. Project management and reporting procedures, if written

**SATISFACTORY CONTINUING CONTROL**

- a. Listing of FTA-funded real property with incidental use
- b. Listing of FTA-funded real property owned/managed by contractors, subrecipients or lessees
- c. List of FTA-funded assets identifying if they are directly operated and/or maintained, or third-party operated and/or maintained
- d. List of FTA-funded facilities constructed or renovated since the last review or planned to be constructed or renovated. For each facility, include: Projected and actual start date, the projected and actual completion date, and the FTA portion and total project cost

**MAINTENANCE**

- a. Written vehicle and equipment maintenance plan
- b. Written facility maintenance plan

**PROCUREMENT**

- a. Current procurement procedures (to include DBE assurances)
- b. A procurement contract or RFP

**SCHOOL BUS - *if applicable***

- a. List of assets used in exclusive school bus operations for: (your organization, your subrecipients, contractors, lessees)
- b. List of subrecipients, contractors, and lessees that operate exclusive school

bus service for your organization

**CHARTER BUS**

- a. Charter bus service log, along with a clear statement identifying which exception your organization relied upon when it provided charter service.
- b. List of assets used in charter bus operations for: (your organization, your subrecipients, contractors, lessees)
- c. List of subrecipients, contractors, and lessees that operate charter service

**DRUG AND ALCOHOL PROGRAM - *if applicable***

- a. Copy of board-adopted drug and alcohol policy with date of board adoption (all subrecipients that provide transit service with Section 5311, or 5339 funds)
- b. Training programs for covered employees and supervisors (all subrecipients that provide transit service with Section 5311, or 5339 funds)
- c. Drug and alcohol oversight procedures/tools/checklists

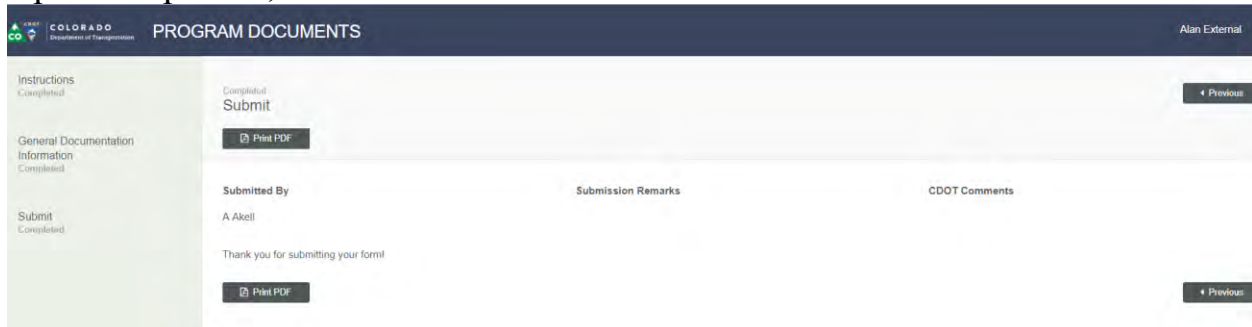

Step 6. Enter “Documentation Expiration Date” for the reports to be submitted. And “Report Period Start/End” Enter this time period by year.

Step 7. Choose file to be selected. Note: Be sure to upload the document before clicking the “Next” button.

After uploading the document, click “Next”, and the “Submit” section will appear.

Step 8. Enter your name in the “Submitted” box, and add any comments as necessary.

Upon completion, click the” Submit “button.

An e-mail notification will be sent from CDOT to the submitter acknowledging receipt of the documents.

## SECTION 16: INSTRUCTIONS ON COMMUNITY REPORTS

COTRAMS has developed the Community report function and the function is available for Community users to generate three reports: 1) Financial Report 2) Facility Inventory Report 3) Vehicle Inventory Report.

Step 1. Once you are in the Community page, please click the “REPORTS” tab, then the buttons to generate reports will appear. Click the button of “Generate Financial Report”, “Generate Facility Report” or “Generate Vehicle Report”.

Step 2. You will receive a message stating “Your report was sent for processing and will be displayed below shortly. Please check back or refresh page after 2 minutes”.
