

US 6 Bridges Design Build Project BR 0061-083

Sub Account 18838 (CN)

Date: September 4, 2012

Reply to Inquiry Request I.D. G-1

Question:

Section 3.2.1, Submitter Experience, of the RFQ states that “up to a maximum of four highway projects” shall be submitted by completing Form C, “of which one shall be a design build project”. However, Form C asks to “Provide a Maximum of two design build projects per submitter and major participant”.

Answer:

Form C of the RFQ has been revised. It states “... a maximum total of four..., one of which shall be a Design Build project by the Submitter or Major Participant.” Refer to Addenda #1, dated September 4, 2012.

Question:

If a project team has more than two major participants, are they allowed to submit more than four Form Cs?

Answer:

Section 3.2.1 of the revised RFQ dated 9-04-12 states “...up to a maximum total of four highway projects...” No more than four Form C’s are allowed or will be accepted.

Question:

How many design build projects are required to be submitted?

Answer:

Section 3.2.1 of the RFQ states “...one of the described experiences shall be a Design Build...”

Question:

Can a form C have more than one page for each project?

Answer:

Project information which does not fit in section 10 of the Form C may be attached to the Form C.
