Reply to Inquiry Request I.D. K-2

Section 4.2 states, “All printing, except for the front cover of the SOQ and resumes, must be Times New Roman, 12-point font.” Forms A-E, as provided in the RFQ, use Arial 10-point font. Are all forms excluded from the Section 4.2 requirements? If not, is it permissible to recreate the forms using the appropriate fonts, provided each question is addressed?

Answer:

You do not have to recreate the forms in font 12. Information provided on Forms A-E may be presented in the default font – this is the font the software indicates for the subject area.
